Metal Market. NEW YORK, Aug. 2.—METALS—A further advance was reported in the London tin market, with spot closing at £151 low, and futures, at £150. The local market was also firm and somewhat higher, at \$32.80\( \) 33.25, but the demand was slow, as buyers are none too confident of the stability of prices, owing to the speculative nature of the advance abroad and the possibility that liquidation may cause a readjustment. Copper lost part of its recent gain abroad, closing at £88 bs 3d for spot, and £68 los for futures. Locally the market was unchanged, with lake and electrolytic quoted at \$15.374,615.50, and oasting at \$14.8740 lb.12\( \) 15.12\( \) 12.12 and was firm, at \$4.60\( \) 4.10 in the local market, and was somewhat higher at £14 in London. were on hand went at strong prices, and there was a better call for them than there was yesterday.

There was only a small supply of cows and helfers here and the feeling was very good. Buyers went right after the stuff and the feeling was very good. Buyers went right after the stuff and the feeling was very good. Buyers went right after the stuff and an dvance of 10glic, while the commoner grades and grass cattle changed hands at prices ruling steady to stronger.

Bulls, veal calves and stags were in fair demand at just about steady prices.
Stockers and feeders were in good demand, although there were not many on sale. Good lightweight stuff moved at stody prices, while on some of the heavier grades sales looked barely steady, and in some cases lower. Trading was fairly active and the stuff was cleaned up early. Representative sales:

the opening trading was very slow and dull, packers doing nothing till well along in the morning. Good light and shipping hoss were in the best demand today and a fair call from shippers for hose of this kind, helped the market considerably, especially on the opening. These kinds changed hands at prices just about 5c ligher than yesterday, but after trading became general they were not so good. The market cased on somewhat and was only a shade higher was only a shade high is best time. The bulk
