

THE OMAHA DAILY BEE.

E. ROSEWATER, EDITOR. PUBLISHED EVERY MORNING. TERMS OF SUBSCRIPTION. Daily Bee (without Sunday), one year, \$4.00.

THE YELLOW PERIL BOGOT.

The emperor of Germany is still apprehensive that the success of Japan will result in some sort of injury to the western world.

It is thus apparent that all the assurances which Japan has given of its intention not to put any obstacles in the way of the trade of other nations in the orient has had no effect upon the mind of Emperor William.

Japan is fully committed to the principle of the open door so far as Manchuria is concerned and the treaty with Russia binds her to that position.

If other countries cannot successfully compete with Japan in the Asiatic markets they will have no cause to complain at loss of trade.

It appears that the southern states have not their quota of federal appointments under the civil service law.

Since western learning is to be the basis of preferment in China's civil service some innovations in the methods of "graft" may be expected in the empire.

That scandal in the War department should be an eye-opener to the Interior department, as an inspector has been actually found whose report is questioned by his superiors.

The Union Pacific cut off between Omaha and Fremont will be much more satisfactory to Omaha business men than the Burlington cut-off between Fremont and Ashland.

There can be little hope for recovery for the Insane Nebraska farmer who left his crops standing in the field to take a trip to Chicago.

People who rejoice because the volume of currency is greater now than ever before in the history of America have additional cause for joy in knowing that there is not a 50-cent dollar in the lot.

If army officers are to be held responsible for the substitution of inferior goods by army contractors, the course of study at West Point will have to be enlarged to cover several industrial subjects.

The Harriman reception at Tokio was not quite as much of an ovation as the reception of Secretary Taft.

It is now evident why the board of directors of other New York Life insurance companies did not fall out.

service regulations and the number of them in the public service is not very much less than the number of republicans.

TAKE THE LID OFF.

Omaha and Douglas county have for years been kept in ignorance about the inner workings and financial deals of the county court.

In the course of the last ten years these funds deposited for the benefit of property owners, whose lands have been taken for public use, have aggregated hundreds of thousands of dollars.

The time has come for lifting the lid. That can only be done by a change of administration in the county court.

In the case of the city of Omaha enjoining the appraisers of the water works from including in their estimates the value of the South Omaha plant.

Republicans in Omaha and South Omaha who failed to register last fall by reason of sickness, absence from the city or by reason of their being under age or residing in Nebraska less than six months, should at once apply to the city clerks of the respective cities for registration papers that will entitle them to vote at the coming primary.

The Harbor of Protection is a fraternal insurance order and claims to be doing business in fifteen states, chiefly for the protection of its officers from want of employment.

The democratic nominations for the Board of Education have gone by default, because no democrat seemed willing to file his name for the primary ballot.

The demand of the hour for an anti-pass plank in the republican state platform for 1905 will doubtless be complied with, but will the \$2,500 a year justices of the supreme court and court commissioners recede themselves to the anti-pass plank and pay fare?

Comptroller Lobeck is eminently correct when he declares that the responsibility for deficiency in some of the municipal funds rests with the charter tinkers.

Accuracy of Great Minds. Chicago Record-Herald. Emperor William thinks that Maine is the state of cyclists.

Inertia of the Fool Killer. Chicago Chronicle. That the gudgong crowd continues to increase is manifest in the activity of the get-rich-quick experts who are occasionally routed out by the postoffice authorities.

That the gudgong crowd continues to increase is manifest in the activity of the get-rich-quick experts who are occasionally routed out by the postoffice authorities.

A mystery. The prosperity of the concern that sold such systems shows that there are plenty of such Chicagoans, however.

Nebraska Doing Quite Well.

Nebraska is doing very well financially. Since May 29 the deposits in the Omaha national banks have increased \$4,866,000.

High School Fraternities.

The Minneapolis Education does not approve of fraternities in the high schools. It thinks they are too advanced for the high school boys and girls.

Compulsory Investigation.

Colonel Bryan's Plan for Settlement of Labor Disputes.

Colonel Bryan addressed a Labor day picnic in Omaha, Neb., Monday and contributed a suggestion for the settlement of labor disputes.

The compulsory investigation of a labor trouble must be distinguished from the compulsory enforcement of the finding of the board.
