lift Comes in Last linif of Eleventh Inning and Landed Omaha Winner in a Hard Fought

Slugger Bill certainly earned anew his title when, in the eleventh inning of the game at Vinton Street park Saturday afternoon between Omaha and Des Moines, he put the ball over the middle field fence and scored Welch who had walked ahead of him, tying the score so that the game was won in the same inning by the score of 2 to 8. For the first time since the good old days dollars were showered upon a player and Slugger Bill had more than he could carry and had to call Pa Bill to his assistance to lug the dollars from the field and they were not tron dollars either, but Uncle Sam's best.

Yesterday's game was of the kind that delight so many fans who like to see a hitting game, thirty-six clean hits being registered at the finish. It is no wonder, with the thermometer registering 91 in the shade, that the players were nearly exhausted from running the bases so much and that the game dragged for two hours and a half But none in the grand stand or bleachers complained, for it was worth the money and none left until the finish, although some thought in the first half of the eleventh that it was all over, but they were forced to resume their seats when Slugger Bill placed it over the fence for the longest hit of the season and brought in the scores that tied the same. and a half But none in the grand stand

was a double by Ganley.

It looked good for Omaha in the fourth after Manski had replaced Morrison, fo the Champs started right after him and secured four hits, but were able to mak but a single tally from all these, Dola started off with a double and Welch scored him with a single. Thomas fol lowed with a single and Schipke buntesafe, filling the bases. Welch attempts to come home on the play, but was caugn between bases, Martin struck out, Gond

linning and then the extra innings started. Gonding made a hit for an opener in the tenth inning, but was not able to advance Then came the famous eleventh inning which will go down into history and the fans will never tire of telling how Slugger Bill hit the ball on the nose and drove it over the middle field fence for the homer that tied the score and afterwards .won , hit

Hogriever was the first man up for Des Moines and he gave the local boys a little ope by striking out. Long singled, and every one present thought that the game was won, when Rossman banged out a double and scored Long. Caffyn was thought to have surely put fixin's on the game when he singled and accred Ross-Fiske got another single in the Des Moines half of the inning ended with the Underwriters only two to the good, nd the fans started home.

Then came the Champs, who had struck their galt, and found a horseshoe, and ire apt to do any old thing, contrary to tablished customs and the wishes of the onahs and knockers. Dolan struck out and it did look bad, until Doctor Welch drew four wide ones from Mr. Manski, the was tiring somewhat under the heat nd strain. Thomas made the spirits of the fans droop when he also struck out, 1:59, but there was still Slugger Bill to come, and he realized that there was a chance

Slugger Bill walked up to the plate like Sioux City the renowned Casey, but unlike him, the ball Omaha

BILL SCHIPKE'S HOME RUN was sent so high over the fence that the Pueblo St. Jose fielders simply watched it so. Then was when the dollars rained and the crowd vent wild, for the score was tied and the Champs had another chance after everytin followed with a double and Gonding hit a hard one to Long, who booted i around for a time and then threw it a BALL BANGED OVER CENTER FIELD FENCE that Rossman could not reach it and the

fans went home. The same teams will play this afternand again Monday, which will be ladies' day. Jack Pflester will do the pitching stunt for Pa and we will try to annex another, Attendance, 1,400. Score:

Hard on the Pitchers.

Morrison started in the oblige for the Underwriters, but the heat got the better of him and he was forced to retire in favor of Manski, who had plenty of ginger and steam to the finish. Sanders worked all the way through for the Champs and although he was about all in he was forced to finish the game out because Quick was lame and Pflester had donned his civilian clothes.

Des Moines made three in the second inning by swatting the ball for four hits and getting a walk. After Gonding was out in the third Sanders hit to the middle field for a triple and scored on Carter's single to right. Des Moines made another in the fourth on three hits, one of which was a double by Ganley.

Slugger Bill Schipke Makes Good on the Title All Right.

Slugger Bill Schipke, hero.

