Thirty-Six Innings During Their Three Days' Stay in Omaha.

Eddie Quick pitched a shut-out game against the Saints just to make it four straight and his team mates ran up a score of three in the meanwhile just to make it safe. Pop Eyler was the opposing slabman, but Pop is no terror to the at will and just at the right time when hits meant runs. Pop posed as the hood.ou | to the Omaha team for so long that he really believed it himself, but he has had that idea taken out of him on his recent visits to this beautiful summer resort. As matters stand the Saints made one run in thirty-six innings during their stay in Omalia.

By a base on balls and Dolan's fumble of Ketchem's grounder in the first inning the Saints had two men on bases, but it availed them naught. The Champs started right after the game from the first. Theil was permitted to reach first on Quillan's wild throw to the initial sack. Quillan was off color for the first half of the game and booted everything that came his way. Carter sacrificed Thiel to second and Dolan sent him to third on a grounder to Jay Andrews. With Thiel on third and two out it was up to Doctor Welch to do something and the doctor was equal to the emergency. Walting for a good one he drove it to the left field fence and when Fleming had returned the ball to the diamond Thiel had scored and Welch was perched on third. Martin struck out and the first was over.

Some Bunched Hits.

Both pitchers settled down to business and it was practically one, two, three until the eighth inning, when four hits were made by Pa's boys, as many hits as they had made in all of the other innings Quick, the heaviest hitter on the team according to the batting record and the ladies' favorite, as was testified by the way that they turned out yesterday to see him work, swatted the ball over Fleming's head for a double and was sacrificed to third by Thiel. Carter's single to right scored him with one out. Dolan hit for two over Fleming's head, but the lengthy outfielder returned the ball to the infield in time to catch Carter at the plate. Welch hit to right for a single, scoring Dolan, and was caught stealing second.

Dumb base running by the Saints in the seventh inning, when the Champs were but one run to the good, kept the visitors from tying the score. Douglas had singled and Andrews sacrificed him to second. Quillan singled and sent Douglas to third, but tried to stretch his single into a double and was caught, making the second out. With one out Douglas could have tied the score on the throw on Noyes' long drive to Welch.

LONDON, June 26.—The defeat of Hol-combe Ward, the American national lawn tennis champion, and the winner last week of the championship of the city of London in the first round of the all-England tour-nament at Wimbledon today, brought much joy to the British camp. The contest, in which S. H. Smith, the Weish champion, was victorious, was probably the fastest quite apt to get injured in splite of the most thorough precautions on the part of the company. Everyone seemed to want to go to Manawa at the same time yesterday, by the the britch of the weigh champion, was victorious, was probably the fastest over played in England. Ward was not quite up to his last week's form, attributable, perhaps, to the stiff work of the last two days, but it is conceded that Smith never played a better game. He appeared to be able to stand the extreme place better than Ward, whose serves several times failed to break effectively. W. A. Learned, T. C. Wright and W. J. Clothler, (Americans), all won in the second round, Larned especially showing good form, but in no case did their opponents call for particular extension. Ward's game against Smith was, of course, the attraction of the day. The Weishman took the first set rather easily, and five straight gumes in the second. and for a time there was quite a jam of this side of the river, people striving to get aboard the cars. The company had prepared for this to the best of its ability and soon broke the concourse which was lined better up from the Douglas street bridge to Twelfth street.

"The base ball park had a crowd of 4,000, which we took care of with plenty of cars in the afternoon, and all of the other Omaha parks were well patronized.

"All records in the movement of people since the exposition were broken. Our new Weishiman took the first set rather easily, and five straight games in the second Ward tring. In the third set, however, Ward made a superb rally and the score reached "games all." When Ward was serving deuce was called nine times. Ward was winning but he seemed fagged and lost the next three games and the match in the first round of the doubles Ward and Wright will play Evans and Navro-gordato, and Learned and Clothier will play Hillerup and Larson. power house gives us plenty of power to
