LEIFIELD, THOUGH, PROVES PUZZLE Charley Dexter and McGilvray Play Their First Game with

Herman Long's Fast Outfit.

Hard luck! The Omaha base ball laddles struck pay dirt at the Vinton street ball park yesterday afternoon in their game with the Cantillon Underwriters and had a look-in on the money and the score book until Martin made the third of his blundering errors in the fatal ninth and practically

handed the game to the Iowans. Another prominent feature of the game was the appearance of Charlle Dexter and Herman Long in the game. It is a peculiar stroke of fate that these two players, once the idols of other days, should be together with the Des Moines gathering in this day and generation. But such is the game. Dexter was signed by Manager Long a week ago to reinforce the "crippled" squad. Dexter and Long played together with the Boston Nationals and were great favorites.

pesterday was McGilvray, who was signed Saturday. Manager Long says he is measuring his strength for the pennant this meason and can read in the dope book that will raise the coveted piece of cloth on his topsall when the season shall have

Game Pains Little Boy. But as for yesterday's game. It causes

severe pains around the cardiac regions of the little boy who sits on the center field fence to tell about it. The little fellow had several hemorrhages yesterday afternoon when the Rangers went down and out the ninth. Despite Martin's two errors before the last inning the Omaha boys had 1,100. a run for their kopeks and might have eashed in had not Martin played like an Abyssinian groundhog at the most critical period of the game. Had it not been for his three errors, Omaha might have won, although making but two hits off Leifield. McCloskey pitched good ball, though hit

Both sides scored one run in the fifth inning, which score held good until the gloomy ninth. In the first half of the fifth Charlie Dexter touched off the pyrotechnica by sending out a lulu-bird to center field. Mr. Wakefield of the Underwriters relieved Dexter at first and did the running for the doughty little catcher. McGilvray and the doughty little catcher. McGilvray and spectively. Score, first McNichols then went out and Leifield sent cHicago.

Then Omaha came to but in the fifth.

Martin got to first on an error by Ganley and reached second on a wild pitch of Lieffield, going to third when Gonding passed a hot one out to leftfield. Gonding tramped to second on the play in and sild to third in few seconds later, beating the ball to the third plate, while Martin rode home with a score. That made 1 to 1, with the fars sitting up and buying more pennuts. The little boy on the centerfield fence called to his father, who had just harded his wife.

Then the score remained the same until eclipse occurred. In the ninth Rossman the Great, with a batting record that is good to look at, sent but a lively one to

dexterous sacrifice hit and advanced Rossmen and Caffyn. Fine business! And now cometh one McGilvray, who sent cut an easy one to Martin, who was askep at the switch. Martin allowed the ball to go far into the distant future, irstend of stopping it, sending it home to shut off Rossman and then giving Gonding a chance to make a double play by advancing the ball to first

Hard Hitting' at Pueblo. PUEBLO, Aug. 26.—In a game characterized by hard hitting on both sides, with many errors, the Pueblo Indians today defeated St. Joseph by a score of 17 to 12. Seay, for the Saints, and Miner, for the Indians, opened the game on the firing line. Both were batted hard and in the fifth Seay was replaced by Byler, while Hester was sent in to take Miner's place. It was the last of the fourth that the Shriverities chalked up seven scores and apparently had the game cinched. However, the Saints got busy in the first of the fifth and with three hits and an error added three runs to their string. Again in the sixth three hits, a pass and an error netted them four runa. Apparently they had the game cinched. It was not until the eighth that the Indians

A revelation in the cure of DEAFNESS after 30 years of suffering with head noises and discharging ears, a well known minister cured by Dr. Branaman's new electric system. Both ear drums eaten away, he blows smoke out of his ears. Dr. Branaman cured him after other specialists said it was impossible. Rev. Frank Mordis, Argentine, Kas., Cured of Deafness

Deafness and Head Nolses.

I have been troubled with catarrh for years. Several months age
I contracted cold that settled in my throat and ears, closing them
and making me very deaf and giving the most violent head noises. I
could not sleep for noises and pain, my ears felt full. I could not
hear anything in one ear. I went to a prominent Omaha specialist
who blew dry air into my ears and run tubes into the ear, making
them worse. I read of Dr. Branaman curing so many people and
went to him. He promised me a cure, and today my hearing is perfectly restored, head noises stopped, my catarrh is cured. In fact, I
am cured. I wish to have this statement published so others may
know where to get cured. I giadly recommend the New Cure to all.

Bronchial Asthma

For one year I have not been able to go down town for the Asthma. I could not go up stairs for shortness of breath, coughing and wheezing. I had to sit up at night. No one but an Asthmatic can imagine the awful suffering I have gone through, I would choke up so bad I thought I was going to die, would send for my family doctor two and three time a week; all he could do was to give me hyperdermic injection, and tell me the same old story, "that Asthma could not be cured." I went to Dr. Branaman. He put me on his new cure, which gave me relief at once. His new cure accemed to go into my lungs and bronchial tubes, where the disease is. It loosened, opened my lungs, healed and stopped the cough, wheeging and difficult breathing. I can new lie down and steep all night like a child. I feel like I was born again. I advise all who suffer as I did to take this new cure.
