During the last forty days sixty-five members have been initiated. There are forty more to complete their membership during the first part of August. Refreshments were served after the session closed, after which the members enjoyed a social dance. There will be a large class of new members initiated in Magic City lodge, No. 30, in South Omaha, on the evening of August 14. Deputy Evans puts the number at thirty for that occasion. The Omaha and South Omaha contingent will go by special train over the Burlington, leaving here at 4:30 a. m. The festivities at Plattsmouth will begin with a parade participated in by local and visiting foresters, Royal Neighbors and Modern Woodmen.
