That is one reason why you should buy a Direct Action Gas Range at The People's Store.

The saving in gas that comes from the use of a Direct Action Gas Range will almost equal the payments. We can convince you of this if you will examine the merits of this Gas Range. That is another reason why you should have a Direct Action Range.

Other Advantages of the Direct Action Gas Ranges Are:

The baking can be put in the oven as you light the burner. It is not necessary to heat the oven beforehand.

The broiler is elevated and not near the floor as in other gas ranges.

When the Direct Action oven burner is in full operation it uses 33 1-3 per cent less gas than any other gas rauge. You can easily see this if you will take time to look.

OUR GENEROUS OFFER:

Use one of our Direct Action Gas Ranges for two weeks; if at the end of that time you are not perfectly satisfied; if you are not absolutely convinced that the Direct Action is the most economical Gas Range made, using at least one-third less gas than any other gas range, you may return it and have refunded what you have paid on it without charge for hauling, use or anything else.
