playing against time and praying for rain to come before the finish of the fifth insing, for the score was 4 to 0 against our team. Old Jupiter Pluy, did his best and sent the rain after Martin had walked to first in the fifth and it kept raining until the time was up for the boys to go home. but Umpire Mace thought that he saw sunahine coming and called the game to with the result that it cleared away and there was no more rain until the finish.

### When the Game Was Lost.

Towns started the fatal third with a single to left and McNichols and Morrison both bunted, with the result that no one covered first in either case, and the were filled, with no one out. Ganley walked and Towne was forced home. Hogrlever drove a hard one to right and McNichol and Morrison scored. Long was an easy out, but Rossman, the player that Des Moines got with Ganley thrown in or Dusty Miller, hit a high one to Weich and Ganley scored on the thrown-in. Omaha made one in the sixth, when Dolan hit one too hard for Long to handle, and was sent home on Welch's double to right. Another was scored in the seventh, when McCloskey was hit with the ball and came home on Buck Thiel's triple. Another was made in the last inning and a little opportune hitting would have won the game in this same inning.

### Chance to Win.

Martin, the first man up, singled; Gonding hit a popup to the catcher and Me-Closkey drove a fast one to left, but Caffyn nabbed it by a hard run and two were down. Thiel hit for a double and Martin Carter walked and Dolan drove another hard one at Long, which the latter booted, and the bases were filled. Here was Harry Welch's chance, but he was not equal to it. Attendance, 1,000. Score:

newed Interest in Contest. BISLEY CAMP, England, July 7.-The file close finish of the initial ranges in the match between the teams of the Seventh to regiment, N. G. S. New York, and the 3 Westminster volunteers yesterday for the Bir Howard Vincent shield, increased the 1 interest in today's shooting, bringing out even a larger gallery than yesterday. The shooting conditions were better, on the whole. The breeze was very light, but the sum was much stronger and the glare in their faces interfered with the marks-men. The heat was oppressive. The morn-ing trains brought out a number of Amer-ican and British military men and there was quite a gathering of former members of the Seventh who are now visiting Eng-land. The Americans started badly, Meyer missing twice and Short once. The visitors had some trouble with the targets, two of which had to be shifted. The Westminsters shot more evenly. The Westminsters scored more than the sevenths in the 500 yards and completed the third range of the match with the advan-tage of three points, the totals of the three ranges being: Westminsters, 1.15; Ameri-cans, 1.142. The Westminsters retained their advantage and won the match, 1.450 to 1.480.

Denver Takes a Pair. DENVER, July 7.-Denver took two rag-gedly played games from Colorado Springs today by the scores of 8 to 6 and 6 to 5.
