The police invariably found bers of the suite remaining in this city to transact the business of the commission, of which there is a great amount. The two plenipotentaries will leave this

city about 11 o'clock, and it is expected they police. will return late in the afternoon. Upon his return from Oyster Bay today JAPANESE SEIZE LIGHTHOUSES Minister Takahira went directly to the Wal-

dorf-Astoria hotel, where re remained in conference with Baron Komura for several hours. After the departure of Minister Takahira, Baron Komura spent the evening in his apartments.

During the day there were a number of callers and many cards were left for the haron, but he is accessible only to his suite and a few personal friends.

A report that Crown Prince Yoshihito of Japan died last May, the news of his demise having been withheld for state reasons, reached Baron Komura tonight and the baron asked the Associated Press to declare the rumor as without foundation in fact.

The following note was sent to the Associated Press:

The report has absolutely no foundation. I wish you would be goon enough to deny it on the strength of my authority. BARON J KOMURA.

Personnel of Russian Delegation. MANCHESTER, Mass., July 26 .- Baron Rosen, the Russian ambassador, who with his suite is spending the summer at Magnolia, announced tonight that he would not go to New York on Friday, as he had previously arranged, to await the arrival M. Witte, the Russian peace plenipotentiary, Baron Rosen will postpone his departure for New York until early next week in order to avoid spending several days in the city while awaiting the arival of M. Witte's steamer. Prince Koudacheff of the embassy staff will leave for New York tomorrow to make arrangements for M. Witte's reception. Earon Rosen tonight gave the Associated Press a revised list of the members of the aRussian Pence Commission. Accordcomposed as follows:

Secretary of State M. Witte, first plen-otentiary; Baron Rosen, second plen-otentiary; officials of the Foreign office, rivy Councillor Martens, Minister to ipotentiary: officials of the Foreign office. Privy Councillor Martens. Minister to China Poketioff. First Secretary of the Embassy Hansen, M. de Plancon, M. de Jorosovets, Prince Koudacheff and M. Nab-oloff, officials of the Treasury department, Privy Councillor Shipoff and M. Vilben-hine; officers of the general staff, Major General Yermotoff and Colonel Samanyl-off, representing the army, and Captain Roussine, representing the navy.

M. Witte Leaves Paris.

says he has received a number of anony- lowed by the railroads to cover elevator

Planted Than that Reported by Hyde.

WASHINGTON, July 26.-Assistant Secretary Hayes today made the following report to Secretary Wilson on the acreage of cotton in the southern states in 1905, as compared with that planted in 1904:

The crop estimating board of the De-partment of Agriculture has considered the report issued by the bureau of statistics on June 2 relative to the acreage planted in cotton in the southern states in 1966, as compared with that planted in 1904, and has oncluded: First—That a new estimate should be nade on acreage planted and that the fig-res in Mr. Hyde's hands when making is estimate should be used as the basis: Second—That Mr. Hyde, with Mr. Holmes Position Taken Commands Retreat it his elbow prompting him, made the esti-nate lower than the facts at his hand from

the reports from the seven classes of re-porters employed by the bureau warranted. Third-The board finds upon careful con-sideration of the reports of all classes of Dispatches from Manchuria report the sideration of the reports of all classes of correspondents and agents that the acreage planted in cotton this year, including the entire season, should have been estimated at 85.1 per cent of that planted last year, equivalent to a reduction in planted acreage as compared with last year of 14.9 per cent (instead of 11.4 per cent), or 4.731,000 acres, the estimate of the total acreage planted this year being 25,598,000 acres. landing of a Japanese battalion and the selzure of a lighthouse on the Siberian coast near Doastries, a post formerly called Alexandrovsk, 700 miles north of Viadivostok, after a preliminary shelling by Military officials here attach importance

to the episode only in connection with the acres The estimated percentage of the decrease Sakhalin campaign and say as the landing each of the cotton growing states is as was effected at a place where the Straits follows: was effected at a place where the Straits of Tartary, between Sakhalin and the mainland are narrowest, it apparently is part of the strategy of the Japanese to prevent the escape of the Russian garrison in Sakhalin across the straits. They suid, that the landing is too far north to have any bearing on the main campaign or on overations against Vindivorte results are fully

COTTON MARKET IS EXCITED

Them Down.

