MONEY TO LOAN—CHATTELS

OUR

INTEREST

It is as low as you will find any-where for our class of business, and it is much less than some will ask you. We charge nothing for making papers and our service is quick and quiet. Quiet.

Our money is loaned on furniture, planos, live stock and other chattels, and we loan to salaried people upon their own agreement to repay.

We arrange your contract so you are obligated to pay only a small payment each month, and tell you in advance just what the cost will be and give you the option of paying all you are able to at any time, and the more you pay the less the cost will be.

We are the oldest concern in our line in the city with many satisfied patrons, and we think we can satisfy
