NEW STAR IN THE TENNIS FIRMAMENT

Young Collegian Disposes of Veterans Throughout Tournament Without Losing a Single Set.

Hayes of Toledo, In., by his defeat of Fletcher of Galesburg in the challenge match won the title of middle west tennis singles champton for 1906 Saturday afternoon in the windup of the middle west tournament, which has been held all week at the Field club under the auspices of the United States National Lawn Tennis assoclation.

The record of Hayes since he has started his career as a tennis player is one that INSHOOT NEARLY FATAL TO CHANCE any player would be proud to possess. Coming from the town of Toledo, Ia., which has turned out some noted athletes, he went to Cornell college at Mount Vernon, Ia., where he played some tennis. Some of the players at Toledo, thinking that they saw champlonship material in Frank Chance, aside from bringing in one the novice, induced him to go to Rock of Chicago's two runs and batting in the Valley to the state tournament, where he second and winning score, made a marvelensily won the title of champion of Iowa. The Eberhardt brothers, this year's champions, did not appear to defend their title, so the championship went to the winners of the tournament

Sanderson and Fletcher won by superior overhead work and the lob game, a game to which the Chicago cracks were not accustomed. Their style is more of the low friving sort, with hard smashes.

Anderson won the contest for the text serving, all of the players in the tournsment being entered.

OLD SORES ROOTED IN THE BLOOD

Old Sores are the result of a deeply polluted, foul blood supply. The blood is filled with poisons, and as it finds an outlet through the ulcer, the surrounding parts become diseased and the sore eats deeper into the tissues and flesh and becomes a permanent trouble.

Bome years ago while at work, I fell ever a truck and severely injured both of my shine. My blood became poisoned as a result, and the doctors told ms I would have running seres for life, and that if they were closed up the result would be fatal. Under this discouraging report I left off their treatment and resorted to the use of 8. S. Its effects were prompt and gratifying. It took only a short while for the medicine to entirely cure up the sores, and I am not dead as the doctors intimated I would be, neither have the sores ever broken out again, and some twelve years have elapsed since what I have described occurred. Having been so signally benefited by its use I can heartly recommend it as the one great blood purifier. Wheeling, W. Va. J. W. FUNDIS. Care Schmulback Brewing Co.

Salves, powders, plasters, etc., do no good, and the sufferer gets disgusted and often despairs of curing an old sore. The trouble is in the blood and until the poison ous matter that is keeping up the ulcer is driven out the place cannot heal. S. S. S. reaches these old sores through the blood by removing every particle of poison or impurity from the circulation and build-

ing up the system. It makes the blood healthy so that as it circulates to the diseased parts the tissues are strengthened and the sore can heal

naturally and permanently. If you have an old asre r nicer do not waste time with salves, powders, plasters, etc., but write for our book and ask for any medical advice you

The West Omaha Diamonds defeated the First National Banks in a hot and interesting game yesterday afternoon at Fortyfourth and Jones streets. The play on both sides was exceedingly clever, but the game was made rather one-sided from the fact that Greenleaf of the Diamonds struck out twenty men, allowing but three hits and one walk. Smith's pitching for the Money Lenders was competent to hold the score down. Other than the battery work of Greenleaf and Coad the infield work of Greenleaf and Coad the infield work of Greenleaf and Coad the infield work of Powell and Hughes was excellent. Diets Team Beats Field Club.

Diets Team Bents Field Club.