LONDON. July 27 .- The correspondent of the Daily Mail at Stockholm says: "The NEW YORK, July 26 .- Prices for cotton object of Emperor William's interview with bounded upward almost instantly today Emperor Nicholas was to obtain the conwhen the government report of a decrease sent of the latter for a prince of the house of 14.9 per cent in the acreage planted as of Hohengollern to ascend the throne of compared with last year was received on Norway. It is possible that the Russian the exchange. The gains ranged from 12 emperar will consent, provided Russia be to 14 points, October reaching 11.17 cents. ing to this list the commission will be permitted to slightly rectify its frontier on Tremendous selling, presumably by long interests, followed and prices went turn-The Daily Mail, commenting on the disbling. October was beaten down 15 points "patch, suggests that the "rectified frontier" from the highest to 11.02 cents. The market means that Russia wants to acquire the was excited and irregular

HOD-NEW ORLEANS, July 26 .- The day was arates Sweden from the Arctic ocean, thus one of unusual excitement in the cotton market, owing to the revised government acreage report. This showed the reduction MEYER DOWN TO BUSINESS of acreage to be 14.9 per cent, compared with the previous figures given out on Ambassador to St. Petersburg Takes June 3, now declared to have been manipu-

inted, of 11.4, or a further decrease of 3.5 per cent. The market was put up about 15 points after the reading of the report and many ST. PETERSBURG, July 26.-Negotiabears turned bull for the trading during the remainder of the day. Prices, however, were but 2 and 3 points above yesterday's closing.

Company Property Goes to Supreme Court.

CHEYENNE, Wyo., July 26.-(Special

WASHINGTON, July 26 .- (Special Telegram.)-Frank M. Conser, special agent of the Indian bureau, has gone to Nebraska act in conjunction with officials of the Sloux City & Western Railroad company in appraising lands of the Omaha and Winnebago Indians growing out of the

Way.

building of a, railroad line across their reservations. The Sloux City & Western rallroad has held a concession for a rightof-way through a portion of these reservations for a long time and now seems inclined to build the railroad before the government will permit actual construction. The railroad must pay down a sufficient sum to cover what in its estimation will be the damage done to Indians by such construction. The right-of-way held by the Sloux City & Western is about eighteen miles in length.

prove of a serious nature. Gifford Pinchot, United States forester who is now on his way to visit several of the forest reserves for the purpose of inspection, will first visit Sheridan, Wyo.

Upon completion of his tour of inspection Forester Pinchot will go to Portland, Ore. to attend the irrigation congress which onvenes in that city August 21.

He started north from the city this morning on his gasoline motor car, when the vehicle flew the track, 6.265. present emergency. The people are convinced that the infection was brought here by the fruit steamers, and if it becomes necessary to make the regulations so stringent as to drive them away. In the present feeling such regulations would be enforced. While handling the present emergency some thought is being given to the future and on all sides there is a sontiment that nothing shall stand in the way of future immunity from mosquito fever, as it is

Quarantine Complications.

called now.

In view of the many quarantine complications which have arisen, Dr. Southon has caffed a conference here next Sunday of the health officer of Texas, Mississippi and Alahama to discuss guarantine regulations and devise a system by which travelers can be admitted with certificates of marine hoscharge of all the government work, will be present and participate. The work of locatthough it has been slower than at first anticipated. The residents of Kenner, fourthere, which is a hopeful sign, indicating throughout the place, the officers did not that the modern methods have been efthe association at Washington during next interfere in any way, and after the finna fective. The work now is to locate the

new foci, and treat them in the same manner. Physicians are now reporting all cases of fever, and wherever there is the slightest suspicion rigid sanitary rules are aphas been no spread of any case from any of these new foci. Those which are devolp ing are all traceable directly to the original focus in the Italian quarter.

The emergency hospital was opened today ewly installed chief of police of this city, and patients removed to it is a screened service, and who represented that service Headed by Chief Collins in person, the here during the fever of 1897, has been orpolice descended upon four prominent gam- dered here by the Cuban government and

Close Inspection in Progress.

WASHINGTON, July 26 .- In his advices from New Orleans to the public health and marine hospital service today Surgeon tion is being conducted in the portion of the city which is affected by yellow fever. This section includes forty or fifty blocks He also says that general acreening for protection against mosquitoes is promised. Passed Assistant Burgeon Joseph Goldberger has been ordered to Vickshurg, Migs., and Shreveport, La., with instructions to run down all rumors of yellow fever cases in those citles. All cases of fever are to be screened until a positive diagnosis is arrived at.

The officials of the Marine Hospital service are investigating a reported suspirailroad about seventy-five miles from New Orleans. No report from the physician sent to examine the case has been re-

ceived. Surgeon General Walter A. Wyman, who has been to Honolulu on business connected with the service, will return to Washington tomorrow%and take active charge of the measures undertaken by his bureau to cope with the fever.
