Opposed to Closing Streets. GRAND ISLAND, May 33 .- (Special.)-At meeting of the Commercial club, held last night, called at the request of Mayor Schuff, members of the council and other citizens, for the purpose of discussing the equest of closing certain streets to facilitate the removal of the freight and switching yards, much emphatic opposition was expressed to granting the re quest, in whole or in part, and after considerable discussion a motion that it be declared the sense of the meeting that no street now open be closed, regardless of where it is. Representatives of the Union Pacific were presented and stated that with the increased transfer business done here it was necessary to ask for the streets which had then asked for and onsiderable interest is felt as to what the company will now do as to remedying the matters which have led up to a decidedly aggravating situation.

Enjoins Telephone Company. Beatrice, Neb., May 23 - (Special.)-Judge Kretsinger today obtained a restraining order from Judge Babcock in the district court to prevent the Nebraska Telephone company from constructing a line through the alley at the rear of his home. He alleges in his petition that the proposed line would damage his property.

argument.

THOMAS SECURES THE PLACE

Finally Elected and Accepts Presidency of Kearney Normal.

FOWLER REFUSES TO ACCEPT THE OFFER

Promise that Building Will Be Completed in Time to Save the Appropriation Which Lapses August 31.

(From a Staff Correspondent.) Lincoln, May 23 - (Special.)-A. Thomas, superintendent of the Kearney schools, was today, by a vote of 4 to 3, 1 elected principal of the new western nor mal, after a telegram had been received stating that under the circumstances he could not accept. The same bitter opposition which Majors, Gregg and Delzell held out for Fowler was evidenced by the refusal of the treasurer, the superintendent and R. A. Tawney, the president of the board, to vote to make the election that the Kearney man would refuse to accept the place at the hands of a divided shortly after his notification by wire dispelled those doubts.

The casting vote was that of L. P. Ludden, whose return brought about the eleccorn coming slowly, some replanting to be done; potatoes coming up; fruit trees promise well.

Cedar—Weather fine for crops and everything doing well.

Colfax—Corn planting well advanced, some replanting done; winter grain doing well; oats thin and backward; rye heading.

Cuming—Corn planting about finished, but some replanting will be done.

Dixon—Corn planting about completed, some replanting done; small grain looks good, pastures backward.

Dodge—Week favorable for growing crops; corn planting nearly finished; oats and wheat in good condition; sugar beets growing well

Dougias—Corn planting about finished; wheat and oats backward.

Holt—Corn mostly planted, some up; wheat, rye and grass doing well; oats growing slowly; fruit not damaged by frost.

Knox—Corn planting delayed; wheat and

The first ballot today resulted in three votes for Thomas, three for Fordyce, and one for J. W. Searson of Wahoo, cast by Ludden. The second ballot gave Thomas four, and Fordyce three. The latter was the offering of the Mortensen faction as a compromise candidate.

Six weeks of summer school will be held at the Kearney normal, beginning June 19. The State Board of Education, before it a faculty and complete the arrangements for the summer work. Credit on the regular course will be given for the work done. The Kearney people to compete with the funior normals have made arrangements to

supply free text books. C. H. Gregg, the Kearney member the board, has reported that the new building will be completed before August 31, when the appropriation will lapse. Portions of the walls are up to the third story. The board adjourned to Peru this afternoon, where a meeting will be held this evening.

Majors Has Congressional Scheme First district politicians have discovered cording to Majors' plans the Cass, Nemaha, Otoe, Johnson, Pawnee and Richardson county candidates are to agree to choose gations by casting lots. The feature of the plan, counted on by Majors to make it, pliance with the terms of the statute, a success, is the certainty that the preponderance of Lancaster will give it the nomination in the ordinary course of pro cedure, while, according to his scheme, each one will have one chance out of six of receiving the nomination. Majors' opponents allege that he is in a scheme to allot the Nemaha county postoffices.

New Omaha Corporation. The Stewart Brothers company Omaha, with an authorized capital stock of

\$200,000, has filed articles of incorporation in the office of the secretary of state. The business is wholesale grocery and mercantile. B. W. Cotton, B. C. Stewart, C. T. Coates and J. F. Stewart, 2nd, are the incorporators. Governor Mickey will deliver an address

at the dedication of the new chapel of the Peru normal tomorrow morning. He will talk on "Character Building." New Chaplain Named.

Adjutant General Culver announced Monday that Rev. J. E. Tuttle of the First Congregational church in this city has been appointed chaplain of the Second regiment with the rank of captain. He succeeds Rev. A. E. Knickerbocker of Nebraska City. When a boy the new chaplain was offered an appointment to the West Point military academy, but was obliged to give up the prospect of a soldiers' career out of deference to the wishes of his parents.

Maccabees Injunction. District Judge Cornish today granted a temporary restraining order to prevent Auditor Searle issuing a license to the Western Maccabees. The suit was brought by the Knights of the Maccabees of the World, who claimed that the new

COLD NIGHTS CAUSE CATARRH

COLD NIGHTS CAUSE CATARRY

Everyone Should Use Hyomet and Kill the Germs.

