

PRICE'S CREAM BAKING POWDER

PURE—WHOLE SOME—RELIABLE
MADE FROM CREAM OF TARTAR DERIVED SOLELY FROM GRAPES, THE MOST DELICIOUS AND WHOLE SOME OF ALL FRUIT ACIDS

Its superiority is unquestioned.
Its fame world-wide.
Its use a protection and a guarantee against alum food.

Alum baking powders are detrimental to health. In most foreign countries their sale is prohibited. In many states in this country the law requires that alum and alum-phosphate powders shall be branded to warn consumers that they contain an unhealthful ingredient, while in the District of Columbia, Congress has forbidden absolutely the sale of food that contains alum.

Alum baking powders may be distinguished by their price—one cent an ounce or from ten to twenty-five cents a pound.

AFFAIRS AT SOUTH OMAHA

System of Keeping Track of School Books Works Very Well.

ONLY FEW AMONG THOUSANDS ARE LOST

Records in Superintendent McLean's Office Show That but Sixty-Nine Books Are Missing For the Year.

When the public schools opened last September a new system of checking and keeping record of the school books issued to pupils was installed. Data recently compiled by Superintendent McLean shows that the system is a great success. Out of 35,000 books issued to pupils only sixty-nine were lost. A list of the schools, pupils attending and the number of books lost, follows:

School	Pupils	Books Lost
High School	1,500	1
Preparatory	100	1
Hawthorn	100	1
Jungmann	100	1
Madison	100	1
Highland	100	1
West Side	100	1
Corrigan	100	1
Lincoln	100	1

The books are tagged with a large label pasted on the inside of the cover and this label bears a printed number. Any person finding a book belonging to the school district can easily return it to the proper authorities. Only a few days ago a school book was picked up near the West Side school and turned over to a member of the board. When taken to the superintendent's office it was found by referring to the records that the book had been issued to a certain pupil of the Brown Park school, and had been marked on the records as lost. With the increase in the number of pupils this year it is expected by the board of education that at least 40,000 books will be issued during the coming year. As the check system proved so satisfactory last year it will be continued this year.

Water and Nozzle Test.

Thursday afternoon at the Swift plant a test of water pressure and various kinds of nozzles was made. Packing house superintendent, Chief Garretts of the houses and stock yards, Chief Garretts of the city fire department, Supt. Charles Collins of the Omaha Water company and others witnessed the test. At one time twenty streams were throwing water to various heights. Different styles of nozzles were tried and the most satisfactory test were well pleased. An enormous quantity of water was thrown in the short time the twenty streams were running.

Early Morning Meeting.

An adjourned meeting of the city council was held at 8 a. m. Thursday for the purpose of holding a hearing for the second time of the ordinance providing for the issuing of bonds for the repaving of Twenty-fourth street. Another meeting is to be held this forenoon, when the ordinance will be called up for third reading and final passage. After the ordinance has been signed Clerk Gillis will be instructed to advertise bids for the bonds. This advertisement will run for two weeks and it will be about September 11 before bids will be received.

High School Alumni.

The Alumni association of the South Omaha high school will meet at the high school building this evening for the purpose of hearing a report of the business of '35. In addition the business of a prosperous year will be closed. As the session is sure to be an interesting one, all members and candidates for membership are urged to be present.

No Chance for Friction.

Speaking of an item in an Omaha paper of Thursday regarding the possibility of friction in the appointing of principals to fill vacancies in the schools Dr. Schindel, chairman of the teachers committee, said that there was no chance of friction. Continuing, Dr. Schindel stated that as the question of naming two principals to fill vacancies was not mentioned in the advertisement on the board last Monday night he had directed Superintendent McLean to fill the vacancies when the assignment of teachers is made. More than this Dr. Schindel stated this matter would not again be brought to the attention of the board.

Masons Enjoy Outing.

Members of the No. 184, Ancient, Free and Accepted Masons, enjoyed a picnic at Manawa Thursday afternoon and evening. Two special cars loaded with Masons and their families left Twenty-fourth and O streets shortly after 2:30 o'clock for the lake. Some of the members could not get away until later and these went on regular trains. Games of baseball and quills were played, luncheon was served and a most enjoyable time was had by all who attended. The party returned in special cars leaving Manawa at 10 p. m.

Crab Shooters Arrested.

