CHAMPIONS IN AWFUL FORM

Denver Wins Opening Game Through the Rourke Family's Blunders.

PFIESTER'S PITCHING POORLY SUPPORTED

Off Day for the Whole Tribe Gives an Easy Victory to the Everett Invaders from the Mountains.

day was an off day for the greater portion of Pa's athletes. At times they played ball in a manuar to the greater portion of pa's athletes. At times they played ball in a manuar to the greater portion of pa's athletes. Champions and at other times they played like Frank Crawford's juniors. It would have taken more than a bushel basket in the hands of some of them to have enabled them to hold the ball, and one of them became so disgusted with his futile attempts to hold the ball that Pa let him quit for the day and Dolan was switched to short and Freese put on first. The thought of batting at the head of the batting order was too much for the butcher so he made two beautiful errors and was responsible for the one that had to be credited against Bill Everett is still out of the game but he had a long limbed gentleman playing in his stead who gobbled everything that came his way.

Another thing that was in the way of Pa's boys winning the game was Pat Bohanon, the same Pat whom the Grizzlies purchased from Louisville and who beat Jack Pflester out in the first Denver game on the home grounds this year by the score of 4 to 3, in spite of the fact that Pflester gave them but six hits and struck out

game was lost in the first inning. which started out a little on the sandpaper Old Sport walked and Hartzell bunted an easy one to Big Jack, who whirled and threw to Thiel at second in plenty of time for a double play, but Thiel was evidently thinking of other more serious matters so he dropped the ball and both were safe, instead of the double that was intended. Randail knocked an easy one to Dolan and as Martin had covered the bag he was out. Belden placed a neat single in the right garden and both McHale and Hartzell scored. Perrine walked and Belden stole third on an attempted double steal which worked because Thiel failed to hold the ball again. Belden then stole home just to show how rattled the Omaha team was and Perrine stole third in the melee in which Pflester threw the ball wild. Hoelskoetter popped foul fly to Schipke over against the bleachers and Perrine came home on the throw in. Thus on two bases on balls, one hit, four stolen bases and several dumb plays, four scores were made which were sufficient to win the game.

For the next three innings Pfiester sent the Denver boys down one, two, three and Willis, 1. Time: 1:45. Umpire: Emsile. in fifth there was no score, although they made two singles. In the sixth Belden walked and Perrine went to first on an error of Thiel and Hoelskoetter brought them both home by a double. In the seventh McHale reached first on Doian's low throw to first and scored on Randall's three bagger. In the eighth every man faced Pflester and five of them tallied by

means of five hits, and two errors. Omaha Gets a Few. The Champions made all of their scores in the eighth inning after Bohanon had slackened up a little and all three of the scores were earned. Dolan singled and Welch doubled. Martin flew out to Belden and Dolan scored on the throw. Schipke's home and Schip the Slugger scored on Henline's double to left. The Denver outfield all made some neat catches during the game. Randall pulled made a running overhead catch of Hen-

line's drive in the fifth inning. The same teams will do battle this afternoon at the same place and Pa says that he has found a horse shoe that will work for his side of the game for a time, so some fun is in store for those who go to Vinton street park this afternoon. Attendance, 900.

Slaughter Lindsay in Seventh.

ST. JOSEPH. Mo., June 17.—A terriffic unslaught on Lindsay in the seventh, assisted by Blake's fumble, allowed St. Joseph to take today's game from Colorado Springs by a score of 9 to 2. Ketchem's single and Andrews' two-base hit in the first scored two runs for St. Joseph. The visitors tied the score in the fifth off Pennell's three-base hit and a wild throw by Noyes, letting both Pennell and Lindsay home. Eyler's timely hit in the sixth scored Andrews. A hit batsman, a pass, Blake's fumble, a triple and four singles gave St. Joseph an overwhelming lead in the seventh. Legotte's triple in the eighth gave the locals another. Attendance, 500. Slows Are Shut Out. Bioux Are Shut Out.

DES MOINES. Ia., June 17.—Manske, pitching in excellent form and perfectly supported, shut out Sloux City today in the first game of the series. Both teams played almost perfect ball and the one error, made by Sloux City, had no bearing whatever upon the game. The Sloux City batamen were unable to hit Manske safely and sensational fielding upon the part of Long. Shugart, Ganley and McNichols cut off many hits. The winning score was made in the fifth. Ganley singled, Hogriever sacrificed him to second and Long hit to right for a clean single, scoring Ganley. Long was caught trying to steal second and Rossman fiew out to Newton. After this inning neither team succeeded in hitting safely. Score:

OLDSMOBILE STANDARD 7 H. P. RUNABOUT

IT IS A RUNABOUT BUILT FOR TOURING '

If there is any possible way to improve this new and improved Oldsmobile Standard Runabout, we don't know it. It represents all we have learned in 20 years about runabout building. It has power, durability, comfort and beautywith an Oldsmobile motor that has no equal.

It stands, in our opinion, as the perfect runabout, because it is built in a way we know an automobile should be to stand hard daily use for the city or country-good roads or bad.

See this car-try it-examine it-there isn't the slightest question that any one who will be influenced in purchasing a car by merit, by superiority point by point over any other, will buy an Oldsmobile-\$650,00, f. o. b. factory. Lamps and horn included.

The new flexible springs make it as comfortable as a Touring Car. New ratchet differential brake; new hub brakes lined with came!'s hair belting; new circulating pump; starting relief at side of seat; priming cup is added for cold weather; piston pin is bigger and four piston rings instead of three; automatic oiling system; improved clutches-in fact every little thing strengthened and improved to

make the car "simply perfect." Two of these Runabouts taken right out of stock are now on their way from New York to Portland, Oregon, having gone over 2,500 miles under frightful road conditions. No argument is necessary to prove the reliability and durability of these cars.
