SHOES SHOES PIANOS PIANOS

Second Hand and Slightly Used Pianos at Less Than Factory Cost

Dorothy Dodd

Just received 3,000 pair of THE FAULTLESS FITTING DOROTHY DODD high shoes for fall wear, comprising gun metal calf, college cut, blucher patent kid, ribbon lace, plain toe blucher, heavy or light soles. Just the nobbiest footwear ever shown in this city.

**PRICES: Boots \$3.50 and \$3.00
 Oxfords \$3.00 and \$2.50**

We must make room for several car loads of pianos now enroute. We have taken every rent piano in our stock and marked them down to a price that will sell quick. Every body knows that when the Bennett Company cut prices it means an actual cut from an already low price. Every piano is marked in plain figures—and we have but one price to all—and that the lowest.

Cash or Monthly Payments. Square pianos take room—so we have decided to sell a lot of them which are worth from \$80 to \$150 for the following prices:

On Monday morning at 9 o'clock we will sell an Arlington square piano in condition for \$11. At 9:30 o'clock Monday morning we will sell a Gilbert square piano for \$12.50. At 10 o'clock we will sell a Marshall Wendell square piano for \$14. At 10:30 o'clock Monday morning we will sell a Voss square piano for \$15. All of these in good condition and delivered in Omaha or South Omaha free. Monday afternoon at 1 o'clock we will sell a good second hand Upright Piano for \$21. At 2 o'clock Monday afternoon we will sell a good second hand Upright Piano for \$25. At 3 o'clock Monday afternoon we will sell a good second hand Upright Piano for \$27.50. Other upright pianos at \$29, \$31, \$33, \$35, \$37, \$39, \$41, \$43, \$45, \$47, \$49, \$51, \$53, \$55, \$57, \$59, \$61, \$63, \$65, \$67, \$69, \$71, \$73, \$75, \$77, \$79, \$81, \$83, \$85,
