Dr. Herbert Welch, New Executive, Installed - Vice President Fairbanks Speaks for the Alumni.

DELAWARE, O., June 22-Rev. Dr. Herbert Welch, until recently pastor of the Methodist Episcopal church at Mount Version, N. Y., and widely known in the east, was today formally installed as president of the Ohio Wesleyan university

tion shall be held in each of the odd num-bered years. Ordinarily the word or words, "term" or "term of office, "when used in reference to a tenure of office, means a fixed and defi-nite period of time. Section 10 of article vi of the constitution declares: "All offi-cers provided for in this article shall hold their offices until their successor shall be qualified." Held, that this provision cannot properly be construed to mean that the legal terms of office of the officers provided for in said armean that the legal terms of office of the officers provided for in said ar-ticle in the sense in which, used in refer-ence to the tenure of office, shall consist of a fixed and definite period therein men-tioned and in addition thereto the inde-terminate period which an incumbent may hold after the expiration of his fixed term and until a successor shall be qualified. Where Legislature is Powerless,

Where, by the fundamental law, certain offices are created, the terms of office which are fixed at certain definite periods of time and a beginning and termination thereof prescribed, as well as the time for thereof prescribed, as well as the time for the election of a successor, the legislature is without authority to postpone the elec-tion of such successors until the success-ing general election held in the next year and to extend the term of office of the in-cumbents during the intervening time, and to provide for an election in a different year in which to elect such successors and a different time for the beginning of such term of office. Provisions found in the schedules of the constitution are not in all instances to be

provisions found in the schedules of the constitution are not in all instances to be construed as of a temporary character, he language used should be given its or-inary meaning, and whether it is intended to be of a temporary or permanent charac-er must be determined from the purpose of the schedule and the object sought to of the enactment and the object sought to be accomplished thereby. The true mean-ing of the law is discovered by considering remaon and spirit of it or ch moved the law making be

act it. Courts will give weighty consideration to te legislative construction when legisla-on is had regarding subjects of a political nature, but when such construction clearly appears to be unwarranted it will not be wed

followed. The provisions of the biennial election haw House Roll 30, session laws 1906, the act under consideration, are found to be in conflict with the parameterial law relative to the election of judicial officers and re-gents of the university, and the time thereof, and of their terms of office, and the incometive sensitive in program. for such reasons is held to be inoperative and wold. Darius Miller, Chicago; Charles E. Per-

Chief Justice Holeomb, in discussing the argument that the legislature has a right to interpret the constitution when it bears on subjects of a political nature and that the rule contended for seems reasonable. but that it cannot be given the weight urged because the provisions of the constitution will not bear a construction permitting the legislature to change the time of holding elections for judicial offices and

extending their terms one year. Conflict is Palpable.

"The conflict is so pulpable," he says that the legislative enactment must give WAY.
