WHITEWASH FOR THE SAINTS

Champions Force the Misseurians Into Tie for Last Place.

ANDERS' PITCHING OF GILT-EDGED SORT

Only Seven Singles and No Passes for the Chamberlain Crew, While Home Team Bunches Its

Safeties.

In a game marked especially by the fast fielding of the Champions, the Rourke family shut out the Saints Saturday afternoon

at Vinton Street park, 5 to 0. Sanders and Jones were the opposing pitchers, and War had the better of the argument, as he held the visitors down to seven hits and did not pass a player to first. Jones had two bad innings, in which he was touched up for three hits each, but outside of these he pitched good ball. The Saints played the game through without a fielding error and the only error that the Champions made was in the eighth, when a hard drive to first slipped by Dolan's gloved hand, but the player did net get beyond first, and nothing came of it. Omaha won because the men at the top of the batting list bunched their hits in such a way to produce the scores that all are after. Carter got two hits in two times

at bat, having been passed by wide ones the other two times he faced the pitcher, and Thiel hit safe three times. Omaha made three runs in the first inand looked like winners from the start. Thiel hit to right for a double and Carter walked on four wide ones. Dolan sacrificed them both up a notch and Dr. Welch cleared the bases with a triple to

middle right. Martin struck out, but Slugger Schipke brought Welch home on a double to Fleming's garden. Eddie Lawler drove a high one to right and the inning was over.

Jones Does Better, Jones steadled down after this inning and did not permit two hits in any one inning until the seventh, when the Champs scored two more just to cinch the game. Thiel started the seventh with a single to right and Carter beat out a bunt, placing Thiel on second. Dolan knocked a Texas leaguer to right and Thiel and Carter scored, Carter making the run all the way from first on the single. Welch sacrificed Dolan to second, but Martin and Schipke were easy outs, and no more scoring was done. In the fifth inning Carter led off with a triple, but was unable to score, as Dolan went down from short to first and Carter was nipped at the plate on Weich's

grounder to first. The Champs made two fast doubles and played a good fielding game all the way played a good fielding game all the way through. Andrews hit safely three times, but was doubled up two out of the three by grounders by Souders. In the fourth inning Quillan had three balls, with no strikes, when Sanders settled down to put them over. After sending the next two Attendance, 11,408. Fremont Defeats Scribner.

FREMONT, Neb., June 24.—(Special.)—
The Fremont nine defeated the Scribner
boys yesterday afternoon in a close well
played game by a score of 3 to 0. It was
a pitchers' battle all the way through.
Black, a young farmer from Pebble precinct did the twirling for Scribner and
the Fremont boys could do nothing with
him until the ninth, when two singles and
Wheeler's long drive for four bases brought
in three scores and the game. Leach
pitched an elegant game and both sides
played sharp in the field. Score:

MILWAUKEE

Quality—Individuality—Purity—

The Quality of the Malt decides the body of a beer. Blatz Malt is produced in the brewery's own malt house by trained Malsters (years in Blatz service). "Not only how much malt-but how good" is here the inviolable rule. This method is expensive, but the desired result is always achieved—the vital ingredients of the malt are thereby brought out and retained. To the Blatz malt is due the prevailing full-bodied state of Blatz Beer.

The Hops used in the brewing of Blatz Beer are rich in aromatic properties and tonics (hop bitters), which lend to the beer that fragrance which captivates lovers of the beverage. The tonics act as a mild stimulant to the digestion. Blatz Beer is perfectly fermented and ripened in the coldest and cleanest cellars extant. The most skilled masters zealously guard "Blatz" individuality. The paramount object being to maintain with absolute uniformity every characteristic that has these many years meant Blatz Quality.
