WHERE THEY TAKE VACATION

Number of Citizens Will Go to Lakes, Others to Mountains.

GENERAL COWIN PLANS ON ORIENT

Many More Will Rest at Home, While Others Will Be at Home, But Not for Rest.

As the good old summer time creeps closer and the mist lightly turns to thoughts of rest and recreation, a number of Omaha's citizens have consented to say how and where they will spend their vacations.

John Latenser—I am trying to decide on a lake where I can get a cottage for my family to spend the summer and not so far away but that I can go there every Saturday night and stay over Sunday. Will probably select Lake Okoboji. A man ought to spend his summer vacation in the Rocky mountains, but they are too far away if he has to stay closely by his business.

Wilbur J. Fawcett—I am going to take my wife and go as far into the northern wilderness as I can get and feel sure of finding my way back. Will take along grub, guns and fishing tackle and draw close to nature.

Back to 'Ole Virginia. John Grant—Well, you know, the summer is the paving season, but I intend to take a run down into Virginia, where my wife wants to buy a country place.

General John C. Cowin—I want to make a trip to China and Japan. The most interesting countries in the world just now. An American can't know too much about them. If I am forced to postpone the trip until winter will probably go to some northern lakes or the seashore.

J. D. Weaver—A vast with summer vacations, I go when I can get some fun out of it and have planned to take an automobile trip with J. J. Dertight and others to Paxton, Neb., in October. We will put in most of our time shooting and will be gone two weeks and see a clear schedule to lots of recreation.

City Attorney Breen—Vacation? Fish! Tush! Not with about \$200,000 worth of public improvements staring the legal department in the face and needing constant attention. May get time to run down to Lake Manawa and have a look at the geraniums.

Assistant City Attorney Herdman—I shall try to take my vacation in chunks—a few days in Yellowstone park, a few more fishing at some northern lake and a few days visiting the old folks in Kansas. Whenever I feel that I simply can't work another stroke will drop it and clear out.

John L. Webster—If street railway litigation and the kindness of Judge Kennedy will permit I would appreciate a vacation. Will go anywhere or stay at home, just so it's a vacation.

Chief Long for Portland. Chief of Police Donahue—Hardly think I shall try to get a vacation until early fall and then probably will make a trip to Portland to see the exposition.

Fire Chief Selzer—Omaha is a good enough summer resort for me. I don't see why anyone should want to go away.

A. G. Ellick—I can, will attempt to do some angling at any old lake or stream where there is fish.

John W. Robbins—Will try to put in a few weeks of the simple life at Lake Okoboji.

Judge W. H. Munger—Vacation? Why, I expect to take my vacation right here in Omaha.

George H. Thummel—Right here in Omaha.

Deputy United States Marshal J. O. Moore: Think I shall go down home to Palmyra and roof my house and maybe build a small addition to it.

Deputy Marshal Henry Homan—If I can persuade my wife to go, I think I will go up into Wisconsin, where there is some good fishing.

Deputy Marshal James Allan—I'll take my vacation next fall when I get the nomination for sheriff.

Hadn't Thought of It. Assistant Postmaster Woodard—Hadn't thought of it yet. We are pretty busy here just now. There is about four times a year and four months at a time that we are awfully busy here and this is one of the times.

Detective Mitchell—Ain't going to have any vacation. The rest of the people can go on vacations, but we have to stay home and hoe the corn.

H. C. Warme: Hadn't given it a thought yet. I would like to go to the mountains, though. Maybe, since I've come to think of it, my wife and I may go to West Point, N. Y., to see the boy at school there. Can't you help me out on transportation?

Dave Dickinson—Ain't going to take any; costs too much.

S. R. Rush—Hadn't thought about it yet. We have a good deal to do here. I may take a trip out on the ranges to see if

the cattle men have got their fences down yet.

Captain John Webb—Don't know that I will get any this year. At least not before August. Asked for fifteen days last year and the department gave me only ten.

C. J. Pearsall—Will take my vacation at room 614 Bee building. I get a free Turkish bath there every day from 2 to 4 o'clock and take an alcohol rub—inside—each evening.

