

HUNT CLUB CLASS FEATURE

New Attraction to Be Added to Horse Show This Fall. MOST PICTURESQUE OF THE PROGRAM Men and Women in Gay Hunt Garments, with Their Horses and Packs, Will Make This Beautiful Sight.

A special effort is being made by the horse show directors to make a feature of the hunt club class at the horse show, which will be held at the Auditorium October 3 to 10.

No more picturesque number could be placed on the program than the hunt club teams. These hunt club team classes consist of a team of three hunters, qualified or green, to be ridden by members of an organized hunt club or hunt servants, in hunt uniform.

The directors are now negotiating with the famous Warrenton, Va., hunt club, the Lake Forest Hunt Club, the Missouri Hunt and Polo club of Kansas City, the Denver Polo and Hunt club and the Cudahy-Morton club of Nebraska City.

One night will be given over to gymkhana. This was found to be very successful at a charity horse show given in St. Louis and furnished all sorts of amusement.

AFFAIRS AT SOUTH OMAHA

Mere on Foot to Issue Sewer Bonds for \$125,000. QUESTION LIKELY TO GO TO THE VOTERS

Advocates of Early Action Argue the Construction of Main Sewer Next Spring Will Avoid Much Trouble.

It is rumored in official circles that on Monday night an ordinance will be introduced providing for the issuing of sewer bonds in the sum of \$125,000.

Those who favor taking up the proposition at the present time think that if the bonds carry at the fall election there will be ample time during the winter to advertise them for sale, complete the histories and secure the proceeds.

Plans for this proposed main sewer and for the construction of a complete sewer system for the city were drawn last spring by Andrew Rosewater, city engineer of Omaha, and accepted and paid for by the city.

At any rate the voters will more than likely be given the opportunity of expressing their opinion on the question on November 7.

MAN WHO ROUTED J. J. HILL

Samuel B. Van Sant, ex-Governor of Minnesota, Guest of Brother. UNIQUE FIGURE IN NATION'S AFFAIRS

Former Governor Samuel B. Van Sant of Minnesota is in the city visiting his brother, C. Van Sant, Denver, Colo., president of the Van Sant Business college. Governor Van Sant is returning to St. Paul from Denver, where he attended the Grand Army encampment.

The name Van Sant will remain famous in the annals, not only of Minnesota, but of the country, as the man who put to rout James J. Hill on the celebrated merger proposition which Hill did not make stick in Minnesota—where the laws of the state prohibit the consolidation of parallel and competing lines of railroad.

For two terms Van Sant was governor and he gave the state a strong and vigorous administration each time. He ran for office the first time against tremendous odds. It was in 1890, when John Lind, the first democrat ever elected governor of the North Star state, was in office.
