COLORADO SPRINGS, June 5.—It was see-saw from start to finish, but Des Moines made good at the end, winning by a score of 9 to 8. The game was slow and uninteresting, being full of errors and dumb plays. Bader, the new local shortstop, was the worst offender. He was responsible for Des Moines' victory to a large extent. It was a game of may players. In the fourth Umpire Burns put Shugart out of the game and off the grounds for ragchewing and Fisk took his place. Chapelle relieved Steele at the end of the sixth, pitching the seventh and then giving way himself to Lieffeld. Pennell got sick and Minor went to left field in Frisble's place while Frisble went to right to take Pennell's place. In the next inning Lindsey was taken out and Minor went on the slab, Mitze taking his place in the field. Attendance, 300. Score:

PRISCILLA BEATS THE ARGO Good Race at Lake Manawa Despite

Strong Wind.

The Argo was again defeated in both races at Manawa Sunday. A strong south wind was blowing, with a fair scattering of white caps on the long swells. While the judges decided upon the south course, twice around, the crews tucked in a reef. At il a. m. the starting gun was fired and the Argo crossed first, with Priscilla close astern. To the first buoy was a windward beat and both boats kept the starboard tack for a long run. It was a hard struggle for place, and taking every effort of the boys to keep their hoats from filling. In the frequent puffs and knockdowns the Priscilla held up better than the Argo and passed it to windward, before changing to the other tack. Thus, keeping the Argo under its lee, tack by tack, the Priscilla gained slowly and rounded the first mark forty-five seconds ahead. This run, with wind abeam, was the Argo's fastest tack and it closed up beautifully, only to fall behind again on the next heat to the south buoy. Bounding this the Priscilla broke out its spinnaker and seemed to fly before the breeze, while the Argo met with difficulties in holgting its and fell Strong Wind.

further back. When the Priscilla crossed the mark for the second time around it was nearly two minutes in the lead. The Argo, having fouled two buoys, did not go round again, and the Priscilla finished alone in one hour, three minutes and nine seconds.

By afternoon the wind had strengthened and was blowing almost a gale at 2:30 when the starting gun was fired. The course was changed to the north, giving a long beat into the eye of the wind to the south buoy. The Argo crossed astern and gradually dropped back in the fierce windward work. Here the Priscilla showed its superiority in beating, as it outpointed the Argo most of the time and made good headway under its shortened sail. On rounding the mark it used its balloon jib as a spinnaker, which was risky in so high a wind, but it gave wonderful results. The

Del Howard is sending off regularly late for the Pittsburg team and he is m ing one, two or three hits every game. The young woman who beat the American representative for the woman's golf championship of Great Britain is Irish. All the eastern papers are full of Mc-Graw and his recent suspension and fine, and now comes his boss, Brush, to the front and says that the fine is excessive. Both goifers and fishermen have had a good chance to get sunburnt by this time, and you cannot tell them apart. A golfer would not take a good deal for his coat of tan, and neither would a fisherman. America is so used to taking the persimmons in an international event that it really did not arouse much enthusiasm when an American boat copped the Emperor's cup. It was taken as a matter of course that we would win.

Even if Barney Oldfield does not make any new records at the Council Bluffs park this week when he goes against time at the Iowa State Firemen's association meet, he will scare a few people by the way he makes some of those turns. Manager Kelley of the Cincinnati Reds says that scrappy ball is what the public wants and not pink tea affairs. This is because Kelley was trained in a school that graduated more rowdies than ball players. The public pays its money to see ball games and not umpire baiting.

ROCKFORD, Ill., June 5.—A double murder was attempted here last night. Miss Belle Harrison was returning from church at Hebron in company with Charles Peet when she met Dell Dasso, a farm hand whose attentions she had declined to accept. Dasso drew a revolver and ordered the young woman to get out of Peet's buggy. She refused and Dasso shot her in the mouth and then fired a bullet into Peet's breast.

Peet will probably die and the girl is also in a critical condition. Dasso escaped.
