The RIACK HILLS TRACTION CO. sentative from Omaha at the convention

prices for street cleaning and garbage hauling and disposal. He also intends to further attack the incessant sprinkling of downtown asphalt during the summer, and to be in a position to back up his statements that this eprinkling, as carried on in Omaha, destroys the paving rapidly and is an expensive luxury.

The engineer makes the charge that

the flushing of streets as carried out here

costs from \$25 to \$35 a mile, whereas it could be done better with street flushing

wagons at a cost of about \$10 a mile. Besides this he contends that the turning of a powerful stream on paving of any kind has an injurious effect and should be discontinued for this reason if for no other. LIST OF MINOR CANDIDATES

Refuses Drink from Can.

The refusal of one friend to drink beer from the can of another is said to have caused a small riot near Second and William streets Saturday evening. The result of the fight is that Mrs. Mary Vaverka, on behalf of her brother, Joe Kochar, one of the combatants, has charged George Sidel with disturbing the peace, which complaint against Sidel has been filed in police court. Kochar is said to have had a can of beer and to have offered the same to Sidel, who is reported to have told Kochar he would not drink out of a can, which ultimatum angered Kochar.
