Will Bring Abiding Health.

**W**ITH as little trouble as the mere scratch of a pen you can find the way to abounding, abiding health. Just a line—a few words will bring our booklet, "The Battle Creek Idea."

We hope to send a copy into every home in America.

It ought to be read by every man who desires to have physical strength, to do his full share in the world's work.

Every woman who wishes to perform her whole duty to herself and family, should not only read it, but carefully, thoughtfully study it.

There is nothing pedantic in the booklet—no exploitation of fads or fancies—just plain, straightforward talk and practical truths. It tells of a rational life you can live in your own home, whereby you can secure permanent health. It tells the cause of sickness and weakness. It shows the part that diet plays in making or marring careers. You can follow its teachings without interference with business or home duties.

There is absolutely no charge—no obligation on your part if you ask for the booklet—now, or in the future. So write today—NOW. Address BATTLE CREEK SANITARIUM CO., Ltd., Dept. B-39, Battle Creek, Mich.
