The OPPORTUNITY of TODAY

The opportunity for the man with little means is probably better today in the prairie states of the Southwest than ever before in the history of the nation. To be sure, there is not the vast open choice of land for the homesteaders that existed in the '70s. The lands then taken up under Government laws are now prosperous farms and ranches. There is need of more hands to develop the country. In the southwest, Indian Territory, Oklahoma and Texas, are vast areas of unimproved land not yet producing the crops of which it is capable. Practically the same thing is true of the towns. Few lines of business are adequately represented. There are openings of all sorts for wide awake men. Are you one?

If you are interested, tell us what you want, how much you have to invest, and we will gladly furnish the information. Write for a copy of our paper, "The Coming Country." It's free. Address

A HUNDRED YEARS MAY COME AND GO AND STILL THE COLUMBIA GRAPHOPHONE

will repeat the sayings, the songs and the music of today—as sweet as the voice itself—as strong and impressive as the very words out of the mouths of powerful speakers—as rich and enchanting as the music direct from the instruments in the hands of the great masters. So does a Columbia Graphophone repeat—tone for tone and strain for strain. Do you want entertainment in your home? It's mighty nice to know that you can have it at any hour in the day or night and with no expense or exertion. Have you a baby in your home? If you have it will be worth \$50 to tell that baby hear a Columbia Graphophone. It is a whole little world of music and fun all in itself.

The fact of its winning the Grand Highest Award at the Louisiana Purchase Exposition is argument enough to make you want one. You can get one practically free.

Under the Special Arrangement with the COLUMBIA GRAPHOPHONE CO. at 1621 Farnam Street, we are enabled to offer

A \$12.50 Columbia Disc Graphophone

With a Year's Subscription to The Evening and Sunday Bee FREE.

This is the Columbia regular \$12.50 Disc Graphophone and cannot be bought anywhere for less. Given FREE to our readers. The Columbia Graphophone received the Grand Highest Award at the St. Louis Exposition, 1904. It is yours with a subscription to this paper—FREE of all cost.
