AND HEIFERS

HOGS-There was a rather heavy run of hogs here today, about 186 cars being on sale. The receipts arrived early and buyers were out in good season. The quality of the hogs was much better than yesterday and buyers took hold in good shape. The market opened with prices a little lower than yesterday and there was a fair activity displayed. The bulk of the offerings was disposed of in good time. As the morning advanced the market ruled a little stronger, but the general trade was a shade lower, easing off a little on the close. The popular price yesterday was \$5.30, with a bulk of \$5.274 to \$5.30. Today the same bulk prevailed, but the long string of the hogs sold at \$5.274, with tops reaching \$5.35. Representative sales:
