Direct Action Gas Ranges

The greatest gas-saving Gas Range made—guaranteed to cut your gas bill one-third to one-half. Consume both air and gas—quick oven action—no unnecessary delays—oven ready to bake as soon as lighted—no heavy oven plates to heat before you can start your baking. More Direct Action Gas Stoves sold in Omaha in two months than any other gas range in one year's time. More good features in Direct Gas Ranges than any other on the market. The broiler is entirely separate and is elevated over the oven; also it is not necessary when using the broiler to consume extra gas in heating the oven. A great saving in itself.

Call and let us explain them and you will easily be convinced that it means a saving to you to have a Direct Action Gas Range.

Two weeks' trial given if desired.
 Demonstrated on First Floor all the time.

A JUNE BRIDE

What a lovely, exquisite picture this calls before the mind. The adorable, sweet maiden, standing shy, half hesitating before life's fully open portal, gaily and love, with just a sweet bit of pathos struggling for the mastery in her sparkling eyes. But even the most beautiful jewel is adorned and enhanced in value by an appropriate and artistic setting. That's why we need the blushing June bride.

BRIDAL GIFTS

May we ask you, before you make your selection, to look over our large stock of articles suitable. You naturally in this connection will name wedding rings first, but we also carry a very handsome selection of bridal silver, in small and large pieces, diamonds, jewelry, watches, some rarely beautiful cut glass and hand-painted china, perfect in design and workmanship. Our stock is new, our prices moderate.
