SENSATIONAL FIELDING IN BOTH GAMES

McClonkey and Pheater Do Splendid Work in Box and Get Wonderful Support from Their Team

The Champions won both games of a touble neader at Vinton street park Sunday afternoon before a crowd of over 4.000 people by the close acores of 2 to 0 and 2 to 1. Both games were full of ginger from the start to the finish and neither were marred by errors that amounted to a ything or that figured in the scoring.

Liebhardt, erstwhile of the Omaha team, was the opponent of Grand Island Mc-Closkey in the first game and he pitched a good game, striking out five, allowing but five hits and did not deliver a pass to first. McCloskey also pitched gilt-edged ball, and was accorded perfect support and was enabled to shut the Saints out. The Champs scored one in the second inning when Doctor Weich, the first man singled and stole second. Martin struck out, but Schipke the Slugger, hit a daley to right and the doctor came on

In the fifth inning. Lawler, the first man drove a hard liner through the pitcher and Johnny Gonding sacrificed him on to second, from which point of vantage he scored on McCloskey's single, the ball scooting right through the pitcher and shortstop. In the seventh and eighth inning McCloskey established a new record, as he pitched but six balls, three being hit to the pitcher, two to Martin and one The last drive at Martin was of the sensational order, as he made s hard run and stopped it with his mit hand and then boosted it on to first in time to catch Fleming, who was gliding along with his usual lope.

Carter's Star Catch.

In the second game both teams drew bitnks all around in the first inning and St. Joseph likewise in the second, thanks to a one-handed phenom catch Carter made of Andrews' drive against the rightfield fence. It looked from the stand as if Carter could never reach the ball at all, but the South Carolina sleuth kept is legs going until he was just able to pall it from the fence with his gloved mit. The fans were wild and Carter had to make a run for the bench to escape the encomiums that were showered upon him.

After Welch and Martin had been retired in the second Slugger Schipke drove a hard one by Mr. Andrews which the latter could not reach for all of his great activity for such a youngster. Lawler was hit in the slats and then the Butcher saw his chance to boost himself in the good graces of Manager Bill and the fans, and accepted his opportunity. Picking a good one, he drove it to the right field fence for double, and both Schipke and Lawler

The Saints made the only run that they hate scored in twenty-seven innings against the Champs in the eighth inning of the second game by having a life given them, after two were retired, by Lawler's misthrew to first. Douglas drove a hard one to Edde Lawler, who threw wild to first, and Douglas landed on second before the ball was found. Two singles by Andrews and Quillan brought Douglas home. Noves struck out and the chance to tie the score

Some Sensational Fielding. back. In the sixth inning the Saints made two hits, one a double, and yet only three men faced McCloskey, Collins, who has been bought by the Saints from Stoux City started the sixth inning with a double and Ketchem singled to right. Collins attempted to score on the play, but a splendid throw by Carter cut him off at the plate. Ketchem then attempted to purloin second and Gonding's good right arm was in the way and he was nabbed. Fleming flew out to Thiel.

Rourke has traded and otherwise made a deal by which Henline goes to Ottumwa and Brown, a big first baseman who has the reputation of being a good hitter, will come to Omaha. He will be in in time for the game this afternoon, when Eddie Quick will try to make it four straight from the Saints. This will be ladies' day and as Eddie has established a record for winning the games on ladies' day the women will be out in force to see the fun. The Saints are considerably strengthened by the acquisition of Collins, who made two of the five hits off McCloskey in the first game. Attendance, 4,000. Score, first OMAHA.

Des Moines Defeats Denver.

DES MOINES, June 25.—Long's great work in the infield and Hogriever's hitting was the redeeming features of today's game. Des Moines took another victory from Denver by a score of 10 to 1. By a brilliant catch in the sixth of a line drive by Rossman, Hoelskoetter prevented at least two more scores. Des Moines scored in the first on Hogriever's three base hit and a wild throw to third by Hoelskoetter on the relay in that allowed Hogriever to continue home. In the third with two men on bases, Hogriever hit a home run. Denver's one score came in the third. McHale was retired at second on Hartzeil's drive to Long. Hartzeil stole second and went to third on Hayes single. Ganley over threw third, in sending the ball back and Hartzeil came in. Long's two seemingly impossible stops of the sixth prevented scores and Denver did not come near scoring aguin. Des Moines Defents Denver.

Diamonds Beat Armours.

The Diamonds added another scaip to their unbroken season's record of six games won and none lost by defeating the Armours in a one-sided game at Forty-fifth and Jones streets. Had h not been for errors on the part of Caughian and Drummy in the seventh inning the Packers would have been shut out, as they gleaned but one hit from Greenieuf's delivery. The Diamonds pitcher was a little wild at times and fielded his position loosely, but pitched a masterful game, only one Armour seeing third base until the seventh. Gurness pitched well, but was hit when hits were needed. The features were Peasinger's batting and the infield work of Kane and Bills. Score:

Cornell Stock at High Mark.

POUGHKEEPSIE, N. Y., June 25—Washington was the only crew that did any rowing today. Coach Dempsey believing his men needed the practice too much to share the idleness of the other crews.

The all-absorbing topic in the rowing camps today was the fast time of Cornell yesterday. There is no denial of the published statement that the trial was considerably faster than the course record of 18.53%, made by Cornell in 1991. While Cornell stock is at a very high mark, there are many who cling to the belief that the Syracuse crew, with six of last year's champions still in the boat, is enough better than last year to make the outcome of the race extremely problematical. Cornell Stock at High Mark.

Joyce Drops Cut. NEW YORK, June 25.—Six thousand persons who assembled at Celtic park, Long Island city, today to see another match race between Thomas Hynes of Galway, Ireland, and John J. Joyce of the Irish American Athletic club, came away disappointed because Joyce dropped out at the end of two miles and a quarter. He said he had a stitch in his side and was suffering from internal cramps. Hynes went on alone and finished the five miles in \$55%.

full and again with two men on bases he struck out the third man. The Elks defeated the Maroons by a score of 4 to 2. The game was played at Thirtieth and Spaulding. Batteries: Grant and Tuttle, Mecks and Wiggins.

Although by a wild throw Eddie Lawler became responsible for St. Joe's only run, he scored two of Omaha's four, and played an otherwise good game at short. Whether it is the name or not matters not a bit, but certainly it is a fact that Chamberlain's new man, Collins, has the actions of a ball player. He made two doubles and does work in right field that wins games. Slugger Bill Schipke couldn't help it, and just drove in a run in the first game, sending the ball for the opening hit to right field. His single in the second game, after

two outs, started things again. There's Carter cut off a run at the plate in the first game with a wonderful throw from deep right and saved another in the second by that phenomenal one-handed running catch up against the right field fence. Butch Freese, with two men on bases, in the second game, lined out a two-basger, sending in the only runs of the game, and then was put out by a terrific hit on the head, the ball bounding as high as the grandstand after it hit him.
