

AFFAIRS AT SOUTH OMAHA

Voters to Be Asked to Vote Issue of Bonds for \$250,000.

COMPLETE SEWER SYSTEM TO BE BUILT

Main Branch to Cost \$145,000 and the Balance of Appropriation to Be Used in Extending the System.

It has been decided by the city authorities to ask the voters for \$250,000 to be used in constructing a complete sewer system of South Omaha.

At yesterday's meeting the finance committee was instructed to go over the plans and recommend to the council Monday night the plan of Andrew Rosewater for a sewer system to be put on its second reading.

It is understood that about \$145,000 will be needed to construct a main sewer along the river and the balance is to be used in extending the sewers all over the city or where most needed.

Officials of the city assert that if the bonds carry in November the money will be on hand so that work on the main sewer can be started early in the spring.

From talk around the city hall it is inferred that the sewer proposition will be thoroughly agitated between now and election day in order to stir up as much interest for the bonds as possible.

FATAL WRECK AT NEOLA

Two Freights on Rock Island Road Meet on a Bridge.

ENGINEER KILLED AND TRAINMEN INJURED

Failure to Receive Orders Results in Accident Which Kills Hundreds of Hogs and Cattle in Iowa.

NEOLA, Ia., Sept. 13.—(Special Telegram.)—A fatal wreck on the Rock Island road occurred this morning on the bridge over Cedar creek, just east of this place.

Both trains carried live stock. The west-bound hogs for South Omaha, and the east-bound cattle for Chicago. Cars were piled high and fell to the ground near the banks of the creek.

Practically all of the hogs and cattle were killed outright, as the cars telescoped. The engines remained on the track, but it was difficult to get them apart.

At local Rock Island offices the statement was made that beyond the report that a freight train had been wrecked, nothing was known.
