

"I LACHE FROM HEAR TO FOOT,"

This Is the Complaint of Thousands of Women Suffering With Pelvic Catarrh.

PE-RU-NA Is the Remedy That Promptly Cures All of These Cases.

A Former Invalid Writes Letter of Praise.

MRS. VICTORIA WALLACE, 25 W. Leigh St., Richmond, Va., writes: "I have ample cause to be grateful to you for your wonderful medicine, Peruna."

"After I used Peruna, these symptoms disappeared and I carried me through the climacteric period safely and well."

"I heartily recommend it to any sick woman, as it builds up her general health and improves her in every way."

Suffered Two Years—Completely Discouraged—Peruna Proves the Right Medicine—Advice to Suffering Women.

Mrs. Caroline Kramer, President "Moskel et Dol," Hebrew Society, 117 E. Lombard street, Baltimore, Md., writes:

"The majority of women who are suffering from disordered periods and other female troubles, have such strong faith in doctors that they allow them to experiment on them for kidney, liver or stomach troubles, until they become completely discouraged and their spirits are broken."

"This was my unfortunate experience for nearly two years when my attention was called to Peruna."

"I hardly dared believe that at last I had found the right medicine, but as I kept on using it and was finally cured, I could only thank God and take courage."

"I have had most satisfying results from the use of your medicine and have advised dozens of women who were suffering with women's ills to use Peruna and at the doctors' advice, and those who have followed my advice are better today and many are fully restored to health."

Per-na Gives Entire Satisfaction—Weary Woman Restored to Strength and Usefulness—Recommends Per-na.

Mrs. Henry Billow, foot of Ferry street, Buffalo, N. Y., writes:

"I am forty-eight years old and had never been seriously ill in my life, but lately I began to have a feeling of great weariness."

I. B. WESTON PASSES AWAY

Former State Treasurer and Beatrice Banker Dies After a Long Illness.

BEATRICE, Neb., Sept. 15.—(Special Telegram)—Hon. I. B. Weston, president of the National Bank and a pioneer resident of Gage county, died at noon today after an illness of several months. He was among the prominent men of the state and was at one time state treasurer. He was nearly 80 years of age and is survived by a widow and three children, two sons and a daughter.

ACETYLENE GAS LAMP EXPLODES

Store Badly Damaged, but No One is Injured.

GRAND ISLAND, Neb., Sept. 15.—(Special Telegram)—An acetylene gas plant in the hardware store of R. M. McAllister caused an explosion at 7:30 this evening, causing a damage of probably \$1,000.

Charles McAllister, son of the owner, noticed that the lights were flickering. Going into the basement near the plant, he lighted a match and turned on a jet. The explosion followed. He was hurled to the floor, but not rendered unconscious, and soon had an assistant to put out the fire which started. The front door and one of the plate-glass windows were shattered, some of the glass being blown into the middle of the street. The rear wall is badly out of plumb, and with several tons of stoves on the second floor, there is fear of a collapse. A man and woman passing the window at the time were hurled off the sidewalk, but were unharmed. Ringling Bros' circus exhibiting here and the streets at the time being packed by the largest crowd Grand Island ever had, it is regarded as a miracle that no one was even slightly injured. The plant had been in operation eight years.

Dodge Democrats Hunting.

FREMONT, Neb., Sept. 15.—The democrats are doing some strenuous work previous to their convention of next week. For county judge it is conceded that Editor Schaeffer of the Zeitung will receive the nomination without opposition. Deputy Treasurer John Knoell will lead the nomination for treasurer. C. O. Bos will be renominated for county clerk. For superintendent it will be a hot fight between L. V. Stump of this city and Superintendent French of Scribner, with the odds in favor of French. For sheriff, ex-Mayor Wilson is being urged as the only man who has a fighting show to defeat Sheriff Bauman, and will probably be called on to make the sacrifice.

News of Nebraska.

BEATRICE—Lucile, the 3-year-old daughter of Mr. and Mrs. R. H. Carson, died yesterday of spinal trouble.

TEKAMAH—A high school football team has been organized and the knights of the platoon are practicing daily.

TEKAMAH—Tekamah had quite a boom in cement sidewalks this year, about 10,000 square feet having been laid.

WOOD RIVER—L. F. Stockwell, a prominent sheep feeder of this place has just

OFFICIALS RETURN PASSES

Action Follows Stand Taken by the Republican State Convention.

Governor and Attorney General Lead

Some Training Governor to Call Special Session of the Legislature to Act on Pass Question While Sentiment is Strong.

(From a Staff Correspondent.)

LINCOLN, Sept. 15.—(Special.)—In conformity with the declaration of the republican state convention yesterday that free transportation was detrimental to the best interests of the people, a number of state officials today returned their annual "which they were as "coaches" at the beginning of their terms of office.

Governor Mickey and Attorney General Brown first mailed out all of their before noon, with each sending a nice note of thanks for the favors, but giving no reasons why they were not to be paid.

Attorney General Brown said: "The sincerity of the republican party in this matter will be judged by the action of the republican officials, so I have returned to the railroads the passes which they sent me."

