Are Six Babies Enough?

Leslie's Weekly.

President Roosevelt has indicated the

metes and bounds of the family by nu-

merous letters of congratulation to fathers

and mothers of twelve, sixteen, twenty

children and upwards, and the public mind

was reaching a sort of fixity and finality

on the vexed subject. Now comes Mrs.

Arthur M. Dodge, president of New York's

Federation of Day Nursess, with a new

dictum which upsets everything. She de-

clares "the absolute limit of a woman's

capacity for taking care of babies is eight,

six." This has so much the sound of a

challenge aimed at the head apostle of

multitudinosity that it becomes all lesser

authorities to keep out of the fight. Some

have claimed that Mrs. Dodge meant to

say merely that six bables are as many as

one nurse can care for, but that doesn't

affect her declaration at all. If a woman

can't care for more than six bables, or

eight at the most, that settles it. That

she happens to be the mother of the six

or eight has nohing to do with the ques-

Bread

PURE, RICH AND APPETIZING PURE, because it is made in a modern two story

strictly sanitary bakery where pure air abounds and

where every precaution is used to insure immaculate RICH, because an ample amount of milk and pure lard is used with the ingredients. And only the best

Minuesota patent flour. APPETIZING, because it is thoroughly mixed, kneaded and baked by experienced bakers, who take a pride in trying to make each baking whiter, lighter and more appetizing than the one before. It is due to this pains-taking process that nakes SNOW FLAKE BREAD have that rich delicious taste which is usually

found only in the best home-made bread. It's 5 cents a

loaf. Over four hundred grocers sell it. U. P. STEAM BAKING CO.