The Omaha Field club base ball team lost a game to the C. N. Dietz toam, which they seemed to have in their strasp at the Field club grounds Saturday, before a goodly number of people, considering the interest in the tennis games. The Diets team won in a whiriwind finish in the ninth inning, when the Field club players seemed to have the game well in hand. Two of the lumbermer were out when a ball was hit to Taylor, who had a chance to throw to first and retire the side, but instead he attempted to touch the player. After he had missed he then threw to first, but the ball hit the runner and the whole Field club team went to pleces, with the result that the Dietz team scored six tallies. Score:

ness Sends Figures Down, Last week was a week of disaster for the Rourke family such as has not been seen this season. The experience in Colorado was surely disheartening, and the loss of yesterday's game to bes Moines shows on what little things success in base ball turns. A single misplay settled the whole story of the game, and Lieneld got away with a victory he wasn't entitled to. The best he should have had was another tie, and the nearest Omaha has come to beating him this summer has been two ties, one at Des Moines and one here. That boy is certainly lucky as well as left handed. Slugger Bill Schipke and Dr. Welsh kept their eyes on the ball during the week, and Welsh went through without a foozle. Joe Dolan was the busy boy, having forty-six chances at short in six games played, which is going some. Johnny Gonding continues his careiess work behind the bat, having accumulated a total of five errors out of 620 chances in eighty-six games. And Gonding hasn't sloughed on a chance this summer. If that boy isn't a catcher, the fans wonder where to go to find one. The figures for the team's work to date are:

In regard to Henline's home run it should be explained that it would only have been a single, but Belden of the Denver team walked after the ball while Henline ran around the bases. It will surprise all but the wise ones to note that Frank Martin is the base runner of the team. He has shown both remarkable judgment and speed on bases and in addition is the best 'waiter' of the lot. He was the slugger of the outfit during the fore part of the season, making the first home run and the first three-base hit credited to Omaha. When Bill Schipke set sail for slugging honors, Martin had two home runs, three three-base and nine two-base hits to his credit. This was on July 3 at Denver, when Schipke made his first home run. At that time Schipke had five three-baggers and nine two-base hits chalked up on his record. Carter is still the prince when it comes to laying down a sacrifice and is something of a base stealer as well, being only two behind Martin, Joe Dolan has also helped himself to a few this season, as his record shows.

NEBRASKA TEAM WITHDRAWS Captain Not Satisfied with Conditions

of Sea Girt Contest.

BEA GIRT, N J., Aug. 26.—The third day of the military rifle tournament here opened this morning with the first day's program still unfinished. Owing to dissatisfaction with the conditions and arrangements the captain of the Nebraska team withdrew his men from the national individual match and, it was reported, contemplated a like action in the national team match.

Lieutenant W. B. McLaughlin, captain of the Nebraska team, explained that he withdrew his team members from the national individual match because of indications that the competition would drag through four or five days and he did not want to work them to that extent in an individual contest. He denied, however, the report that his men would not compete in the national team match.

When "cease firing" was sounded at 6 o'clock this evening about three-fourths of the competitors in the national individual match of the big military rifle tournament had finished shouting in the slow fire and rapid fire stages of the contest, and 192 of the more than 600 competitors had made the first of the two skirmish runs.

When the firing ceased this evening it was learned that Captain Corwin of the Seventy-first New York regiment has retained his place at the head of the list of competitors. Captain Corwin's total for the slow fire and rapid fire stages is 266 out of a possible 300. Sergeant Scott of Illinois is second with 22.

Visitors by thousands flocked to Sea Girt today. Twenty-four competitors participated in each of the eight skirmish runs that were made late today.

The majority of the troops and teams in camp will attend the church services at 11 o'clock tomorrow. Later the riflemen will visit Asbury Park.

HORSE THIEVES ARE JAILED

Pair of Men Captured by Caming County Sheriff and Deputy. WEST POINT, Neb., Aug. 26.-(Special.) -A neat capture of two horse thieves was made yesterday by Sheriff Kloke of Cuming county, and his deputy. Word was received Thursday by the sheriff that the thieves were in the vicinity of Wisner, and after a long hunt he came upon one of the men in a grove between Stanton and Norfolk. The man had with him a new phaeton buggy and a bay and sorrel team which he admitted were stolen between Omaha and West Point. He showed fight and it was only after firing several shots and a desperate struggle that he was overcome. He gives the name of Hill. The sheriff lodged him in jall here and in the meantime his partner was captured by Deputy Kelso, at Wisner, and also jailed. These are the men who stole a horse at Wahoo on the night of August 15. The horse was recovered at Wisner August 21, the thieves escaping in the meantime. Sheriff Webster of Saunders county is expected today to get the prisoners. Up to this time no owner has appeared for the phaeton and bay and sorrel horses.

