SHEEHAN IS THE PRINCIPAL OFFENDER

Jarrott Pitches a Good Game, but Hickman, for Denver, Also Does Some Effective Twirling. When Needed.

DENVER, June 9 .- Inopportune errors by Sheehan, Collins, Baerwald and Newton, coupled with the inability to hit Hickman with men on bases, lost Sloux City the econd game of the series by a score of 5 to 2. Jarrott pitched good ball, but his support lost the game.

The Packers made two runs in the third on three singles by Jarrott, Sheehan and O'Hara, a steal and Randall's error with none out. O'Hara was held on third while the side was being retired. O'Hara reached third again on his hit, a steal and Lucia's error in the eighth, but the last two batters were easily retired. With two out in the night, Siony City, threatment in the night, Siony City, threatment in the pinth. the ninth, Sloux City threatened to make startling finish. Starnagle walked and Baerwald was safe on Hoelskoetter's error. Jarrott hit to short left, filling the bases. Sheehan was again unlucky and with three balls and two strikes fanned for the third time of the game.

Sheehan's error, Hoelskootter's two bagper and Newton's error scored two for Denver in the second. Two errors by Sheehan and Perrine's two-bagger scored two more in the third. In the eighth Mc-Gilvray reached second on a poorly handled infield hit and scored on Lucia's hit to right: Attendance, 600. Score:

Easy for St. Joseph.

COLORADO SPRINGS, June 9. — Both teams were blanked for three innings, then the Millionaires went to pieces and the Jobbers romped home with the long end of the score. In the fourth Douglas and Andrews singled and Quillin sacrificed. Noyes hit a snarp grounder to third, which Elwert fumbled, and two runs scored. Zinran's hit, an out, a fielder's choice and Ketcham's single produced two more. With one out in the sixth a succession of clean hits by Zinfan, Eyler. Ketcham, Lezotte and Douglas, scored five runs and after that the Jobbers didn't have to care. Miner relieved Lindsey with Lezotte at bat and the two hits which followed were the only ones made off his delivery.

Pennell's triple and Mott's single in the fourth scored one for the Millionaires and a base on balls and Bader's triple in the ninth scored another. Pennell was taken out in the sixth because, according to the fans, he had allowed a hit to go for three bases. During the first of the sixth inning, when St. Joseph was hammering the ball all over the lot, Pennell missed a grounder in the long grass in right field and that's how he lost his number. After this Frisbee went to right and Blake to center. Billy Elwert, the champion bowler of the state, who had been dickering with Burns as announced some time ago, was given a tryout today. He made a decided hit with the fans and his slip up on a difficuit grounder was excusable. Hester, the Colorado college pitcher, was on the bench and may be given a trial tomorrow. the Colorado college pitcher, was on the bench and may be given a trial tomorrow. Attendance, 350. Score:

RAIN SPOILS TOURNAMENT

Only Two Events Completed and Another One Started. PAID HUB-AND-HUB RACE DECLARED OFF

Undecided Events to Be Pulled Off in Morning in Case Track is in Condition, but This is Not Likely.

Only two events and part of a third were pulled off yesterday afternoon at the Iowa fremen's state tournament when the rain vent the completion of the program. The remaining volunteer contests will be pulled off this morning, providing any of the teams are on the ground, but the hub and hub race for the paid departments was called off. The out-of-town companies took their horses home last evening, as they considered it would be dangerous to attempt to run them on the wet track at the Driving park this morning. The men were naturally disappointed at not being able to pull off the race, but the danger of straining the valuable teams was too great. Entrance to the Driving park this morning will be free, but owing to the heavy rain again last night, it was considered doubtful if there will be any teams on the ground to decide the postponed contests, which are the second state hose race, the novelty hub and hub race and the hub and hub race between the two teams making the fastest time at the tour 

The first event pulled off vesterday after noon was the hose race, 0:40 class, which was won by Odebolt, with Shenandoah second and Malvern third. The hitching contest, which had been carried over from the first day's program, was the second and divided the \$50 prize money. One heat in the second state hose race, in which Neola beat Carroll, had been pulled off when the rain came down and put a stop to the races. Odebolt and Malvern have to run this morning and try to better Neola's 0:33. Malvern filed a protest against Neola, claiming that its team contained professional foot racers. The board of control had not acted on the protest last night, but will take it up today. Yesterday's results:
