DRAWING TO A CLOSE

Every patient beginning a course of treatment during August with Dr. Branaman will month's medicine absolutely free.

This offer is not given as a test or trial treatment. Dr. Branaman and his new cure are too well known to need an introduction. When Dr. Branaman opened his offices in Omaha,he gave every patient a course of treat-ment absolutely free as a test. Now he gives one month's medicine and treatment free to prove his skill in enring permanently. This offer positively expires August 31. Such a startling list of cures were never before made. The great specialist's power over disease an inherent one which few possess.

TO SKEPTICS. If you have been treated without results and have become discouraged, you should accept this offer. It enables you to get the strongest treatment for deafness and all special diseases that can be given. It positively cures where all other specialists have falled. Your failure was due to the old-time methods used, that did not reach the disease. Deafness is a disease of the middle ear. Dr. Branaman applies medicine to the disease which heals and cures. He applies electricity to the ear itself, which loosens the little chain of bones, gives them their normal action, strengthens He applies electricity to the ear itself, which loosens the little chain of bones, gives them their normal action, strengthens the weakened nerve, gives renewed circulation, reducing the swelling in the throat and middle ear and opens it, leaving the ear normal with perfect hearing. He solicits all skeptics to visit his office and get a free trial which will convince all that the treatment is unlike all others and does reach the disease and cure.

If your case is incurable you will be told so free of charge. Dr. Branaman will not accept money from an incurable case. Honesty is his motto. Every case accepted this month under an absolute guarantee to cure. ELECTRICITY Cures deafness and head noises permanently by applying it to the ears. A mild current is passed through the ears, reducing all inflammation, relieving all shrunken and thickened conditions of the ear drums. It also acts as a great nerve tonic, restoring and reviving every nerve fiber to a healthy condition.

If you are afflicted with deafness, asthma, hay-fever, blood poison in any form, female weakness, stomach, liver and kidney diseases or cheumatism, you should be treated now as nature is in harmony with a cure.

ANTHMA CURED.

ASTHMA CURED,

Eight years ago I began to have shortness of breath and choking, constant wheezing and rattling in my chest and coughing I would raise tough phiegm. Finally I got so bad I could not work. Doctors told me asthma could not be cured I had to sit up at night; the only relief I got was from smoking an asthma powder, which only gave temporary relief. I lost fiesh and strength. I went to Dr. Branaman a physical wreck, and in a few weeks I was a new man. I can now breathe free and easy. I sleep like a child all night. I do not cough or have any more rattling or wheezing. This New Cure is a sure specific for Asthma, and I recommend it to all my friends, as no one could be any worse than I was.

WAS DEAF 25 YEARS.

Mr. G. R. Garrison, Reynolds, Neb., a prominent business man who has been deaf for twenty-five years, writes:

"I have regained my hearing. I can hear all ordinary conversation perfectly. I have been realf for twenty-five years. My oar drums were totally destroyed. All specialists told me I could not be cured. My ears seemed stopped up. Your treatment has opened my ears, stopped all noises, and I hear fine. Your treatment is surely a cure for deafness. I think it is remarkable that you should cure me and never see me."

DEAFNESS AND HEAD NOISES. DEAFNESS AND HEAD NOISES.

I have been troubled with catarrh for years. Several months ago I contracted cold that settled in my throat and ears, closing them and making me very deaf and giving the most violent head noises. I could not sleep for noises and pain; my ears felt full. I could not hear snything in one ear. I went to a prominent Omaha specialist who blew dry air into my cars and run tubes into the car making them worse. I read of Dr. Branaman curing so many people and went to him. He promised me a cure, and today my hearing is perme many people and went to him. He promise is me a cure, and today my hearing is perfectly restored, head noises stopped, my catarrh is cured. In fact, I am cured. I wish to have this statement published so others may know where to get cured. I gladly recommend the New Cure to all MRS. P. F. ANDRESEN.