Barada Factory Starts Pack. FALLS CITY, Neb., Aug. 26.-(Special.)-The Barada Canning company has started the season pack, which, from present indications, will be extra big and of a fine quality. The company has had nine packs, which have produced 28,000 cans. The fact that Barada is an inland town, eight miles from a railroad, makes the factory there of special interest. The local people bought the machinery of the Allen Bros. factory in Falls City and hauled it twelve miles overland to Barada and started up. They have their pack contracted for at 50 cents a dozen to an Omaha house. The pack of tomatoes will be light this year and the price will be higher than usual.

Bushea, manager of the shows o be put on at the Ak-Sar-Ben street fall this fall, returned Saturday morning from New York City, where he booked over a dozen high-class attractions for this season's amusement street. Every act is said to be a kingpin in its line and presenindications are that this fall's street fair will be something entirely out of the ordinary rut.

XI Mr. Bushea was sent out with instructions to make contracts for nothing but the best, which is none too good for those who dwell in the kingdom of Quivers. Satorday Mr. Bushea reported to his superiors and was rewarded with, "Well done, you good and faithful boy; you will have your

past raised." The headliner of the street fair will be the great international trained wild animal exhibition consisting of Hons, tigers, puma copards, hyenas, jaguars and other ferohand of man. There will be fifty-eight animals in the show, each animal being an actor and assisting in the thrilling performance given in the monster steel arena and massive dens. Captain Warner, a graduate of the Hamburg school of animal trainers, and considered one of the most fearless and foremost subjugators and trainers of wild beasts in the world, will have charge of this attraction.

Woman Feeds Animals. One of the features of this show will be Mile. Florine, who feeds the animals with raw meat out of her mouth. Prof. Davis will give an illustration of a lion hunt, assisted by natives from the jungles of Africa. Another notable attraction booked is the Woods' dog and pony circus, something entirely out, of the regular run of such shows. The little equine and canine performers will go through their stunts in a one-ringed circus in a manner that will appeal to old and young alike.

Among the headliners will be a Grecian stadium, with a revival of the ancient Olympian sports and pastimes. In the stadium Oscar Babcock will give his loopthe-loop and flying-gap in one act, a feat that no one else in the world has yet succeeded in accomplishing. Mr. Babcock does this with a bicycle. Many who have witnessed this act recently at St. Louis and St. Paul pronounce it the most thrilling thing in this line they ever saw. Numerous acts of the olden days will be revived in the stadium for the delectation of Ak-Sar-Ben visitors.

Many and Divers Wonders. Some of the other attractions are the Bohemian glass blowers, the noted educated horse, "Colonel Dixon;" Laughing Gallery, Palace of Illusions, Peggy from Paris, Ping Pong girls, old plantation show, refined vaudeville show, a collection of the best moving pictures in the world, Roberta, the artists' model that has been the talk of the east all summer; Mysterious Zelda, who has mystified pa-

rons of the New York City roof gardens this season, and other features yet to be announced. "Queen Lil," a riding elephant, and 'Holy Moses, jr.," an educated camel. have also been engaged for the street fair. Queen Lil is but 28 years of age and is said to be the most coquettish elephant i

and it is but a few weeks until the work on the grounds will be started.

The vote on a name to be selected for the street fair is still in progress, with the indications being that "King's Highway" will be selected unless some strong voting on the other names is done soon. The voting will close on August 31, when the

final vote will be announced. General Superintendent Renze at the den is working hard on the floats, which will represent the fraternal orders, twenty in number.

Tomorrow evening at the Ak-Sar-Ben den will be "Union Pacific night." A large crowd is expected from points along the line of Overland route. Mayor Schuff of Grand Island has promised a large delegation from the Hall county metropolis.