Officer Cook arrested two men for shooting crabs Thursday afternoon, and incidentally played quite a joke on the players. Todd has the West Q street and in the rear of a barber shop at the end of the car line youngsters about 16 years of age have been in the habit of shooting crabs. Whenever the officer entered the place by the front door the boys made a dash for the rear door and got away. When the game was getting interesting yesterday

REDICK DEFERS A DECISION

Judge Will Consult Colleagues as to Ure-Hunter-Solomon Case.

NO RULING YET ON COMMISSIONER LAW

Judgment May Be Rendered Saturday or Possibly Not Until the First Part of the Coming Week.

At the conclusion of many long and reiterative arguments by several attorneys, Judge Redick has taken under consideration until Saturday morning, possibly until the fore part of next week, the suits wherein Emmett G. Solomon, William G. Ure and William J. Hunter are seeking to break to the primary election ticket as candidates for county commissioner; Dr. Solomon in the Third commissioner district, now represented by Peter Hofeld, and the other two gentlemen in the Fifth commissioner district, represented by Henry McDonald.

The Judge intimated that, unless there was an imperative necessity for quick action, he would like to consult with some of the other judges of the district court before rendering a decision on the application for a writ of mandamus to compel the county treasurer to accept the money offered as filing fees and the county clerk to place the names on the primary ballot.

Arguments of Attorneys.

Thursday morning Judge Redick heard arguments by County Attorney Slabaugh and Attorney Lytle I. Abbott against the granting of the writ and by City Attorney Breen and his assistant, Will Herdman, in favor of the application. The whole history of the legislation affecting the office of county commissioner was gone over by the attorneys. It began with the original act of 1886 and came down the line to the act of 1931, which was intended to extend the terms of commissioners who would have to run this year until the following state election in 1936. Judge Redick asked many questions of the different attorneys while they were presenting their arguments and made careful note of all points which seemed to him germane.

Attorney Abbott came into the case as the lawyer who drew the bill of last winter under instructions from the state organization of county commissioners.

DISTINCTION FOR COLANERI

Title of Monsignor, Prothronary Apostolic Ad Instar Conferred on Omaha Priest by Pope.

"Monsignor, prothronary apostolic ad instar," is the title just conferred by Pope Pius upon the Very Rev. A. M. Colaneri, chancellor of the diocese of Omaha. Father Colaneri received the brief Monday from Rome announcing the honor.

This is the first time the title has been conferred upon a Nebraskan. There is no other man living in the state who enjoys the same distinction. The title is honorary and confers no jurisdiction, though it carries with it the right to wear the purple. It designates the highest rank of domestic prelate outside the city of Rome.

A similar title also was given by the pope at the same time to Rev. B. C. Lenthain of Fort Dodge, vicar general of Sioux City, but Father Lenthain is of the rank lower than Father Colaneri. The only other prothronary apostolic in Iowa is the aged Monsignor Ryan of Dubuque.

Colored Mechanics Organize.

ST. LOUIS, Aug. 24.—A delegate convention of colored mechanics, representing Missouri, Illinois and several of the southern states, convened here today to organize a colored mechanical association with local branches in all cities. This body is not affiliated with any other labor organization. Its object is co-operation for mutual benefit and opportunity for employment. The executive committee was chosen temporary chairman, and W. P. Henington, jr., of Springfield, Ill., secretary. There are thirty delegates, representing six states.

Cashier Played the Rascal.

NEW YORK, Aug. 24.—Charged with the forgery of checks amounting to \$40,000 against the United States national bank of St. Morgan, James P. Hennessy, the cashier of that estate, was arrested in this city today after being indicted by the grand jury. He pleaded guilty and was held for trial. Hennessy is alleged to have lost every cent of the money on horse and dog races. The alleged theft took place last year. About two months ago one of the executors of the estate discovered them.

Umbrella Actually Recovered.

St. Louis, Mo., Aug. 24.—The hotel enjoys the distinction of being the one woman in a hundred who has recovered her umbrella. It was reported that Detective McDonald was placed on the case. After scrutinizing every umbrella in the city, Detective McDonald at last found the umbrella in the hands of a woman. The friend had merely borrowed the umbrella and was returning it when the detective found him.

Stockman Falls from Street Car.