"When our appropriation was made last winter," said Mr. McMillen, "it was done under the impression that we would have to pay railroad fare, so I cut down the appropriation \$1,000 from the year before. In fact, our appropriation is less than it was twenty-five years ago. It will be necessary now for any school or institution that asks for one of us to visit to pay our actual expenses including railroad fare, for I do not intend to have a deficiency. During the last five years we have paid our railroad fare it would have cost the state at least \$3,000 a year. However, the republican state convention has spoken; I have seen the superintendent and his deputy do more traveling than any other state officials in visiting county institutes and schools."

"I have seen the superintendent and his deputy do more traveling than any other state officials in visiting county institutes and schools."

May Call Legislature.

Now that a republican state convention has put the state officers up against the proposition of declaring the system detrimental to the welfare of the people, it is believed that Governor Mickey will put the proposition to the legislature to act on the proposition to carry out the recommendations of that convention by calling a special session of the legislature before any change of heart can occur in those who composed the committee.

A number of men who were here yesterday and today have urged the governor to strike while the iron is hot and get some railroad legislation. One party left with the governor a statement of the amount of freight he had to pay in shipping flour from the state to Glasgow, Tenn. That rate to Council Bluffs from a distance of 183 miles was higher than was the rate from there to Glasgow by a good per cent. Among the men who called upon the governor to act now were some very prominent members of the legislature who were considered by the governor. As the members of the special session would be the same men who made such a farce of railroad legislation last session it is believed that Governor Mickey hesitates to call them together again for fear of a repetition of last winter's work. However, there is a possibility that Nebraska will have a special session before another regular session is held.

Home for Friendless Board.

Governor Mickey this afternoon responded to a letter from Mrs. Mattie Johnson and Mrs. Dr. Stein, Mrs. Mattie Johnson and Mrs. Dr. Stein, all of Lincoln, members of the Advisory Board of the Home for the Friendless. Mrs. H. H. Wheeler is chairman of the board.

Postage a Big Item.

Adjutant General Culver is trying to figure out how to answer several hundred questions from Spanish war veterans regarding money they were without wiping out the meager appropriation made for the maintenance of his office by the late legislature. Every answer will require a 2-cent stamp, and there will be enough of them to use up over \$100. Today General Culver received a letter from the members of one family regarding the claim of a deceased relative, asking for the claim. All live in different states. It has been suggested that if persons writing for affidavits blanks would enclose a stamp it would help matters and hurt no one financially.

Odd Fellows Picnic.

SUPERIOR, Neb., Sept. 15.—(Special.)—Today occurred the sixth annual picnic of the Republican Free Independent Order of Odd Fellows association at Hardy in this county. The attendance was large, all the lodges in the district furnishing good delegations. The forenoon was devoted to a baseball game between Superior and Chester, with victory for the former by a score of 2 to 1.

A fine dinner was served by the Rebekah women and was well patronized. At 1 p. m. a large crowd assembled in the grove. There was music by the local band, invocation, address of welcome and responses by Fred Johnson after which the regular address by Rev. N. G. Brown alone fraternal lines was well received. At the evening session an unusually fine musical and literary program was rendered, which was followed by a fine address by G. H. Overman, D. D., G. M., followed by Hon. C. E. Adams on "Fraternity and the Universal Brotherhood of Man."

Fair is Hard Luck.

TEKAMAH, Neb., Sept. 15.—(Special.)—Indications have it that the prevailing rain will cause an abandonment of the annual Johnson county fair, which was scheduled for this city Tuesday, Wednesday, Thursday and Friday of this week. The rain started on the night of yesterday and has continued today. This is the third day of the show and not a race has been possible. The roof on the art hall sprung a leak today and before workmen could remove the goods on exhibit much valuable baggage, quilts, etc., were ruined. The management is considering the advisability of

WATCH FOR THE RING Berg-Swanson Co. 15th & DOUGLAS CORRECT DRESS FOR MEN AND BOYS.

Ready and Right

Our high art suits, top coats and cravenettes for Autumn and Winter are as ready as they can be, and as right as they should be.

Notable Results

of the shearer's skill and the needle's cunning. "That custom look" impresses the man who looks, instantly and unerringly. STOCK YARDS ASK HEARING

Western Companies Desire to Intervene in Two Suits Against Railroads.

WARNER CALLS THE COMMITTEE

New Body Will Meet Next Thursday at Lindell Hotel in Lincoln.

Burt County Democrats.

The Burt county democratic convention was held here this afternoon with a very small crowd in attendance. The following persons were nominated: For judges, H. Wade Gillis, of Tekamah; for superintendent of instruction, Miss Eda C. Nelson, of Oakland; for coroner, Dr. A. T. Hill, of Lyons; for treasurer, J. F. Griffin, of Decatur; for clerk, H. J. Gibson, of Tekamah; no one was nominated for sheriff. Ex-Senator William Miller of Lyons was chairman of the convention.

Wall of Packing Plant Collapses.

FREMONT, Neb., Sept. 15.—(Special.)—The east wall and a portion of the floor of the packing house and canning factory fell in last evening, carrying with them about 2,000 cans of corn which had been boxed but not labelled. The wall was discovered to be in a shaky condition just before the accident, and several men who had been sent under it to examine its condition had come out only few minutes before the collapse or they would have been crushed. The packing season will be over next week.

Horribly Burned

was C. Rivenbark of Norfolk, Va., but Bucken's Armita Salve healed his burns without a scar. Heals cuts, too. For sale by Sherman & McConnell Drug Co.

FORECAST OF THE WEATHER
