## Have the Home Beer Sure

Whatever you drink outside, let your home beer be Schlitz. That is pure beer. No bacilli in it --- nothing to make you bilious.

Beer is a saccharine product, and germs multiply rapidly in it. The slightest taint of impurity quickly ruins its healthfulness.

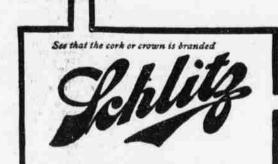

We go to the utmost extremes to prevent that. Cleanliness is a science where Schlitz beer is brewed.

We even cool the beer in plate glass rooms, in nothing but filtered air.

Then we filter the beer. Then we sterilize every bottle.

And Schlitz beer is aged. The beer that makes you bilious is green beer.

When you order beer for your home, get the healthfulness without the harm. Get a pure beer - get an old beer - get Schlitz.

The difference between success and failure in business life is due in nine out of ten cases to lack of physical manhood. Your growth, your health, your strength, your ability, your intellectual or business capacity, your skill as a workman in the usual business pursuits of life, your popularity with other human beings, of either sex, is all shaken and your future career blighted if your sexual power is depleted. You can't be half a man sexually, and a whole man otherwise. A chain is no stronger than its weakest link. Upon possessing the essential elements of manhood depends chiefly the happiness of marital life, your success in the commercial world and the perpetuity of our race.

The loss of sexual power will be found a sure and certain condition in almost every case of dusiness failure and poor success in life, hence the value to a man of regaining his health, intellectual power and visorous manhood cannot be measured in dollars and cents. It is a power and a privilese that should endure with man as long as life liself, and whenever it is impaired or suspended through ignorance, excesses, indiscretions or dissinations, nature will aspert itself and every other bodily and mental function with. If you have violated nature's law you must pay the penalty unless you are again restored to what nature intended you—a strons, robust, healthy man—physically, mentally and secually.

The Hawkeyes started off with a rush,
Monett especially playing fine tennis, but
they weakened toward the end and were in
no condition to withstand Nebraska rally. The best tennis of the day was
shown by Scribner of Nebraska, whose
service and volleying were superb. Scribner could not qualify in the preliminary
