ON THE IRRIGATED FARMS

In the valleys of the Grand, Gunnison, North Fork and Roaring Fork Rivers and in the San Luis and Uncompahgre Valleys, of Colorado, and the Farmington district of New Mexico—farming, stockraising and fruit growing are carried on in a way that is a revelation to the farmer in the east.

For those who desire to make new homes, there is no other region that offers better advantages than western Colorado—a land of blue skies and sunshine, with a temperate and even climate, would cost a little more—then we have Opals, Garnets, Ruby Doublets, Topaz, Turquoise and a number of other stones, ranging around \$5.00 to \$10.00. Spend a few minutes in our store. Look for the name.

ENGAGEMENT RINGS
