

Tired, Nervous Mothers

Make Unhappy Homes—Their Condition Irritates Both Husband and Children—How Thousands of Mothers Have Been Saved From Nervous Prostration and Made Strong and Well.

Mrs. Chester Curry

Mrs. Chas. F. Brown

A nervous, irritable mother, often on the verge of hysterics, is unfit to care for children; it ruins a child's disposition and reacts upon herself. The trouble between children and their mothers too often is due to the fact that the mother has some female weakness, and she is entirely unfit to bear the strain upon her nerves that governing children involves; it is impossible for her to do anything calmly. The ill of women act like a firebrand upon the nerves, consequently nine-tenths of the nervous prostration, nervous despondency, "the blues," sleeplessness, and nervous irritability of women arise from some derangement of the female organism. Do you experience fits of depression with restlessness, alternating with extreme irritability? Are you really, really affected, so that one minute you laugh, and the next minute you feel like crying? Do you feel something like a ball rising in your throat and threatening to choke you; all the senses perverted, morbidly sensitive to light and sound; pain in the ovaries, and especially between the shoulders; bearing down pains; nervous dyspepsia, and almost continually cross and snappy? If so, your nerves are in a shattered condition, and you are threatened with nervous prostration. Proof is monumental that nothing in the world is better for nervous prostration than Lydia E. Pinkham's Vegetable Compound; thousands and thousands of women testify to this fact.

Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills.

AT THE PLAY HOUSES

"The Forbidden Land" at the Boyd. Fun, fun, fun; rich, rare, racy. If you go to the Boyd while "The Forbidden Land" is here, go prepared to laugh and enjoy yourself. This little comic opera, burlesquing Thibault's royalty, rings with humor from first to last. The Barca Tarjuman, a potentate who seems to be about the whole works in his part of the orient, is the center around which the play rotates. This kind and magnificent gentleman is afflicted with a tender, so tender that when it comes time for him to gratify a life long ambition of executing five persons, one Englishman, three Americans and one Swede, he is finally moved from his high and noble position by nothing more pathetic than a woman's pleading, which takes the form of pleading. It is his daughter pleading for the life of one of the Americans who catches her fancy and whom she insists on marrying. The entire company is good; every man and woman—and there are many of beautiful women—seems to give zest and mirth to the entertainment which was most enthusiastically greeted twice yesterday and will be repeated each evening until including Thursday with a matinee Wednesday. Mr. Clark is the Barca Tarjuman, Mr. Clarke is the Barca Tarjuman, Mr. Clarke is the Barca Tarjuman. Its volume and depth are exceptional. Good singing is an enjoyable feature of the show. Thomas Cameron, Charles A. Morgan and Mabel Laffin have rare talents in this direction, while Alma Youlin is a soprano of superb gift. Her range and volume were accepted as quite remarkable and she was repeatedly recalled. Here and Mr. Clarke's are the voices which stand out most prominent, but there are others that are fine, a number in the chorus. Edward Garvie, as a health food inventor, and Charles A. Morgan, chief of the tramp fraternity of Thibet, are exceedingly funny, comedians of no bad sort. And they have excellent support in Mr. Clark, "Dean" McArt, and Hughie Flaherty. The engagement lasts till after Thursday evening.

"The Belle of the West" at the Krug. Florence Bindley and supporting company entertained crowds that taxed the Krug theatre, at the performance yesterday. The vehicle in which Miss Bindley appears this season is styled on the program as the new and original comedy, "The Belle of the West," the book being by Harry B. Smith and the music by Karl L. Hoskins. It is full of movement and melody from curtain to curtain and is a sure cure for that tired feeling that comes to many in this work-a-day world. To be exact, the performance is a potpourri of musical comedy, comedy drama, farce, comedy, comic opera and melodrama, all happily arranged to please those in front.

"The Belle of the West" at the Orpheum. The bill at the Orpheum for the present week mingles music and comedy with a sensational acrobatic stunt, and is one of the best offered so far this season. The really startling feature of the program is the acrobatic work of the Patty brothers, who are clever athletes and who execute a number of graceful feats quite neatly. The Alexander Patty furnishes the thrill of seven stage managements in every way shows the competent and careful handling of Mr. Long. If the audiences of yesterday are forerunners for other nights in the week "A Royal Family" will prove immensely pleasing to the box office.

