culosis cases he failed to discover a single

sufferer who was baid. He makes no effort to explain his theory upon medical grounds, but simply offers the results of his observation for the benefit of the profession and has invited his brother physicians to write him of any case of a bald-headed consumptive coming under their observation.

"Jimmie" Hope is Dead.

NEW YORK, June 1 - James Hope, otherwise known as "Jimmy" Hope, leader of the band which robbed the Manhattan bank in this city of nearly \$1,000,000 in money and securities thirty years ago, is dead at his home here. His wife said today that he died of grief-broken hearted because of the publicity which constantly kept his record alive. He was known as the last of the old-time safebreakers. He was born in
