LIEBHARDT AND COMPANION SUFFER

Iwo of the Pride of Pa's Large Family Get Belted Out of Shape, While Minor Acts Like

a Wizard.

The Champions simply wanted to give the Millionaires from Colorado a chance to fatten their batting averages at the ball park Wednesday afternoon, and they succeeded in doing so to the discomfort of Mr. Liebhardt and Mr. Companion. Either that or the bunch of bushers which Mr. Burns has along with him on his trip around the country are a better gang of not able to keep their gait or their footing at Vinton street park and were sent home

first inning, although Liebhardt struck out Pennell. Blake made first on an error of Martin's and McKean's single placed him on second. Knabe struck out and the fans had hopes that things were coming our way, but Curtis and Mellor walked, forcing Blake across the plate. The umpire cut quite a figure in the game at this stage and his decisions on balls and strikes did not meet the approval of either team or the spectators. The ball that sent Mellor to first was, according to the fans and players, struck at by Mellor and should have retired the side. Dolan's error of Mott's grounder placed Mott on first and scored McKean and Curtis. Mitze flew out

Omaha's Lonely Run. The Millionaires blanked in the second and Omaha earned a run. Thomas started the inning with a double to the left field fence and Martin struck out. Schipke flew out to Blake and Gonding's single against the left field fence brought Thomas home. Liebhardt singled and Thiel struck

With a double and two singles

Omaha had scored one little tally. In the third inning Liebhardt went up for fair and the Springs, with two bases on balls and three hits, scored three runs. Companion was called on for the fourth inning, and still hey scored three on three hits and a base on balls. Knabe struck out and Curtis was an easy out from Companion to Thomas. Mellor walked and Mott bunted safe, and was followed by a double by Mitze, scoring Mellor. Minor's double to right scored Mott and Mitze. The drives made by the boys from the mountains all kept a-going until they hit the fence or were pulled down from the fence, while the Omaha hits were of the pop-up variety witch don't help much, Blake made quite a record for himself in the game, being credited with three runs, three hits, five put outs, three assists and no errors. The Grizziles could not connect with Jurrot's curves and would have been shut out had not the Packers made two errors in the ninth. Vollendorf was hit freely by the Packers during the first four innings and was replaced by Engle in the fifth, who pitched a good game. In the ninth Denver scored two runs on a single by Perrine, a two-bagger over the fence by Hostetter and errors by Shortstop Newman and Third Baseman Sheehan in making wild throws to first. The next three men up went out in one, two, three order and the game was over.

ROURKE DISPOSES OF PITCHERS Companion Goes to Colorado Springs

and Liebhardt to St. Joseph. Last evening President Rourke completed two deals which have been hanging fire for some time, and disposed of two of his pitchers. Gien Liebhardt is traded to St. Joseph for Henline, who has been playing in the outfield for the Saints Henline will not join Omaha for some time yet, but Liebhardt will go to St. Joseph at once. Companion is sold outright to Colorado Springs, and will do much to strengthen the pitching staff of the Burns team. Liebhardt has been very unfortunate with Omaha, for, while his ability as a pitcher is admitted by all, he has never been able to win a game in an Omaha uniform. His thirteeninning tie with Des Moines is the nearest he has come. He pitched good bail for Rock Island last season after leaving Omaha with a bad record of ten straight defeats. He pitched twenty-four games for the team in the Three-I league and won 542, with an average of 5.7 hits per game. He will undoubtedly do very well with St. Joseph, and some of the local fans may learn to admire him as an opponent. Companion had a good record with Omaha last season, although he was out of the game for most of the year. He will greatly strengthen the pitching staff of the Millionaires. Henline, who comes to Rourke in exchange for Liebhardt, is an experienced player, whose work has made a very good impression on Mr. Rourke. He has not yet been seen in a game in Omaha. Last evening President Rourke completed

Japanese Wrestling Exhibition.

Ikeda and Ishihara, two Japanese students, gave as exhibition of jiu jitsu at the Press club rooms last night. They are two quick and lithe young men and their contests were witnessed with interest by about thirty spectators.

It does not take long to score a fall in the Japanese style of wrestling. Ikeda made a dive to get a hold about his opponent's waist, but lahihara quickly seiged him by the arm and tossed him over his shoulder. Ikeda was flat on his back and it took but a few seconds. A favorite trick of Ishihara was to get his legs around iteds body and squeeze him until he had to give up for lack of breath. The wrestlers showed the various methods of breaking the neck or arm by a quick movement. No hold is barred in their style of werstling and one Jap was just as willing to get the other by the throat as he was to seize him by the waist or arm. One of the best features was the exemplification of the method used by the Japanese in disposing of one who strikes with a knife. The striking arm is knocked upward across the

shoulder of the intended victim and the other arm is given a quick, vicious turn which throws the assailant to the ground. He falls on his back and the other is at his throat before he can move.

The brown men expressed a willingness to come again before the club and wrestle with a white man, provided one of the same size as themselves presented himself.

TANNER TO MANAGE THE SPRINGS Well Known Sporting Writer Takes

Lest night Tommy Burns, owner of the Colorado Springs team, came to terms with Jack Tanner, the well known sporting writer, and the management of the Millonaires was turned over to the latter. Tanner left last night for St. Louis to secure the services of needed players, and will be on hand when the Millonaires reach home with some new men to give needed strength to the aggregation. Mr. Burns is earnest in his determination to have a good team and doesn't propose to stay in last hole just to save a little money. Mr. Tanner is an old newspaper man and last summer was base hall editor of the Chicago Inter Ocean. His acquaintance with players will give him a fine opportunity to put in the needed material without delay. Mc. Kean, who has been managing the team since the opening of the season, will be released. THERE are thousands of men whose minds are weak and impaired, and whose bodies are unsound and diseased. They suffer from the follies and excesses of youth and experience a weakening of their physical, mental and sexual powers. They are weak, nervous, tired, dizzy, languid, despondent and absent-minded; have weak, aching back, palpitation of the heart, capricious appetite, frightful dreams, a constant fear of impending danger, night losses and day drains, which unfit them for work, study, business or marriage. Others are suffering from private diseases, such as Gonorthoea, Gleet, Stricture, Varicoccie, Enlarged Prostate or Blood Poison (Syphilis).

Are you one of these men? Are you staggering under the burden of a secret weakness, which is a slow, but sure drain on your strength and vitality? In your present condition are you fit to hold a responsible position? Can anybody rely on you or can you rely on yourself? Is your body almost wrecked, and your brain in a whirl? It is terrible to be in this condition, but it is still worse to allow it to progress and become more aggravated, for it will then fill your whole life with failure, misery and was. There are thousands of ruined and checriess homes, filled with discontent and unhappiness, lacking in love and companionship, through the sexual wenkness and physical impairment of men whose years do not justify such a condition. We have gladdened the hearts of thousands of young and middle-aged men, who were plunging toward the grave restoring them to perfect specimens of physical manhood, full of vim, vigor and vitality.