STUDENTS HAVE COMPLAINT

Insist Local Dealers at Lincoln Make Too Much of a Profit. HOPED FOR RELIEF FROM THE REGENTS. Lincoln Engineers Preparing to Entertain Big Lights of the Brotherhood Who Are Soon to Visit the City.

(From a Staff Correspondent.) LINCOLN, Sept. 24.—(Special.)—Because the Board of Regents of the State university acted upon the report of Registrar Clark, which was in effect that the money which would be used for the purchase of the university was to be used to purchase text books and sell them to the students at cost would be so small that it would not pay to install the system, instead of acting upon the experience of the State Normal board at Peru, students of the university are still up against the same old book game.

A number of students expressed themselves in no uncertain terms regarding the matter today. As the question was so thoroughly agitated last year and so much proof was piled up that the system would be practicable and would save the students a large sum, even though it knocked a book dealer in Lincoln out of some profit, that the students who were instrumental in getting information as to the profits of the book dealers, thought of course the regents would take some action during the summer months and that this year the students would get their books at cost. The regents, however, did nothing of the kind.

Lincoln restaurants and boarding houses are full of students who are working their way through school and \$3 or \$4 saved to each of these students would mean much to them. Entertainment for Engineers. Local members of the Brotherhood of Locomotive Engineers have about placed things in shape for the entertainment of the visiting members to the meeting to be held here next Thursday and Friday. A ball will be given Friday night and in the afternoon the engineers will be taken over the city in automobiles and then they will inspect the Havelock shops. Some of the highest figures before the crop matured and graded them according to the way they were kept up and the general appearance. After inspecting the samples of the crops submitted the judges awarded the first prize of \$10 to Miss Anna Stienberger and the second prize of \$5 to Miss Matt Van Housen, county clerk. Mrs. P. H. Chapman, county clerk, and Mrs. J. H. Chapman, county clerk, were the judges. The judges say the girls kept up their fields much better than the boys and as a whole their grades exceeded the boys by a good margin.

Nebraska News Notes. SCHUYLER, Neb., Sept. 24.—(Special.)—The contest in the county contest started by Prof. E. B. Sherman last spring, brought their samples of the crop into town today and the judges inspected them and awarded the prizes. The prizes were not awarded upon the crop alone, but some of the highest figures before the crop matured and graded them according to the way they were kept up and the general appearance. After inspecting the samples of the crops submitted the judges awarded the first prize of \$10 to Miss Anna Stienberger and the second prize of \$5 to Miss Matt Van Housen, county clerk. Mrs. P. H. Chapman, county clerk, and Mrs. J. H. Chapman, county clerk, were the judges. The judges say the girls kept up their fields much better than the boys and as a whole their grades exceeded the boys by a good margin.

BOY DROWNS WHILE IN BATHING. Improved Life Preserver Falls to Work. BLAIR, Neb., Sept. 24.—(Special Telegram.)—While swimming in a pond of backwater of the river bridge, Grover Norris, aged 15 years, was drowned at 4 o'clock this afternoon. Some twenty boys had been in with him, but all had left except two small boys, who could give no accurate account of the accident, except that Norris, who could not swim, had placed two canvas water wings under him and went into the water, which was about fifteen feet deep, but failed to fasten them, so they floated ashore afterwards. He was found by the boys, who called for help, so small to render him any help. A ferryboat was run to the scene of the accident and five divers worked faithfully and many more with nets and poles and the body was recovered about 10:30 p. m. Young Norris lived with his brother, Bert, in this city, his mother residing in the western part of the state.