No other season of the year is responsible for as many cases of catarrh as the Spring. The warm days and cold nights, with their frequent and sudden changes in temperature, bring the camerhal "snumes" to nearly everyone.

The germ-killing and health-giving Hyomet, when breathed through the pocket inhaler that comes with every outfit, penetrates to the most remote cells of the air passages and respiratory organs. It searches out and kills catarrhal germs in the head, throat, and lungs, soothes and heals the irritated mucous membrane, and absolutely drives catarrh from the system. The complete Hyomei outfit costs but one dollar, and includes an inhaler and sufficient Hyomei for several weeks treatment. You take no risk in huving Hyomei.

BEATRICE—Miss Berma Quintance and a Mr. Jones were quite badly injured in a far and includes an inhaler and sufficient Hyomei for several weeks treatment. You take no risk in huving Hyomei. sufficient Hyomei for several weeks treatfrom W. K. Fowler, elected last night, ment. You take no risk in buying Hyomei. Sherman & McConnell absolutely agree to refund the money if it does not give satisfaction.

plaining order, who have been dissatisfied unanimous. It was believed for a time and are now seeking to start out independently. The headquarters of the new order have been located at Grand Island. board, but a telephone message received Joined in the restraining order with the auditor is the new association.

Want Estate of Deceased Irishwoman, Governor Mickey has received a letter. from Thomas Gerrard & Co. of Dublin and Drogheda, Ireland, making inquiries as to the estate of Mary Kelley or Mary the selection of Thomas, for the opponents | Callaghan, who is supposed to have died within the last two years, either at Omaha or at El Paso, Texas. The solicitors want him as soon as the former superintendent to know, for the benefit of the Irish relwas out of the way. Ludden, on his re- atives, if there is such an unadministered estate.

To Lay Interurban Track.

W. G. Johnson, assistant secretary of he Omaha, Lincoln & Beatrice Interurban railway, said today that actual track-layng will probably begin within ten days, between South Omaha and Papillion and Lincoln and Bethany, the work proceedng simultaneously at both ends of the line. He said the construction work has been practically contracted for the entire course. although the papers have not been signed.

Cannot Force Issue of License. Attorney General Brown has filed a brief n the supreme court sustaining his demurrer to the application of E. S. Spinney of the Bankers Union of the World for a andamus to compel the issuance of a license from the auditor's department. The state contends that the auditor refused to issue the license in the free exercise of the discretion confided him by the statute, and that he cannot be coerced where the act is

The attorney general/says that Spinney has impeached the accuracy of his own statement by filing a second one in which he gives different figures, thus showing that one or the other of the sworn docu ments is inaccurate. That fact, the attorney general contends, permitted the auditor to assume that both were false. One of the discrepancies pointed out is in the membership, the former statement fixing the a month later, fixed it at 11.812. The attorney general also contends that the two reports show variances in asset items and death loss payments. He also charges that "an excessive per cent of the income has been expended for the expenses and salaries

the road will build its new sidetrack. News of Nebraska. GENEVA-Tomorrow night will be com-mencement for the Geneva High school graduates.

GENEVA-Tuesday afternoon, June 6, the Filimore County Medical association meets at the Jameson hotel.

PLATTSMOUTH—The local Grand Army post has secured Judge Holmes of Lincoln to deliver the memorial address in this city on May 39. GRAND ISLAND—David W. David, a member of Company D. Fifty-first Illinois, admitted to the Soldiers' Home in this city from York county in 1990, passed away yes-

erday. He enlisted in 1862 and served until he end of the war.

Hat a test case will be made of this action.

BEATRICE—Miss Berns Quintance and a Mr. Jones were quite badly injured in a runsway accident at Barneston Sunday afternoon. Aside from numerous bruises about the body, Miss Quintance sustained a broken nose. The young couple were riding in a double-seated carriage with Mr. and Mrs. M. E. Spooner, who escaped injury.

DAVENPORT-The annual commence DAVESPORT—The annual commencement exercises of the Davenport High school will be held in the opera house here next Friday evening, it being one of the largest classes ever graduated here, there being fifteen. The baccalaureate sermon was delivered Sunday evening at the Methodist Episcopal church by Rev. W. M. Brooks.

BEATRICE-The calendar of the twenty BEATRICE—The calendar of the twenty-fourth annual graduation exercises of the Beatrice High school begins on next Sun-day evening, when Rev. N. A. Martin will deliver the class sermon. The class day exercises will be given on Thursday even-ing, June 1. Paddock opera house, and the graduating exercises on Friday evening, June 2.

exercises will be given on Thursday evening. June 1. Paddock opera house, and the graduating exercises on Friday evening. June 2.