And that's no Joke, either the slugger or the hero part. At Denver last Sunday in the first game he hammered out four of the five hits secured by Omaha, and made all three of the runs that won the game, one of them a four-sack punch. All Colorado Springs he lammed out another homer, and just ask yourself what he did yesterday. And he has pushed his little batting average up to the head of the regulars; it isn't very big, but it's the biggest we've got, and counts just the same. Also, he has gotten into the 90 per cent class with his helding, and you bet the muskrats in the Grark mountains will have a lively time next winter if Bill can stand prosperity a little while. Bobby Carter and Joe Dolan have also been banging the ball with great regularity during the last week, and Spotty Freeze started a little of his last season's form. But the others haven't done very much with the stick. Martin has slipped out of the 20 per cent class entirely, his batting having been of the hard luck order for some time. The last four games he has done something like his old-fime work, getting five hits during this time, and most of them long ones. Prior to this he had made seven hits in twenty-three games. His helding keeps right up to the mark, and that is a sign that his batting isn't going to stay as low as it is. Dolan had a bad week in the field, too, but all the rest of the bunch did very well. The team fielding for the week was just gractly the same as the season's record, while the team batting for the eight games played was 25t, which is the best the Champlons have yet shown. The record for the season is:

FIELD CLUB DEFEATS THE STORZ Good Game Played at Club Grounds-Score Three to One.

Score Three to One.

The field club took a close game yesterday, on the former's grounds from the Storz brewery team by a score of 3 to 1. Taylor pitched ball that was a little too effective for the brewers in tight times. Three hits was the best the brewers could do with him. The Field club managed to pile up nine on Blakeley. It was the sixth in which the Field club did its work, Hoagiand singled, Chambers sacrificed, Creighton laced out a scorching two-bagger, Kelly followed with a single and scored a moment later on a wild throw to second. Creighton caught a magnificent game and Kelly took the batting honors Kid Ebberfield's umpiring was entirely satisfactory. The score;

OLDSMOBILE STANDARD 7 H. P. RUNABOUT The New Improved Standard Oldsmobile 7 h. p. Runabout is superior to any runabout ever built refore. It will not get out of order with intelligent handling, a fact proved by the records of hundreds of these cars, that in three months steady use have not cost one dollar for repairs,

They have plenty of power to climb hills, go over sandy, muddy roads and will take you as fast as you want to go. Easy to start from the seat; easy to stop (three brakes).

The single cylinder horizontal motor gives durability without complication. Two cars like this, taken from stock, made the 3.500 mile run from New York to Portland, Oregon-a tremendous strain for a \$650 car. But when a runabout is built to do hard work like this it is sure to give you satisfactory service. You wouldn't ever call upon one-tenth its real durability.

An Oldsmobile gives you ALL your money's worth in value, I pleasure and saving of time in business. We will be very glad by to demonstrate it to you. Handsome catalogue mailed on request. Send for catalogue showing the Oldsmobile line:

HAVELOCK GAME ENDS IN FIGHT Omnha Team Objects to Decision and

Umpire is Obdurate.

HAVELOCK, Neb., July 16.—(Special Telegram.)—Today's base ball game between Havelock and the C. N. Diets team of Omaha ended in a free row in the eighth inning, the score standing 2 to 1 in Havelock's favor. The visitors objected to a decision at third base, the umpire calling out a Dietz runner at third and shutting off what seemed a fair chance to tie the score. The umpire was obdurate and Dietz left the field. One of the Omaha players became embroiled with the umpire, whereupon Reld, the Havelock captain, stepped in and began using his fists. A free-for-all fight was only avoided by the cooler-headed spectators, who interfered and put a stop to the hostilities. The Dietz team has always played gentlemanly ball in Havelock and they left tonight for home vowing that the Havelock team must purge itself of rowdies or no more Omaha teams would ever again venture upon the Havelock diamond. Umpire is Obdurate.
