These instruments must be moved

These instruments must be moved and to do this we will make a marked cut in prices. Some of the planos show a little handling, others received a few scratches, all of which necessitates the cutting of the prices, which benefits the buyer.

In this lot there are Knabes, Kranlich & Back, Kimballs, Krells, Hospes, Burtons, Cramers, Sterlings, Cable Nelsons, Gilbert & Co., and a number of other well known high grade planos in mahogany, in golden oak, in French walnut, in butternut, in curly walnut and rosewood cases.

Nearly all these planos are new and have not been used, the reshipping on the road has not hurt their tone or action, the case only shows the slightest marring.

Here are planos regularly retailed

Prices in some cases cut in two, others a saving of from \$60 to \$150. On the smallest payments possible. The cheaper priced planos selling on terms of \$10 cash and \$6 per month. Some on \$6, \$7, \$8, \$10 to \$15 per month.

Here is your opportunity to buy a good plano at prices not quoted at factories, for these instruments are sold for less money than factories would soll them for.

The stock of new planes are reduced in prices correspondingly. A saving of 5 per cent en every new plane on our floors this includes the highest grades as well on the cheap-