Flower Parade a Success. HUMBOLDT, Neb., Sept. 24.—(Special.)—The flower parade given yesterday afternoon by the women of the city was a glittering success, and was witnessed by an enormous crowd. The parade had been advertised as a feature of the carnival last week, but was postponed on account of weather from being put on. There were fourteen participants, as follows: Mrs. M. L. Wilson, wife of the mayor, and Mrs. R. G. Gat, in a single rig, decorated with purple chrysanthemums, and wearing bouquets of the same; Mrs. E. W. Taylor, under escort of mounted guards and the city band. They were followed by the following women and their friends: Mrs. M. M. Philpot, carriage with yellow chrysanthemums; Mrs. C. A. Gore, single rig with morning glories; Mrs. O. L. Unkfer, single rig with pink poppies; Mrs. Jas. B. Davis, single rig with red poppies; Miss Opal Wilson, single rig with white and yellow lilies; Mrs. W. J. Bean, single rig with white chrysanthemums; Miss Carrie Ross, single rig with purple gladioli; Mrs. Gertrude Bantz, carriage with yellow poppies; Mrs. C. M. Linn's carriage (in charge of Mrs. Will Lydick) decorated with red and white hollyhocks; Mrs. J. L. Leech, single rig with pink roses; Mrs. C. M. Linn was prevented from participating by the illness of her son. Arrangements had been made to have the parade repeated in the evening under illumination, but this was prevented by an accident to the lighting plant.

Recovers Indian Relic. COLUMBUS, Neb., Sept. 24.—(Special.)—While plowing on his farm one day last week William B. Miller, a farmer living in Loup township, turned up an Indian relic that has attracted considerable attention. It is a stone ax or tomahawk grooved near the center to receive the handle. The pole of the ax is spike pointed while the blade is about four inches wide. The stone is not flint, such as was used by Nebraska Indians, but is a granite of a greenish cast, and it is believed to have been from Ohio or Indiana. The field upon which Mr. Miller was plowing was frequently turned up arrow heads and pottery, but he was plowing deeper than usual this time to see if he could destroy some wild rose roots. He says he will send the relic to the State Historical society at Lincoln.

Valley Fair a Success. VALLEY, Neb., Sept. 24.—(Special.)—The farmers and seed growers, assisted by the business men of Valley, held a successful fair in Valley Friday and Saturday, September 22 and 23. The agricultural exhibit in the opera house was fine and very large and the floral exhibit, held in the town hall, was very beautiful. These exhibits were made under the management of W. H. Nightengale and sports and races were held each day. All were well attended.

Fusion in Nemaha County. AUBURN, Neb., Sept. 24.—(Special.)—The populists and democrats met in county convention here yesterday and agreed to hold a joint convention and avoid the squabble as to the division of the precinct. There were several candidates for the office of county clerk and sheriff, but as to the other of

ices the office had to seek the man. The following ticket was nominated: For treasurer, Lewis Young of Julian; county clerk, Sam Teare of Auburn; sheriff, Rufus Bowen of Nemaha; county judge, J. S. McCarty (present incumbent) of Auburn; clerk of public instruction, H. W. West of South Auburn; coroner, Dr. Vance of Peru; surveyor, B. J. Gilbert, and for commissioner, John T. Caspers of Benton.

SELECT ROUTE FOR OMAHA LINE. Great Northern Cut-Off to Leave Ashland Line at Fremont. FREMONT, Neb., Sept. 24.—(Special.)—It has been authoritatively announced that the Sioux City & Western Omaha line will be built from Fremont instead of from some point south of the Platte river, thus saving the expense of a bridge. The line of the survey leaves the present grade at the southeast corner of the city, follows the old road and then crosses the Elkhorn to road in order to take a more direct line to Omaha and crosses the Elkhorn some distance from Elk City. Work throwing up the grade of the Sioux City & Western inside the city limits is progressing and will soon be completed.

Flywheel in Light Plant Barren. HUMBOLDT, Neb., Sept. 24.—(Special.)—The Cooper & Linn electric light plant was put out of business yesterday afternoon by an accident to the machinery, in which the engineer, Will H. Lonneke, had a narrow escape from death or serious injury. He had just stepped from the side of the machinery to an adjacent room when a piece became detached from a small wheel and flew across the room striking the big flywheel. The latter wheel flew into a thousand pieces, portions of it going through the roof of the engine room and causing a great commotion in that vicinity. It was found impossible to replace the wheel inside of a week and in the meantime the city is in darkness. Last evening's band concert was pulled off with the aid of lanterns and improvised torch lights, while the business houses were compelled to burn by the city gas lamps which could not be found, some being compelled to close entirely.

