Big Jack Puts Whitewash All Over Denver Team.

THIEL AND GONDING WIN FOR OMAHA

Mits Come Together in Tenth Ioning and Champions Score Another Victory by Smallest Pos. sible Margin.

In a ten-inning pitcher's battle at Vinton street park Monday afternoon before the grand stand filled with all sorts of beauty and chivalry the Hourke family came out victorious over Denver by I to 0. Omnha had no chance to lose for it was Pa Rourke's birthday, and it has become an established custom for the Omaha team to win on that eventful day, so all you who lost your little wages on the game can get your money back, because gambling ethics do not permit of a wager being collected when bet on a sure thing. History was simply repeating herself, for a year ago when Pa celebrated his forty-first birthday, before an immense Sunday crowd the Rourkes annexed two games.

Again was Big Jack Pfeister in good form and as has been said before, it is of no use for any team to try to beat him when that is the case. Of course, they might tie him as they nearly did yesterday, but they cannot beat him. He started out like a whiriwind and out of the nine put outs in the first three innings seven were strike outs by Big John. During the whole ten innings he permitted but three little singles, and passed but two, while GAMES IN THE NATIONAL LEAGUE he struck out ten. Every man on the Denver team, except Hoelskoetter and Belden, Pittsburg and Boston Break Even I was forced to take the medicine, and Randall struck out four times, or every time that he came to bat. Hickman also pitched a splendid game and it was no fault of his a splendld game and it was no fault of his that the teams are not playing yet, for all of the fans who had bet their money on Denver still think that Perrine should have stopped the liner from Thiel's bat in the tenth inning that put a finish to the game.

Inst game Fininerry gave but two hits up it eighth, when Boston won on four well placed hits. Pittsburg could do nothing with Wills. The second game was won on Pittsburg in the first, the only inning the scored in during the day, with only two hits, one being Beaument's home run. At tendance, 5,559. Score, first game: Making the Only Run.

For nine innings they batted without a sign of a tally and nothing came of them. In the tenth Gonding hit for a double clear against the left field fence and Thiel brought him home with a hard liner over Perrine's head which he could just reach but was not able to stop.

Omaha did not get a hit for three innings and then Thomas got a double which he Boston Pittsburg was not able to cash in. Welch had retired before Thomas hit safe and Martin hit; Leach, Stole hit the ball to Hoelskoetter, who threw to Hartzell and caught Thomas. Martin was caught too far off first and nothing resulted from the double. Again in the seveath Martin led off with a single and Lawer bunted safe because all of the infield had run in too close and the ball rolled toward second with no one there. Gonding sacrificed them each on for a bag and Pfelster hit a liner at Hoelskoetter who touched Lawler and made a double un-

making a score, although in the fourth inning they got a man as far as third. Belden singled and was sacrificed to second by Perrine. Hoelskoetter flew out to Carter and Belden went to third on the throw, but there he died, for Old Man Everitt hit a fly to Eddie Lawler and he was gone.

## Carathers Here to Umpire.

Bobby Caruthers was on hand to umpire his first game in Omaha this season and did right well, there being no disturbance whatever. Some say he umpires better than Spot Freeze.

In the morning Egan was slightly erratic in his wooden club work from some of the first nine tees but managed to total a 77 to Travis 79. Dr. W. P.
