Appropriation Lapses August 31.

OFFICIAL COMPLAINS OF PASS EVIL

Too Many Constituents Write Him Asking that He Secure Them Free Transportation on the Ball-

roads of the State.

(From a Staff Correspondent.)

LINCOLN, Aug. 30,-(Special.)-C. S. Allen, a member of the Board of Regents farming element in the rank and file of the of the University of Nebraska, has appealed to the district court of Lancaster county from the decision of Auditor Searle suits came as a surprise to him, as he was was filed with Auditor Searle this morning against any of its provisions. Incidentally and he at once refused to issue the warrant. Allen then appealed to the district court. It is understood that the decision of the lower court insofar as this case is concerned will be final and that no appeal will be taken to the supreme court. The appropri- of the crop yields have expressed in their ation was made by the legislature of 1963 and there still remains unexpended in the adopted by the bureau for gathering statisneighborhood of \$20,000. The building is tics. A number of them say that the figunder course of construction, but lacks con- ures thus compiled will counteract the ersiderable of being completed. Auditor Bearle has issued the warrant for the boards of trade and price manipulators. Innormal school appropriation and will hold the same until the work is completed.

#### Answer to Insurance Case.

Attorney General Brown has completed his answer to the petition of the Mutual Reserve Life Insurance company, which secured an order restraining the insurance department from interfering with their agents. The answer will be filed probably this week and in it the request is made that the restraining order be modified.

### Official Objects to Pass Evil.

be placed in their way. The necessary license was soon in possession of the groom and the ceremony performed. Boy Loses a Leg. BEATRICE, Neb., Aug. 20.—(Special.)—A most distressing accident befell a boy named Root. If years of age, yesterday at the home of Noah Wrightsman, who resides five miles southeast of the city. He was returning home from Holmesville in a buggy when his right foot got caught in one of the front wheels, with the result that his leg was so badly mangled that it was amputated just above the knee joint last evening by Dr. Fall of this city and Dr. Noble of Holmesville. At last reports he was doing nicely. He makes his home with Mr. Wrightsman. ELK FOINT, S. D., Aug. 20.—(Special.)—O On Tuesday, August 23, was held at the county noor farm the annuel hierd is and result in the village board from hearing tor determining whether the proprietors of the saloona are guilty of violating the vil-age ordinances. Mr. Langan is repre-anted by a Grand Island attorney. The reports of the messing at which Fleming's offer to engage in certificate bartering was made said that his offer was to act generally as the city's representative in the tax title business. I wonder why? The law is explicit in saying they shall not be sold for less than their face value, plus the interest fixed by law. To my mind there must be something in this matter that does not appear upon the surface. "Some time ago, when the tax commissioner indicated that time was hanging heavy on his hands I suggested to him that he might correspond with parties interested in the property covered by the certificates, tell them the status of the case and thus prohably get them to come in and redeem. That would be more legal