Girls Beat the Boys. SCHUYLER, Neb., Sept. 24.—(Special.)—The contest in the county contest started by Prof. E. B. Sherman last spring, brought their samples of the crop into town today and the judges inspected them and awarded the prizes. The prizes were not awarded upon the crop alone, but some of the highest figures before the crop matured and graded them according to the way they were kept up and the general appearance. After inspecting the samples of the crops submitted the judges awarded the first prize of \$10 to Miss Anna Stienberger and the second prize of \$5 to Miss Matt Van Housen, county clerk. Mrs. P. H. Chapman, county clerk, and Mrs. J. H. Chapman, county clerk, were the judges. The judges say the girls kept up their fields much better than the boys and as a whole their grades exceeded the boys by a good margin.

MEXICAN TRADE PROSPERING. United States Has the Lion's Share of the Import Business. MEXICO CITY, Sept. 24.—Statistics of Mexico's foreign trade for the fiscal year ending June 30 show a healthy commercial condition. The imports were valued at \$55,980,000 gold, \$48,838,127 of which came from the United States, the increase being nearly \$6,000,000 over the preceding fiscal year. Great Britain sent goods to the value of \$10,438,343, an increase of about \$400,000. Germany contributed \$3,638,885, which is a slight increase. France, \$4,422,885, which is a gain of \$1,000,000. The gold exported amounted to \$12,696,164, a gain of nearly \$3,000,000 over the preceding fiscal year.

NEW ROAD TO MINING CAMPS. Line to Run from Walcott to Grand Encampment. CHEYENNE, Wyo., Sept. 24.—(Special.)—At last the famous copper and gold mining camps of Battle Lake, Grand Encampment and Gold Hill, and the rich agricultural section of the Platte valley, and the productive cattle and sheep country, all in northern Carbon county, Wyoming, are to have a railroad, and that too before April 1, 1906.

FRENCH ASK RECONSIDERATION. Requests Venezuela to Withdraw Its Last Note to M. Taigny. CARACAS, Venezuela, Sept. 24.—The French government has asked the Venezuelan government to reconsider its last note. The note referred to in the above dispatch was issued September 20 by the Venezuelan government and was in reply to a protest lodged September 13 by M. Taigny, the French chargé d'affaires, against the closing of the land stations of the French Cable company and the expiration of the manager of the company, M. Brun.

BRITISH RAISE MORE WHEAT. Statistics Show that Many Abandoned Fields Are Now Being Restored. LONDON, Sept. 24.—(Special Cablegram to the Bee.)—The agricultural returns for the year 1905 have just been published. The report sets forth general results of the agricultural census which is annually taken throughout the country in the first week in June. Compared with the crop area of the preceding year, the following increases have been noted: Wheat, 42,701 acres; rye, 6,483 acres; beans, 1,982 acres; potatoes, 35,282 acres; mangolds, 5,296 acres; cabbage, 3,181 acres; kohl-rabi, 1,960 acres; vetches or tares, 8,200 acres; permanent grass (not for hay), 19,321 acres; hops, 1,160 acres; small fruit, 875 acres; orchards, 1,325 acres. Associated with these are the following decreases on the year: Barley, 127,000 acres; oats, 30,586 acres; peas, 373 acres; turnips and swedes, 1,832 acres; rape, 3,800 acres; lucerne, 2,314 acres; clover, sain foins and grasses grown in rotation, 150,973 acres; permanent grass (for hay), 78,893 acres; flax, 122 acres; bare fallow, 84,371 acres. The total area under all crops and grass, including moorland and heath land used for grazing, is 32,266,822 acres, or 30,778 acres less than in 1904.

NO SOLUTION IN AUSTRIA

Conference Between Emperor's Messenger and Hungarian Leaders Fail. DECLINE TO ACCEPT CABINET PORTFOLIOS. Negotiations Evidently Closed and No Solution in Sight—King's Offer is Considered Utitilium.

VIENNA, Sept. 24.—Count Czakry, who yesterday was appointed by the king-emperor Francis Joseph, to negotiate with the leaders of certain parties in the Hungarian Diet, with a view to the formation of a Hungarian cabinet, had a conference with these leaders today at the Hotel Bristol, lasting for an hour and a half. It is understood that the count received from them a written declaration to the effect that they would be unable to resume the responsibility of government on the conditions imposed by his majesty, as these conditions were directly opposite to their political views, and in opposition to the mandate of the people at the last election. The count then left the conference to return with his majesty's reply. After an audience of the king-emperor, Count Czakry returned to the hotel and reported that Count Julius Andrássy, Count Zichy, Baron Banffy and Francis Kossuth had departed for Buda Pest and that Count Albert Apponyi, the other representative of the coalition, had joined his family at Weidlingau. This apparently brings the negotiations to a close. It is admitted here that the situation is worse than ever and Count Czakry's mission is considered hopeless.

