—The Black Hills Base Ball league has been having some interesting games during July. Games had been arranged for the league for that month only between Belle Fourche, Fort Meade, Rapid City and Hot Springs. The Hot Springs team returned last night from its trumphant tour and was enthusiastically welcomed home. At Belle Fourche Saturday, with Newmyer in the box, Hot Springs shut out the home team by a score of 5 to 9, and on Sunday, with LeCroix pitching. Hot Springs again won by \$ to 5. Hot Springs has only two more games to play at Rapid City next Saturday and Sunday and is confident of winning the Black Hills pennant, being now one game ahead of Fort Meade. It is contemplated by the backers of the Hot Springs team to take a trip into Nebraska and Iowa and play the Omaha and Sioux City Western league teams before returning home.

MANY DISTINGUISHED PEOPLE PRESENT

First Day Sees Naval and Military Display and Address Will Be Made by Vice Prestdent Fairbanks.

SAULT STE. MARIE, Mich., Aug. 2.-An elaborate display of fireworks, participated in jointly by Canadians and Americans, tonight concluded the first day of the exer cises of the Sault Ste. Marie canal. The Canadians contributed liberally to the exhibition, and Canadians showed great enthusfasm.

Previously to the fireworks display Governor Warner of Michigan received in the government park, Vice President Fairbanks who took part in the exercises today and will be the principal speaker tomorrow. During the day the principal events were

an impressive parade of government and other vessels, and Canadian ships, up St Marie river, through the Canadian locks, and a military procession. With the city crowded with thousands of

visitors and with hundreds of yards of bunting flying in the breeze from all the buildings on both the American and Canadian sides of the St. Mary's river, a salute at sunrise from the government ships in the harbor opened the two days' celebration of the semi-centennial of the opening of the Mary's ship canal, which connects Lake Superior with the lower lakes. Fifty years ago the first ship canal around the rapids in the St. Mary's river was completed and opened, with two locks 350 feet RAIN BLOCKS GAME AT VINTON length and a depth of thirteen feet. Today the American canal has two locks, Omaha and Puchlo Will Play This one 515 feet long, the other 800 feet long Afternoon.

Again did old Jupiter Pluvius score a shut-out game on both the Omaha and Pueblo teams by coming to town in such chunks that there were too large gobs of dampness all over Pa's lot to permit the players of either team to cavort on the green. These same teams will make another attempt this afternoon. Tomorrow will be women's day and Saturday a double-header will be played, the flut game to and twenty-one feet deep, while there is also a Canadian lock, 1,000 feet in length. More traffic passes through these three locks than through any similar waterway in the world. In 1904, 28,000 passengers were transported through the canal and a total of 31,546,106 tons of freight, with a header will be played, the first game to start at 2:30. value of \$340,000,000. An examination of Joe Dolan's arm in Omaha Wednesday morning revealed the good news that the bone is not broken, but that the muscles and ligaments of the arm were badly bruised. The physician at St. Joseph had bound the arm too tightly and caused considerable swelling, but it has been found that no bones were broken and the captain is able to move his arm. He says he expects to be in the game in four or five days.

Visitors have been arriving in the city by the hundreds since Monday. The two days on both the American and Canadian sides of the river and business has been suspended wherever possible.
