

KNAPP STILL SELLING OIL

Chautau Dealer Continues to Supply Omaha Gas Company, Says Clabaugh.

TARBELL STORY RAISES A QUESTION

Is the Standard Oil company masquerading under the name of Knapp?

Is the Standard Oil company masquerading as 'I. N. Knapp' in order to sell oil to the Omaha Gas company?

A reporter for The Bee was shown a bill captioned 'on the Standard Oil Tank Line' and dated August 2, 1905.

Miss Tarbell's story in McClure's magazine is to the effect that he went into the Chautau field in 1899 and found a market for his oil with the Omaha and Kansas City Gas companies.

What is the Standard Oil company doing with its Standard Oil company for over five years?

So far as I have been able to ascertain we are still buying our oil from Mr. I. N. Knapp.

What has the Standard Oil company to do with this manipulation? One who knows the history of the Standard Oil company will not ask the question.