H. Waite, a stockman from Hastings, fell from a Council Bluffs car at Thirtieth and Howard streets about 4 o'clock Tuesday night and received severe cuts across his right eye and other bruises about the face. He arrived in Hastings from Omaha yesterday morning with several cars of stock for the South Omaha market and after the afternoon session at the market he was returning home on a late train. He was waiting for a car at Fourteenth and Howard streets and by mistake he boarded a Council Bluffs motor and started on his way. He was taken in charge by Police Surgeon Langdon, who dressed his injuries, after which he went to a hotel for the night.

Jap Sees the Colony.

Selkirk, a South Omaha merchant, originally from the imperial land of Nippon, has brought suit in the county court against the Japanese colony. He claims that he has furnished his countrymen with groceries and hardware to that amount. Eighty-four summons had to be served and Deputy Clerk Sundblad was kept busy Thursday afternoon making out papers.

Women in a Street Fight.

Mrs. Ella Hines and Mrs. F. M. Winship were taken into custody at Seventeenth and Bluff streets about 10 o'clock Thursday night by Officer Dwyer on a charge of disturbing the peace. The two women engaged in a quarrel over a trivial matter and were pummeling each other with their fists and other weapons until officers were called. The police officer arrived and placed them under arrest. They will have a hearing before Judge Foster this morning.

Monthly Statistics.

The following births and deaths have been reported to the Board of Health during the twenty-four hours ending at noon Tuesday:

Births—Hans Kauffman, 1613 Inard; girl; Louis Hansen, 1816 Miami; girl; Cornelius Norris, 2202 South Twenty-fourth; Fred Blakely, 1669 South Thirtieth; girl.
Deaths—Edward B. Barrie, 1612 Chicago, 21.

PERSONAL PARAGRAPHS

A daughter was born Thursday to Mr. and Mrs. G. B. Wilbur, 2031 North Twenty-first street.

Miss Edith Patterson left yesterday for Salt Lake City, where she will enter a hospital for training as a nurse.

Doctor Brigham Says

MANY PHYSICIANS PRESCRIBE

Lydia E. Pinkham's

Vegetable Compound

The wonderful power of Lydia E. Pinkham's Vegetable Compound over the diseases of womanhood is not because it is a stimulant, not because it is a palliative, but simply because it is the most wonderful tonic and reconstructer ever discovered to act directly upon the generative organs, positively curing disease and restoring health and vigor.

Marvelous cures are reported from all parts of the country by women who have been cured, trained nurses who have witnessed cures and physicians who have recognized the virtue of Lydia E. Pinkham's Vegetable Compound, and are free enough to give credit where it is due.

If physicians were to be frank and open, hundreds of them would acknowledge that they constantly prescribe Lydia E. Pinkham's Vegetable Compound in severe cases of female ill, as they know by experience it can be relied upon to effect a cure. The following letter proves it:

Dr. S. C. Brigham, of 4 Brigham Park, Fitchburg, Mass., writes:

"It gives me great pleasure to say that I have found Lydia E. Pinkham's Vegetable Compound very efficacious, and often prescribe it in my practice for female difficulties. My oldest daughter found it very beneficial for uterine troubles some time ago, and my youngest daughter is now taking it for a female weakness, and is surely gaining in health and strength."

"I freely advocate it as a most reliable specific in all diseases to which women are subject, and give it honest endorsement."

Women who are troubled with painful or irregular menstruation, bloating (or flatulence), leucorrhoea, falling in, inflammation or ulceration of the uterus, ovarian troubles, that bearing-down feeling, dizziness, faintness, indigestion, nervous prostration or the blues, should take immediate action to ward off the serious consequences, and be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound, and then write to Mrs. Pinkham at Lynn, Mass., for further free advice. No living person has benefited of a wider experience in treating female ill. She has guided thousands to health. Every suffering woman should ask for and follow her advice if she wants to be strong and well.

OMAHA THE BIG FORT NOW

Chief Signal Station by Removal of Corps from Fort Myer.

QUARTERS WILL BE READY ON TIME

Old Virginia Fort, Headquarters Since Civil War and Establishment of Service, Will Be Abandoned.

Information received at headquarters Department of the Missouri confirms the announcement published in The Bee that Company B, Signal Corps, United States Army, has been ordered from Fort Myer, Va., to Fort Omaha, not later than October 1.

This is the initial proceeding of the abandonment of Fort Myer, as the headquarters of the United States signal service corps where it has been located since the establishment of that branch of the service, immediately following the close of the civil war and will be the beginning of the occupation of Fort Omaha, as chief signal station of the United States army for the future.

