PFIESTER REGISTERS AGAIN

Omaha's Long Left-Hander Too Much for Underwriter Sluggers.

CHAMPIONS OUTPLAY THE LEADERS

Den Moines Essily Vanquished in an Errorless Come Full of Fast Work by the Omaha Infletd.

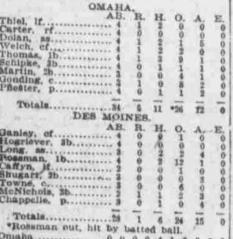

Des Moines' hard hitting hired hands were unable to negotiate with big Jack Pflester in the game at Vinton street park Sundry afternoon, with the result that the 300 fans who had journeyed from Dea colnes were doomed to see their team returned lowers by the score of 5 to 1. On the other hand, the Champa bunched four hits on Mr. Chappelle, the Adonis of the Underwriters, in the fourth inning and cinched the game as far as the result was concerned. The interest never flagged and the 3,000 sweltering fans who paid for the privilege were treated to a splendid exhibition of base ball as it should be played Not ar error was made by either and only at the finish, when Herman Long was caught between bases making the last out of the game, was there any kind of a wabble. The work of the Omaha infield was the fastest exhibition of heady ball playing shown here this summer,

Jack Pficater was at his best and the fuct that Des Moines had made twenty hits off Sanders the day before, that they have six men hitting over 300 and several more nearly up to 300 had no terrors for him. He mowed them down at will, striking out McNichols, Chappelle and Ganley in the sixth inning just to show what he could do. Several of the players lengthened their strides and pulled off phenom pla, s in spite of the heat. Shugart ran clear across second base and stopped what looked like a sure enough base hit from Dolan's but and recovered in time to eatch the runper at first. Three double plays were made besides the one at the stopped a base hit in its mad career, whirled and got it to Dolan in time for the latter to complete a double to Thomas, Martin stopp of a hard grounder, ran up and touched Chappelle, who was running from first to second, and then threw Ganley out at first.

How Omaha Wen It. Neither side scored until the fifth inning when the Champs made enough to win the game Phester fouled out to Towne and Thiel walked. Carter was an easy out from Shugart to Rossman, when a swatfest of three singles and a double registered four tailies. Dolan singled and scored Thiel, who had made second on Carter's out. Welch drove a hard one to right and Thomas scored Dolan with a double to left middle. Then came the mighty Slugger Bill, who had not registered before, but had been laying back for this chance to make a grandstand play. The crowd all knew what the Slug-

Nichola scored. Ganley hit a grounder to Martin, who doubled with Thomas and the side was out

PUEBLO, Colo., July 18.—In a game filled with brilliant plays Pueblo today defeated St. Joseph by a score of 3 to 1. Bader was easily the star of the afternoon. In the sixth Hader scooped up a hot grounder from Brown's bat that scenned to be an impossible chance and shot the ball down to first in time to cut off the runner. Again in the seventh with only one man out and ene of the Saints reating safely on third, Eader pulled down a hot line fly and sent it to Mott on third, retiring the side.

Another feature of the game was Miner's picching for the locals. Nine men failed to connect with his beaders and he gave no ball playing seen on the local grounds in many days and the funs showed their appreciation of the work done by the locals in the most enthusiastic manner.

Schaub Master of Game.

DENVER, July 16.—Denver's ciever little southpaw, Schaub, and Umpire Burns heiped the Cubs take aweet revenge for Denver's defeat by Sionx City yesterday by batting two Indian pitchers out of the box and drubting the third unmercifully. When the L. ting bee was finally adjourned Denver had eight runs to one lonely run of the visitors.

Schaub was a mystery to the visitors in spite of the fact that the score shows nine hits made off his delivery. Not once did as lose control of the situation, and twelve Indians bit the dust without touching the sphere. Schaub struck a man out in every innings he made it two an inning.

In fact, these big Sunday crowds are not backward in their rooting at any time. The Slugger drove one so hard at Mr. Chappelle that the latter had to sidestep it with the result that when Gänley had finished shagging the ball weich and Thomas had tallied.

Omaha made another in the sixth, when Gönding walked and stole second and came home off Thiel's triple to right field. Carter and Thiel were nipped by a double play when Carter hit an infield grounder. Des Moines made her little tally in the eighth inning by a scratch triple by McNichols. He hit the ball down the first base line and them lit out like a hurdler and would have been running yet if Herman Long had not headed him off at third, it surprised him so to make such a hit that he was scared to death and ran like a scared hare. VICTORS WIN FROM NONPAREILS Fast Youngsters Beaten by the Older

Yesterday afternoon on the Jetter grounds at South Omaha the Victors put the hoodoo sign on the Nonparells through a combination of hard hitting and poor fielding in the eighth inning. At this time the Nonparells had the game 7 to 3, and Lynch, who had succeeded Williams after the first inning, was holding them safe. But seven long drives, one a three-bagger, and three errors, sent over eight runs and the game. The sharp fielding of the Victors was easily the feature of the game, all doing good work. Score: Team in a Good Game.

ELEVEN-INNING GAME AT FREMONT Lee-Glass-Andreesen Team Makes

Great Rally in Last and Wins.

Work of the Nonparella,

Work of the Nonparella.

OMAHA, July 19.—To the Sporting Editor of The Bee: I noticed your article in this morning's paper, regarding the game between the Originals and the Nonparella, that you rob the youngsters of the credit they deserve in beating the older players. It is probable you got your information from the Original players, but it certainly is not sportsamanlike to discredit the good work of the boys, for they outplayed as well as outhatted Brad's pets, and, if you will recoilet, it was not the first time either, for in an eleven-inning game last season the Nonparells shout out this same team, beating them 1 to 0. The whole trouble last Sunday was what it was last year, the Originals could not get the ball away from the Nonparell fielders. Look at the record of the Nonparells 2; Jetters 2. Nonparells 2—eleven innings; Gretna 2, Nonparells 2—eleven innings; Gretna 2, Nonparells 1. Can the Originals show any better? Take the Originals show any better? Take the Original-Neola game, 4 to 0, and then the Neola-Guick game, 5 to 1 in favor of Quick, with the battery that beat Brad yesterday, make what you can of this, and then give the youngsters what is coming to them. Hoping you will take these few lines as 1 lintond them, and give the boys credit for winning the game without a kick on the umpire, by making eleven hits to five, and one error against three. Respectfully yours.

ST. JOSEPH, Mo., July 18.—(Special Telegram.)—This afternoon the Contrary, manned by Clark and the Priscilla's crew from Omaha, beat the Togo by 104 minutes in a race which was only two-thirds finished. There was a light but steady breezs all afternoon, which favored the Contrary, it being a light-air boat, more than the Togo. The course was nine miles, with about one-third windward work. Getting a slight advantage at the start, Clark gained 4 minutes on the run to the first mark, and on the reach to the second buoy increased it 4 minutes more. Returning against the wind Togo nearly held its own, but lost 24 minutes more when the Contrary reached the fifth mark, and gave up the race.
