BOSTON, July 21.-Chicago won in the eleventh inning today, a bare on balls, a passed ball and a single sending in the winning run. Both pitchers were in fine form and kept the hils well scattered. The Five Hits Which Des Moines Made Were Not at Times When They Could Be Cashed Into Runs,

DES MOINES, July 21 .- There was another large crowd in attendance at the second game of the series between Omaha and Des Moines this afternoon, but they did not get much chance to applaud the home players except on their fielding, for they played almost an errorless game, but | they could not score. Chappelle and Wakefield were the home battery, while Pflester and Gonding were the ones to do the work for the Omahas. On the previous day Pflester went in to do the pitching for the visitors, but he received such a warm reception at the hands of the home team that he was taken out at the end of the third inning, but in this game he was almost invincible, and Chappelle only allowed seven hits and some of those were pretty lose to scratches, and he twirled his uphill game like a trojan. In the second inning Welch got a single, but was retired on Thomas' hit to McNichols, but the latter reached first and came home on Schipke's home run over center field fence. In the fourth a two-bagger by Dolan, alded by a putout at first and a long fly to right field, allowed him to score. Nothing more was done in the line of scoring until the ninth inning, when Welch was allowed to reach first on an error, went to second on a passed ball, made third on a field play and came home on Gonding's single. while Martin was given a base on balls, stole second, and Gonding's hit also scored him. In the scoring Des Moines was not in it at any time and their hits were so scattered as to do no good and at the end of the game they had but a row of goose eggs to show that they were in the game.

Larned in Singles. LONDON, July 21.—The tennis seen at Wimbledon today in the opening stages of the championship round for the Dwight F. Davis international cup between the Ameri-can and English teams was brilliant. Al-though the American representatives, Hol-combe B. Ward and William A. Larned, were beaten in the singles, they succeeded in making English hearts quake in the earlier rounds of both games. Ward won the first two sets from Hugh L. Doherty by playing the best tennis of the day. In the match between Larned and S. H. Smith, the Englishman waited for the inevitable fault by which he could put a point to his credit. The American played more bril-liantly, but his brilliancy lost him the game. The Americans are two points be-hind, but they hope to win the doubles to-morrow.