The signal corps company will occupy the new barracks just finished and removed from the old administration building at Fort Omaha. This remodeled building is one of the best equipped barracks in the United States, furnished with every modern convenience and lacks nothing for the comfort of the garrison. The new mess hall now nearing completion immediately north and adjacent to the barracks is also completely modern in its equipment.

Complete and Modern.
These two buildings, with the remodeled officers' quarters at the west side of the post, the commissary building and guardhouses and fire department house, all of brick, constituting the remaining old buildings of the fort, are all completed and modernized and will be occupied at once.

The new stables and wagon sheds of frame at the extreme south side of the grounds are finished, as is the railway station. This is also true as regards the cement walks and roadways, extending from the east main entrance to the grounds around up front the old headquarters building and in part of the old officers' quarters.

The foundations are now being laid for the new group of officers' quarters at the west side of the parade ground, and also for the new hospital building at the southeast corner of the grounds, immediately south of the new officers' quarters. Foundations are completed for the new double barracks at the south side of the parade grounds and for the administration building at the east side of the parade ground, south of the main entrance.

Start September 5.
—(From a Staff Correspondent.)
WASHINGTON, Aug. 24.—(Special Telegram.)—Orders were issued today for the transfer of Company B of the signal corps from Fort Myer, Va., to Fort Omaha, on September 5. Captain Hathaway, two officers and eight men, together with field equipment and impediments will leave on or about that time for a new camp of the signal corps.

Attack of Diarrhoea Cured by One Dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy.
I was so weak from an attack of diarrhoea that I could scarcely attend to my duties, when I took a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It cured me entirely and I had been taking other medicine for nine days without relief. I highly recommend this remedy as being the best to my knowledge for bowel complaints.—R. Q. Drink and Cocaine Put Man on War-path and Only Dan Baldwin Calms Him.

Frank Betts created a small scare in the neighborhood of Nineteenth street and Capitol avenue yesterday afternoon by running up and down the street, brandishing a revolver and knife and yelling in a demoniac sort of way.

In response to a telephone call the patrol wagon made a hurried run from the police station. Betts was placed in a cell at the city jail and charged with being delirious and carrying concealed weapons. The man was crazed with drink and cocaine, the doctors stated.

In catching Betts Emergency Officer Baldwin had quite an exciting chase of three or four blocks before he brought Betts to bay. When Baldwin approached Betts the latter broke and ran at a rapid speed, still clinging to his weapons. Betts finally stumbled over a brick and before he could regain himself the officer had his arms pinioned.

Before the handcuffs could be removed from Betts at the station it required four strong policemen to hold him. The prisoner is known to the police through a number of crimes said to have been committed throughout the state. He recently finished a sentence in the penitentiary, it is stated.

WITNESSES GO TO CHICAGO

Nebraska Men Who Testified in Beef Trust Hearings Here Are Subpoenaed Again.

A number of the witnesses examined before the federal grand jury in the beef trust investigations held before that body in May last in this city, has been subpoenaed as witnesses to Chicago in the trial of the indictments returned against the packers there, which will begin early in September. Witnesses subpoenaed include these:

Fred Hoff, stockman.
W. W. Waller, commission man.
Ab. Wagoner, commission man.
Sol Degan, speculator.
Eans Frank, packing house broker.
Four cattle buyers for the South Omaha packing house.
C. F. Wilbur, a butcher of Beatrice.

As there were approximately 300 witnesses examined before the grand jury here and several hundred pages of testimony transcribed and sent to Chicago by Special Attorney Waring, who reported all the testimony taken here, it is possible that the number of witnesses summoned from this state will reach seventy-five or a hundred. The names of all will not be divulged from the office of the marshal, until all the processes have been served and returns made. The witnesses are directed to appear before the federal court at Chicago on various dates, beginning with October 2.

Miller Back from Long Cruise.
George W. Miller, who resides with his parents on Twenty-seventh avenue, north of the federal grand jury in the beef trust investigations here today for the past three years Miller has been acting coxswain on the launch connected with the gunboat Samart, doing patrol duty and also carrying messages in the cutter's country. The boys on the cutter's boat had several engagements with the natives, who would shoot with whatever they could obtain to

stuff in the muzzle-loading cannon. The station of the Samart was 90 miles below Manila, the boys visiting this burg about once a year.