BEATRICE—Fred Howard and B. Frail, aged 15 and 15 years, respectively, were locked up here by the police last evening for running away from their homes Sunday morning. Howard lives at Tate. Neb., and Frail at Armour. Neb. Mr. Howard followed the boys as far as Liberty, where he lost all trace of them. The lads will be held here until their parents arrive in the city after them.

FREMONT—From all indications, the Northwestern round house which has been talked of at intervals for the last ten years will be built this scasen. Surveyors have been at work since yesterday morning running lines and settling stakes near East End and it is reported that it will be finished this summer. A new round house will indoubtedly bring a number of train crews to the city and is likely to increase the value of property in that part of town.

CAMBRIDGE—At a mass meeting of the citizens and members of the Grand Army of the Republic this evening, an executive committee was appointed to carry on the affairs of the Southwestern. Nebraska district Grand Army of the Republic, which will be held at this place August 14 to 19, 1965. This makes the sixth year for this reunion at this place. Each year has excelled the vear preceding. The committee will go to work at once to make this the best reunion ever held yet.

BEATRICE—Daniel Freeman, the first homestender in the United States, has just returned home from an extended trip through the south. While in Alabama he visited the battlefield of Fort Blakely and picked from the sand a six-pound cannon ball, which he brought home with him as a memento of the capagement which was fought April 9, 1965. General Colby of this city captured two confederate soldiers and was fought April 9, 1965. General Colby of this city captured two confederate soldiers and was fought April 9, 1985. General Colby of this city captured two confederate soldiers and was founded in the charg

cured a restraining order from Judge Bab-cock for the purpose of preventing the Rock Island from crossing some of the Union Pacific property in making its con-nection with its newly built track on Fourth street. The Rock Island intended o make connection from the present switch with the elevator of R. Davis & Co., there by obviating the necessity of two crossings on Scott street. This move on the part of the Union Pacific will necessitate the use of one track, or the construction of two crossings on Scott street.

of two crossings on Scott street.

FREMONT—Fred Wislicen, a lower Main street meat market man, is out \$12.50 on a swindle perpetrated by a smooth individual, who claimed to be the foreman of a construction gang on the Union Pacific. He came into Wislicen's market last evening and ordered \$25 worth of meat, to be delivered "at the car" near the depot and to be paid for on delivery. After being out of the shop a few minutes he came back and borrowed \$12.50 to pay a bill, telling Wislicen that he would give him a check for the full amount at the car. When the boy went to deliver the meat he found that there had been no car or construction gang of the company in this vicinity.

LEIGH—A second mass meeting of the

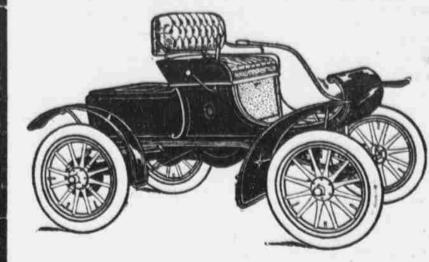

of the company in this vicinity.

LEIGH—A second mass meeting of the citizens was held last evening at the operations to discuss the water works question. The committee consisting of H. P. Buhman, C. H. Stockdale, J. F. McKinley, George Boetel and Fred Rabeler, jr., which was appointed two weeks ago to investigate the advantages and disadvantages, cost of construction, etc., of a suitable plant, made its report. There were two systems under discussion, the air pressure and the standpipe, and both had its advocates, but no conclusion was arrived at. It was decided to call a special election as soon as possible to vote \$8,000 bonds and also to decide the kind of system that should be installed.

FREMONT—The jury in the district court kind of system that should be installed.

FREMONT—The jury in the district court was excused this morning for the term. Only three jury cases were tried. M. L. Dengier recovered a judgment of \$75 against the city of Fremont for damages for the condemnation of land for the alley north of Sixth street between Broad and F streets. The action was brought to recover \$500. The jury in the case of Christian kunlagninst Frank Kneirim disagreed after being out twenty-five hours, standing eleven to one all the time. Frank Thompson was convicted of the larceny of a horse from B. E. Fleids and was sentenced to one year in the penitentiary. The case was a peculiar one. The horse was missed and found a few days after in the barn of the defendant, who was at that time working for Fields, with its mane and tail cut off.

OLDSMOBILE

is the Little Oldsmobile that went through Omaha yesterday making the trip across the continent?

Because the factory wants to show the country from ocean to ocean that the Olds is capable of the hardest work possible to put on a machine, and that it can do the work well.

WHY

is the car able to stand up so well under the fearful rack and strain put

Because every pound in its make-up is a pound of endurance. Because it is simple, durable and easily handled.

Because it is not an experiment, but the finished result of years of experience. Not a bolt, not a nut in its whole construction but has had the careful consideration of the foremost Automobile builders in this country. Because-briefly-the car is built to run and does it, whether on the city boulevards or over the roughest mountain passes.

$\mathbf{W}\mathbf{H}\mathbf{Y}$

the Olds is the best and most favorably known on the market today can be found by writing to the
