granted a preliminary injunction restraining the management of the Lewis and Clark exposition from interfering with the defendants had testified to their good char-Sunday operation of concessions on "The acter. Trail" at the exposition. The exposition

management at the inception of the exposition idea had the local ministerial body to contend with, the clergymen being utterly opposed to the opening of any portion well known in this city. About five years of the exposition to the public on Sundays ago he married Lydia S. Tukey, oldest and as a compromise the exposition offidaughter of A. P. Tukey of Omaha, and clais guaranteed that "The Trail" concessions would not be permitted to open. Two months of losing business, with financial ruin facing many of the shows, caused the concessionaires to demand the operation of their shows on Sunday. A compromise resulted in the case being aken into court with the result that Judge Frazer decided in favor of Sunday opening.

> PLANS NEW WATER SYSTEM Los Angeles to Have Plant Which Will Be Adequate for

City.

SAN FRANCISCO, July 29 .- A dispatch to the Call from Los Angeles says that work is about to begin on a water system which will secure an unlimited supply of

pure water there for all future needs. The scheme is to bring mountain water from Owens' lake and river, in Inyo county, across deserts, through mountains and across plains, a distance of 240 miles, to give Los Angeles a supply sufficient for its needs when population reaches the million mark. Engineers have estimated that the cost of the work will exceed \$23,000,000.

The survey has shown that all the water NEWBURGH, N. Y., July 22.-Thomas can be conveyed there by gravity, no Coldwell, president of the Caldwell Lawn pumping plants being necessary.
