St. Joseph Wins One.

ST. JOSEPH. Mo., Sept. 8.—St. Joseph and Des Moines exchanged compliments in a two-act engagement this afternoon. Des A two-act engagement this afternoon, Des Moines taking the first game, 12 to 3, and the Saints winning the second, 6 to 5. Liebhard: was easy for the heavy hitters in the first game, and their fifteen hits, together with eight errors by the Saints, enabled the visitors to score at will.

By grace of a bunch of hits and some passes in the second inning of the last game, St. Joseph scored five times, knocking Chapelle out of the box. Halla, who relieved him, held the locals down until the ninth, when they scored enough to win. Score, first game:

Gelding Goes Mile to Wagon in 2:06 and Half Mile in One Minute.

PITTSBURG, Pa. Sept. S.—The track record for trotting was broken once, the track record for pacing broken twice and the world's pacing record in a race to wagon was equalled at the second day's meet of the inter-city matines held by the Pittsburg and Allegheny Matines club today. The weather was almost perfect. The track was in fine condition and every horse except Angus Pointer seemed to like the footing. The former pacing champion made a poor showing and finished third in a race paced in slow time. Morning Star. C. K. G. Billings' entry in the free-for-all pace, shone brighter than ever before, equaling the world's record of 2001g in a pacing race to wagon. Major Delmar, the treord of 1208, held by Doctor Strong, made on Thursday, succeeded nobly. Driven by Deveraux and accompanied by Doctor Tanner with a runner, the gelding turned the mile in 266. Brought out for a half mile attempt, he made the half mile in one minute flat. The racing was the best harness racing seen in Pittsburg and attracted a large crowd. and Half Mile in One Minute.

Principals Make a Second Contract to Split the Purse and Declare All Side Bets

SAN FRANCISCO, Sept. 8 .- James J. Jeffries will referee the Britt-Nelson contest | call of time at 1:30 o'clock. The contest ling and objections that have been advanced by the Nelson side against the retired champion Jeffries still says he will act as that all was not right in the understanding Nolan, manager of Nelson, late last night that the boxers have a secret agreement to split the purse, the winner to take 60 and tent. There is a sentiment, small but growing, that once more the public of San Francisco and of California in general has "been taken in" by the pugilistic promoters, who, in order to create interest in the coming

battle, have not hesitated to resort to every device to delude the public and create an interest in favor of the box office. The wrangle of the managers of the two boxers. however, opened up the whole unsavory arrangement and proves to be a blow that will require a long time to wipe out of the memory of the sport-loving Californians. Fifty Thousand Dollars. Fifty thousand dollars is the prize for which Britt and Nelson will contest. This is the estimate of Manager Coffroth, given out late this evening, the sales so far having reached \$40,000, with very few high

priced seats left. A rush for the cheap seats and for standing room tickets is expected at the arena tomorrow morning. Standing room will go at \$3 per head. The arena is pitched in the center of the old Union Coursing park, about ten miles from the downtown district of San Francisco. It is in San Mateo county, and, therefore, outside the jurisdiction of the local police authorities. To preserve order

Salt Lake City and Montana towns have sent accres, while many of the eastern cities are well represented.

NEW YORK, Sept. 8—Ort Wells, one of last season's champion 3-year-old racers, broke down yesterday in training and probably will be retired to the stud.