Too Hot to Think of It. William Anderson, Her Grand—Hadn't thought about a vacation. It's too hot and too early to think about it.

K. C. Scott, Merchants—Will go to Bloomington, Ill., for a few weeks. Will start next Sunday.

C. A. Hartman and J. Marion Ford—We and our wives will leave Omaha July 4, from the foot of the Douglas street bridge in the house boat now being finished at the river. We expect to float down to New Orleans without any other means of locomotion than the current of the river. It will take from two to three months to make the trip.

Attorney E. F. Morarty—I am going to Holyoke, Mass., via Nashville, Tenn., to spend my summer vacation. My mother lives at Holyoke and I have not been back for twenty-five years.

William A. Alstadt—Unless all signs fail I expect to spend the summer at Blenarock Heights, Sixteenth and Center streets, this city.

"Mogy" Bernstein—It looks as if I will have to earn money and look after the juveniles. But if I can get away I want to go to Lake Washington, where it is cool and the fishing is good.

Will Stay at Home. H. B. Payne—Think I will stay home this year. If I should go away on a vacation I will hike for the wilds of northern Michigan, where I may lead the simple life for a month or so.

Sergeant of Police Harry Cook—It will be hunting in the sandhills for me when I get my annual leave.

Dr. H. W. Allwine—I hope to go to a farm in Iowa for my summer rest. Give me a hammock and a large palm leaf fan under an old oak on the old farm and you can have the rest of the world.

Captain of Police Mostyn—I'm going to put on some old clothes and rough it on the Rocky mountains.

Chief of Detectives Henry Dunn—Me for Lake Okoboji, where I am going to throw in a line or two.

Boston Green—Ain't goin' back, back, back to Baltimore.

Justice of the Peace Bachmann—Hot Springs and the Black Hills is the place for me. Fine fishing and splendid scenery, and there you are.

BIG DOUBLE CELEBRATION Opening of Uncle Sam Refinery and "Glorious Fourth" Will Be Celebrated.

CHERRYVALE, Kan., June 25.—Preparations for a grand celebration of the opening of the Uncle Sam refinery on July 4 are practically completed. This will be the most enthusiastic Independence day celebration ever witnessed in the state, and the whole town will be decorated and all citizens will take a hand in the merrymaking.

Among the important speakers who will be present is the head of the Kansas Grand Army of the Republic, Mr. P. H. Coney of Topeka. Hundreds of old soldiers will be in line, while lodges will turn out in a body and the merchants and manufacturers will join in a great trades parade.

Sanford's military band of Wichita, Cameron's military band of Winfield, the Cherryvale band and drum corps and a glebe club will be among the attractions. A magnificent display of fireworks will wind up the day and a number of prizes will be offered at the various contests and for best displays in line.

Low rates are being quoted from all points and the Poutill at Cherryvale will certainly be a lumner.

The Uncle Sam company is now in an independent position as to production, having 17,000 acres of oil and gas lands, a large number of good wells, four pumping plants and a refinery site in Kansas City of fifty-seven acres. They will soon have a pipe line connecting refinery No. 1 at Cherryvale with the refinery to be built at Kansas City.

The most attractive eastern excursion during the coming summer will be to Asbury Park, N. J., on occasion of the annual meeting of the National Educational association July 3 to 7, inclusive, via the Nickel Plate road and its connections—either the West Shore or Lackawanna roads, with privilege of stopover at Chautauqua lake points, Niagara Falls and New York City. No excess fare charged on any train on Nickel Plate road. Meals served in Nickel Plate dining cars on American club meal plan, ranging in price from 35 cents to \$1.00; also a la carte. Cuban Diarrhoea.

United States soldiers who served in Cuba during the Spanish war know what this disease is and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon, as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Tex.:

"I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors, but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine."

221.35 to Asbury Park, N. J., \$21.35. And return. Via Nickel Plate road. Tickets good via New York City. Dates of sale, June 25 and 30 and July 1 and 2, with extreme return limit of August 21, by depositing ticket. Chicago Ticket offices, 111 Adams street and Auditorium Annex.