Conditions Cannot Be Accepted. DUDA PEST, Sept. 24.—All parties here discuss with interest the meeting between the king-emperor and the coalition leaders Saturday and the conference between the leaders and Count Czakry today. They describe the king-emperor's conditions as an ultimatum which cannot be accepted by the Hungarian nation. The entire press is united in warning the people to act with reserve, pointing out that prudent observance of the law is their best weapon. The disappointment caused by his majesty's attitude is not confined to the supporters of the coalition. Francis Kossuth, Baron Banffy and Count Andrássy and Sichel returned from Vienna tonight and were given an enthusiastic reception at the railway station by an immense gathering. It is expected that public opinion will stand solidly behind the coalition for some time to come.

REORGANIZING CHINESE ARMY. Five Years Required to Work Out. Plans Now Decided Upon. LONDON, Sept. 24.—The correspondent of the Morning Post at Shanghai says that Yin Tehang, the Chinese minister at Berlin, has been recalled and will be appointed to a command in the army under General Yuan Shi Kai, viceroy of Pechee. The same correspondent gives some interesting statistics regarding the reorganization of the Chinese army. He says that the empire will be divided into twenty military districts, each with four regiments of infantry, one regiment of cavalry, one engineer corps and artillery in proportion. All the men will be enlisted for nine years. By 1910 China expects to have 500,000 trained men ready for service in the field.

SHORTAGE OF SCHOOL TEACHERS. HUTTON, S. D., Sept. 24.—(Special.)—The twentieth annual convention of the Woman's Christian Temperance union of South Dakota, after being in session since Wednesday, came to an end here this evening. At a business session the following officers were elected for the coming year: President, Mrs. Luella A. Ramsey, Woonsocket; vice president, Mrs. Floy Cochran, Brookings; corresponding secretary, Miss Grace Van Vleet, Hartford; recording secretary, Mrs. Ruby Smart, Westport Springs; treasurer, Mrs. F. A. Bidwell, Mitchell. Rapid City was selected as the place for holding the next annual convention. The annual report of the treasurer showed 1,566 members and money received amounting to \$2,100.

Gillies, Manager Crescent Hotel, Eureka Springs, Ark."

ernment is only waiting to establish new relations between it and the company. M. Taigny knows this and therefore the protest can be only considered an act of personal hostility. For this reason the government will abstain from treating with the French government through M. Taigny.

sure on this time, and it looks very much as though the Union Pacific has been outwitted, for it has been known for some time that the Union Pacific was arranging to build into the district from Walcott.

At noon yesterday the Saratoga & Encampment Railroad company filed its right-of-way maps and charts in the United States land office here for a railroad from Walcott, on the Union Pacific to Saratoga and Grand Encampment, together with terminal grounds at Walcott and Encampment, and yards at Saratoga. The distance from Walcott to Saratoga is twenty-two and seventy-seven one-hundredth miles, and from Walcott to Grand Encampment forty-three and seventy-seven one-hundredth miles.

The Saratoga and Encampment railway filed articles of incorporation with the secretary of state last Wednesday. The incorporators are Fenimore Chatterton, executor and now secretary of state; W. C. Henry of Grand Encampment, J. M. Rumsey of Rawlins, and some New York men of great wealth. Governor Chatterton is president of the company, W. C. Henry, vice president; J. M. Rumsey, secretary and treasurer. The company is incorporated at \$1,000,000, all of which is fully paid. The road will cost, inclusive of rolling stock for one mixed train daily, \$750,000, which sum is now on deposit.

President Chatterton says this road is a

Miller and others interested in the four trade are hoping that the wheat situation will clear up soon. Under the present circumstances American wheat landed here costs more than native wheat.

It said, the government held documents proving that the French Cable company has accepted the result of the judicial proceedings brought against it. The gov-
