Outhit Denver, but Errors Count in the Mountaineers' Scores.

DENVER ALSO MAKES A FEW WOBBLES

Both Pitchers Are Also a Little Wild, but Denver Gets the Better of the Luck and Wins Last of Series.

DENVER, June 7 .- Errors by Pfiester, Dolan, Schipke and Thiel practically lost the game for Omaha today. The ame was played in occasional heavy showers and both Vollendorf and Pflester pitched good ball under adverse circumstances.

With the out in the delay of the other two. Attendance, 8,630. Score:

With two out in the first of the ninth the Champions threatened to win out with the score 6 to 0 against them. Martin and Gonding hit and Vollendorf walked Thiel. With the bases full Hoelskoetter falled to handle Carter's drive and two runs crossed. Welch was safe on an infield hit. Dolan drove the first ball pitched to the left foul With two out in the first of the ninth the drove the first ball pitched to the left foul flag, but just a yard outside fair ground. Had the ball dropped on fair ground it would have been good for a homer. Sisier ended the game by taking Dolan's second foul not an inch away from the grandstand.

Denver scored in the third. Sisier hit to right and went to second on Pflester's base on balls: Off Flaherty, 2; off Mathewson, 1. Hit by pitched ball: Mathewson, 1. Hit by pitched ball: Mathewson, 1. Wild pitch: Mathewson, 1. Wild pitch: Mathewson, 1. Wild pitch: Mathewson, 1. Wild pitch: Mathewson, 1. Time: 1:40. Umpire: O'Day. would have been good for a homer. Sister ended the game by taking Dolan's second foul not an inch away from the grand-

right and went to second on Pflester's by to Schipke to catch Sisler, who scored when the ball rolled to left. Hartzell opened the last of the sixth with a two-bagger, went to third when Pflester juggled the ball, but got it to Dolan in time to retire Randall on a questionable decision by Mace. Perrine walked for the third time. Thiel juggled Hoelskoetter's drive and Hartzell scored with Perrine close behind. Three more came in in the eighth. Belden hir was forced by Perrine. Hoelskoetter's two-bagger scored Perrine and McGilvray's single scored Hoelskoetter. McGilvray stole, Sisler hit, scoring him. Vollendorf

Ten Thousand People Attend Tournament at Union Park Track.

HORSES ATTRACT MOST ATTENTION

Oldfield Shows Two Runs and Neola's Foot Racers Make Splendid Showing in the Amateur Contests.

Fully 10,000 people gathered at the old Union park Wednesday afternoon to see the events of the lowa firemen's tournament which were scheduled to take place at that time, and none in that vast assembly went away disappointed or grieved because of any lack of sport or excitement. The only possible exception that anyone could take to the affair was that the crowd was so large that it was unweildy and surged hither and thither as the center of the excitement changed. Neola was in all of the events and was either the winner or the runner up in nearly every amateur event. Fred Williams, the old star foot ball player from the University of Iowa and last year's coach of the Creighton university foot ball team, was on the Neola hose team and his men showed that ne had been putting them through a thorough course of training.

It seemed as if all of the autos of the two cities were in the quarter stretch or around the fence, besides hundreds of all sorts of rigs of low and high degree. The scene was a good reminder of an old ounty fair as far as the crowd and dust and "red lemo" went. The street railway company has taken up the track from the main line to the grounds and all sorts of ancient vehicles were pressed into service to handle the crowds.

Paid Department Races.

Barney Oldfield was not the center of inerest, for the vast assemblage remained after Oldfield had made his last run to see the finish of the contest in the paid department class. There were seven entries jacks. Des Moines had sent over two teams, one Jack and Jack, the champions of the world in a straight-away run after a hitch. This was a beautiful bay team, and the way that these hig 1.300-pound norses got over the ground was a caution. Clinton had a beautiful team of full sisters, Peterson and Callendar, a black and a bay. The Des Moines team, Black and Tan, was the first to appear in this class, which was a hitch to be made in house with men in bunks, run a half mile, lay 150 feet of hose, break coupling and put on pipe ready to throw water. Everything worked perfectly for this team and they were out of the barn like a shot, but they lacked the speed of some of the other teams, which put them in third position Council Bluffs team, Midnight and Dynanite, made a good run, but they were un fortunate, as in whirling into the stretch the lineman mistook the stopping point and jumped off 200 feet too soon. Sioux City has a new team in Doc and Charlie. which has been beating out Corbett and Sullivan in practice, but the horses were nervous and Charlie whirled around and ost time in getting under the harness. Sioux City's Corbett and Sullivan were delayed slightly in getting from the house, but they made a splendid run after they were started.

