The Mountain Air Beats Medicine

Colorado ozone is better than medicine. Made in the mountains—clear, crisp and untainted—it's a mighty factor for health.

Colorado sunshine, too, is a potent tonic. It is different from any other sunshine—vitalizing, invigorating—it never saps your strength.

To go to Colorado is to take Nature's cure, while you have a grand good time. Agreeable treatment, taken involuntarily—is it any wonder that it benefits?

Low rates all summer via the Rock Island. Specially reduced June 30 to July 4. Only \$15.00 round trip from Omaha. New cars—fast trains. A satisfactory trip is assured.

Fill in name and address below for 80-page illustrated Colorado booklet (containing list of hotels and boarding houses) and details of Rock Island service.
