Omahas 9 to 4. In addition to good support in the field at critical times the Indians were strong with the big stick and touched Des Moines Pfeister for twelve hits, many of them for extra bases. Four times Omaha had two men on bases and once each of the sacks was occupied but Lee was equal to the occasion and mixed them up in such a way as to make the Omaha stick artists fan the ozone. Field Club Wins at Golf.

Golf players from the Omaha Fleid club turned the tables on the Country club players at the Field club Eaturday afternoon and defeated them by the score of 30 to 21. The play was match play, the first nine holes to count one, the second nine holes one, and the match one. Three times this year the Country club players have beaten the Field club boys and there was great jubilation at the Field club last night over the victory. Harry McCormick brought his players to the old Poor Farm with all the confidence in the world, and the men started out in pairs at 2 o'clock. When his crack player, R. R. Kimball, the first to finish, was returned a loser by Guy Thomas, and when each succeeding goifer came back, nearly all losers, he ordered them all back to the stable for further practice.

Fairfield was the only Country club player who made a clean sweep, while Rahm beat Kineser 3, Sharp beat Banker 3, Bone beat J. Redick 3, Carrier beat Davis 3, Davison beat Wilhelm 3, Entriken beat Huil 3, and Lindsey beat Cope 3 points. The Country club boys accused the Field club players of practicing by electric light. Total Stevens Defeats Behr at Tennis. Southampton, N. Y., Aug. 19.—With the victory of Richard Stevens in the lawn tennis singles today, the tournament on the courts of the Meadow club was practically brought to an end. Stevens defeated the Yale champion, Hari Behr, in easy fashion. In the attempt at finishing the doubles the pairs played five sets without a result, as they were even at the fifth set when darkness forced a discontinuance of play.

The Byrne-Hammer base ball team defeated the Carpenter Paper company by the score of 2 to 1 Saturday afternoon. Batteriees: Carpenter Paper company, Bando, Young and Smith; Byrne-Hammer, Leary and Mokry.

Caldwell and Young are again the champion tennis players in doubles in the city. This was decided at the Field club Saturday afternoon, when Caldwell and Young defeated Matteson and Smith, winners in the recent city tournament, in three straight sets. By winning the match yesterday Caldwell and Young not only gain the right to be called city champions for another year, but also become the owners of the handsome cups offered by the Field club and which were to be won by the same team twice to gain possession.

A large gallery watched the play from the lawn and porches of the Field club

Smith placed all the balls possible at Caldwell, realising that Young was playing strong and in fine form.

After the first fright had worn away Matteson and Smith took a brace, but it availed them naught and the fast work of Young and the careful game of Caldwell kept them all the while on the defensive and at the rear of the courts, where they would lob only to eventually be met by a smash by Young, Score: Young and Caldwell 4 4 2 6 4 4 2 4 2 6 38 Matteson and Smith 0 2 4 4 0 6 4 2 4 4 30

Mr. Mordis says: "I have been deaf since childhood, caused by measles and catarrh. My middle ears were ulcerated, my ear drums eaten away. I was so deaf I could hear only very loud noises. I was treated by specialists who said I was incurable. Dr. Branaman examined me and said he could cure me.

Bronchiai Asthma. Bronchiai Asthma.

For one year I have not been able to go down town for the Asthma. I could not go up stairs for shortness of breath, coughing and wheezing. I had to sit up at night. No one but an Asthmatic can imagine the awful suffering I have gone through, I would choke up so bad I thought I was going to die, would send for my family doctor two and three time a week; all he could do was to give me hyperdermic injection, and tell me the same old story, "that Asthma could not be cured." I went to Dr. Branaman. He put me on his new cure, which gave me relief at once. His new cure seemed to go into my lungs and bronchial tubes, where the disease is. It loosoned, opened my lungs, healed and stopped the cough, wheezing and difficult breathing. I can now lie down and sleep all night like a child. I feel like I was born again. I advise all who suffer as I did to take this new cure.
