

AK-SAR-BEN'S CLOSING LEVEE

Last of the Initiations for Year Held at Den Last Night.

MERRY TIME AT THE MONARCH'S COURT

Everybody Gets a Little Something and All Hands Enjoy an Evening of Speeches and Other Services.

With a grand finale and the usual extra trimmings that only the ingenious mind of Arthur Gus Reno could devise, the initiations of the eleventh year of the reign of King Ak-Sar-Ben were brought to a conclusion last evening with all cheering at the den about 8:30.

The first two acts of the initiation were repeated last evening for the benefit of a delegation of citizens from Blair, the party arriving at the den about 8:30.

Attorney Howard H. Baldrige performed the honors of grand mufti for the evening with becoming grace. He complimented the knights of Ak-Sar-Ben in standing shoulder to shoulder for the upbuilding of the city and state and for the untiring labors of those connected with the institution.

Governor Brooks a Guest. Governor H. B. Brooks of Wyoming followed Mr. Baldrige with a short talk, saying: "To build up your city and state you must have city and state pride, patriotism and industry."

Undoubtedly the Society of American Women in London has meant well in its planning educational opportunities on such a scale, but its members can scarcely be in touch with the work of their American sisters.

Proposes an Historian. F. L. Haller of the Lininger & Metcalfe company made the suggestion that some competent person be appointed as an official historian to keep a record of the progress and accomplishments of Ak-Sar-Ben, so that people living in future reigns of the famous and merry monarch may read of the past and take note of what has been done.

Plans for the Carnival. At last evening's meeting of the board of governors the matter of offering prizes for the uniformed degree teams that will appear in the afternoon parade in October was considered.

CANCER CAN BE CURED!

MRS. MARGARET A. BAILEY. It is not necessary for a person afflicted with cancer of tumors to give up hope. There is a positive cure for these diseases, a cure that can be used at home and which does away with all operations.

Among others who have been cured are Andrew M. Smith, Western Neb.; Mrs. J. A. Kimbrough, Jewett, Mo.; Robert L. Bennett, St. Jo, Tex.; H. J. Dayton, New Fairfield, Conn.; Joseph Adams, Salineville, O.; and thousands of others.

WOMAN IN CLUB AND CHARITY

The Society of American Women in London has a scheme on foot for the establishment of scholarships for American women in the English women's universities and it is estimated that it will require about \$100,000 to carry it out.

Undoubtedly the Society of American Women in London has meant well in its planning educational opportunities on such a scale, but its members can scarcely be in touch with the work of their American sisters.

BECOMING A MOTHER. Is an ordeal which all women approach with indescribable fear, for nothing compares with the pain and horror of child-birth. The thought of the suffering and danger in store for her, robs the expectant mother of all pleasant anticipations of the coming event, and casts over her a shadow of gloom which cannot be shaken off.