Novelty Race Mixed. In the novelty race there was a general mixup and the committee had to meet last night to decide as to the final outcome Malvern made the lowest time, but the men did not put the nozzle between the mark, and it was a question as to whether they should be thrown out or not olt made the distance in 0:46, but the Neola team was unfortunate in having the coupling hit the wheel, which bruised it so that a wrench was required to break the coupling. Their time was 1:37%. The protest against the Malvern team was overruled by the judges last evening. The judges decided that the team had lost time instead of gaining by not coupling in the right place, and further that they had done so under direction of one of the judges and therefore the mistake was none of theirs The Neola team, composed of Williams, Ball, Robinson, Phillips, Sells, Grotte, Harrison, Baker, Hough and Adams, were winners in the flag race by over five sec-

onds. The couplers were Ropes and Paine. Eighteen men ranged themselves, nine on a side, fifty yards apart, each man running fifty yards. The uniformly fast running and the skill in passing the flag won for Neola. It looked for a time as if Ropes and Paine would win the coupling contest for Neola, their time being five sec onds flat, but Sunshine and Meyer came along and took the medals by a fifth of a

Time did not permit of the running of any of the automobile races except the novice two-mile and Barney Oldfield's race against time. In the novice race there were but two entries, both by Fredrickson of Omaha, and the spectators imagined that they were going pretty fast until Barney Oldfield came on a few minutes

later and went twice as fast.

Oldfield's Five-Mile Ride. The first five-mile exhibition by Oldfield LONDON, June 7.—The forty-fifth annual tournament for the open golf championship commenced at St. Andrews this morning. A record entry of 152 necessitates three days play. W. H. Taylor, the winner the last time the tournament was held at St. Andrews, completed the first round in 80. The American champion, W. Anderson, took 86. Alec. Smith, American, did the first round in 81. While Smith played a heavy wind was blowing. when standing still, but when Barney starts that engine, with nothing over the exhaust, it sounds like the Japs were bombarding Port Arthur. Some wag said that Barney had some nitroglycerine in the kerosene to get such loud explosions out of it. Colonel William Sapp was the starter and ne had a task that he could not fulfill with the officers at hand when he attempted to have the track cleared for the various events. hTe people had to go somewhere and when the grandstand will only seat 4,000 the other 6,660 who were present had to be somewhere, and naturally sought some point of vantage from which they

## DOCTORS FOR MEN

Are you staggering under the burden of a secret weakness which is a slow but sure drain on your strength and vitality? In your present condition are you fit to hold a responsible position? Can anybody rely on you or can you rely on yourself? Is your body almost wrecked and your brain in a whirl? It is terrible to be in this condition, but it is still worse to allow it to progress, become more aggravated, for it will then fill your whole life with failure, misery and woe. There are thousands of ruined and cheerless homes, filled with discontent and unhappiness, lacking in love and companionship through the sexual weakness and physical impairment of men whose years do not justify such a condition.

We make puny, weak men strong, and every vital organ perfect; infiltrating

make puny, weak men strong, and every vital organ perfect; infiltrating We make puny, weak men strong, and every vital organ perfect; infiltrating the old feeling of youthful fire, vim and courage. Do you want to be strong, possess nerves of steel, self-confidence, strength in every muscle, ambition, grit, energy and endurance, in order to make your life complete? We have gladdened the hearts of thousands of young and middle-aged men who were plunging toward the grave, restoring them to perfect specimens of physical manhood, full of vim, vigor and vitality.
