INDIANS PLAY A RAGGED GAME

Welch Makes Four Hits Out of Four Times Up-Only Two Runs Are Earned Out of Eleven

PUEBLO, Colo., Aug. 20.-(Special.)-Quick was in good form today and Omaha. had no difficulty in taking the last of the series from the Indians, who played a ragged game. Miner, who opened up for the locals, was knocked out of the box is four innings and Hester who relived him did betten work but the champions had taken too much of a lead to overcome. Of the eleven runs made in the game only two were earned. A wild throw to first base by Bader and another by Mott netted two runs each. The work of Dolan and Cook and a one handed catch by Martin were the features. Welch secured four hits out of four times up.

Even Break at Sioux City.

SIOUX CITY, Ia., Aug. 20.—Sloux City and St. Joseph split even this afternoon in a double-beader by small scores in both games. They were two of the best contests seen on the local diamond this year, full of brilliant plays, daring base running, the finest sort of work by all of the pitchers and both hard and timely hitting.

The foature of both games was the fielding of Reynolds in rightfield for the visitors, the right gardener robbing the Stoux City team of three hits by lightning throws to first, catching his man in each case. The Packers won the first because of the lnability of the Jobbers to hit Cadwallader and the visitors came out on top in the second because Pop Eyler was dishing up an unluttable article.

Zink's hitting in both games was a feature, the big first baseman hitting a home run in each game. The victory in the second was due to his hard drive over the rightfield fence. Shea performed some miraculous fielding feats behind the bat for the Fackers. Neither Jarrott nor Seay, the losting pitchers, were hit hard. Score first galace. Even Break at Sloax City.

Even Break at Denver.

DENVER, Colo., Aug. 20.—Five thousand fans thronged the grandstand, pavilion and bleachers, cheered benver to victory against Des Mohes in the first game of today's double header, 8 to 5 and knocked against Des Moines in the first game of today's double header, 8 to 5 and anocked with equal vigor when the cubs went down to defeat in the second contest by a score of 12 to 3. After the Underwriters had scored four runs off "Pat" Bohannon in the first inning of the opening game, the Grizzlies made a gallant uphili raily. Manske was sent to the bench and Mckay who replaced him was heavily bombarded. In the second game Manske had his revenge while the erratic work of Schaub. Engle and Vollendorf all of whom essayed to pitch would have been a joke had their plight not been pitlable.

The opening struggle was the best of the season from the stundpoint of sustained interest. Although beaten, Manager Herman Long of Des Moines by his persistent kicking on every play was the center of interest. Mike Cantillon got jealous of his manager's notoriety but his tirade against Umpire Shuster was cut shert and he was put off the field. Frank Shugart was a mit to personal in his confersation with the umpire and was first fined and then benched.

MID-WEST TENNIS TOURNEY

Sixty-Eight Entries in Singles, Which Will Start This Morning.

SOME NEW CRACKS IN THE LIST

Several Familiar Names Missing, but Enough of the Others to "Add Zest' to the Matches.

Play will start at the Omaha Field club in the Middle West Tennis tournament this morning at 9 o'clock and be continued all week, morning, afternoon and evening, until the tournament is played through. Many new faces will be seen among the cracks from abroad and many of the old favorites will be missing, but the string, on the whole, is good. Both Scribner and Young, the best in singles in this city, will be absent from the tournament in singles for busifiess reasons, both being unable to leave their work. Young may play in the doubles If it can be arranged for him to play in the evenings. The Eberhardts have not entered, being too busy to give a week to

tennis. Some of the players arrived yesterday and several matches were played at the Field club, one between Sanderson and Fletcher and Hughes and Kohn being viewed by a large gallery. The drawing for the doubles will be held Monday evening and the entry list will be held open until that time. Many of the women will learn with regret that Adon's Holland of Galesburg will be unable to play during the tournament, being detained by Illness.

Cracks Who Are Present. Laying aside the ever present possibility of long shots taking down the money in s tournament, it is safe to say that the work of A. C. Snow and C. S. Peters of Chicago, F. R. Sanderson and Ralph Fletcher of Galesburg and W. P. Hayes of Toledo, Ia. will be observed with more than ordinary attention. Peters is a veteran of the Kenwood courts whose work against the best players of the west in the All Western meet held each year in Chicago has placed him in the very front rank among western cracks, his play in the finals against Waldner creating a sensation. His partner, Mr. Snow, is almost equally well known and is also a player with an enviable record.

The playing of Messrs. Sanderson and Fletcher, the latter the present holder of the cup, is so well known here that they need but passing mention. They always give a good account of themselves. Mr. Hayes is a player who by winning the cup in the recent Tristate tourney against a field of veterans has sprung in one leap to the front rank. His advent on the Omaha courts will be watched with great interest.

From the list of entries it is readily apparent to all that the play will be well balanced and fireworks are promised from the opening round.

Drawing for Singles. But two matches are to be played in the preliminary round, so all players are cautioned to be present at the Field club at 9 o'clock Monday to start out on the first
